The Basics

Definition of a Registered Student Organization

A registered student organization is an organization that has fulfilled all of the requirements established by the University for Official Registration. In this document, when the term organization or student organization is used, it is to be interpreted to mean officially registered student organizations.

Benefits of a Registered Student Organization

As a registered student organization of LSU, your group is entitled to certain rights and privileges, as long as your organization stays in good standing (active status) with the university. These special benefits include but are not limited to the following:

- Be listed on the LSU Campus Life website and in University publications and newsletters;
- Reserve LSU facilities, grounds, and equipment for organizational use;
- Sponsor events and other activities on campus;
- Post approved events and activities throughout various university media outlets;
- Apply for and expend organizational funding from Student Government or University departments;
- Apply for University recognition for student organization achievement;
- Participate in any information fair (Student Involvement Fair);
- Apply for and participate in the Tiger Stadium Group Seating process.
Types of Student Organization Statuses
LSU Campus Life uses different terms to describe the status of student organizations. Student groups at LSU fall into one of the following status categories.

- **Active** - Active status is defined as the status of an organization that has completed all requirements to start a new organization or maintain active status. Student organizations on active status are listed on TigerLink and may take advantage of the benefits offered to registered student organizations at LSU.

- **Inactive** - Inactive status is defined as the status of an organization that has not completed the requirements to maintain active status with Campus Life. Student organizations on inactive status are removed from all registered student organization lists and are not permitted to utilize any of the benefits of being an active student organization (such as participating in other student organization events, hosting events, fundraising, seeking funding from campus entities, reserving rooms or services and enjoying other benefits of being recognized as a student organization at LSU). Inactive organizations can become active again by contacting the Campus Life Office and fulfilling any outstanding responsibilities.

- **Probation** - Probationary status is defined as the status of an organization that has been removed from active status for violations of Campus Life policies, University policies, and/or local, state, and federal laws. The length and terms of probationary status vary. Student organizations on probation may be required to complete certain requirements before being placed back on active status.

- **Provisional** - Provisional status is granted from the time a new student organization application is submitted (or re-activating a previously inactive student organization) until the organization completes Student Organization Leader Training and submits all required documents. This time allows provisional student organizations to secure 5 founding members, hold two meetings in the LSU Student Union or an academic classroom, in which they should hold elections, write a constitution, and secure a faculty or staff advisor. The constitution and advisor agreement must be turned in before active status is awarded. If all founding members do not complete the training or submit all required documents within 60 days, the application is void. No events or fundraising activities are allowed while an organization is on provisional status.

- **Temporary** - Temporary status is defined as the status of an organization that exists for a period no longer than one semester that was formed to support a specific goal such as a political campaign or natural disaster relief.

Registered Student Organization Requirement to Remain in Good Standing (Active Status)
To keep an organization’s registration current and in good standing (active status), organizations must:

- Renew/Re-register on an annual basis with LSU Campus Life
  - This renewal consists of updating the roster of:
    - Current officers or representatives,
    - Advisor
    - Any additional relevant information (i.e. an updated constitution)

- Attend in-person training
  - A (1) representative from the organization must attend the entire training session for registered student organizations.
**Note:** Neglecting to complete registration renewal and completion of in-person training will result in the withdrawal of all privileges extended to the organization.

**Registered Student Organization Requirements for Social Greek Letter Organization to Remain in Good Standing (Active Status)**

Greek-letter student organizations that are comprised of single-sex membership and whose primary purpose is to recruit and support members scholastically, socially, and civically are designated as social Greek organizations. All registered social Greek organizations must affiliate with one of the Greek governing councils at LSU and are subject to all policies and procedures of their affiliate council and the Greek Life Office.

**Registration Requirements for Registered Student Organizations**

**Registration Process for Current Organizations**

To renew an organization’s registration, the organization must complete the following:

- Complete the re-registration/renewal application via TigerLink
- Update the roster in TigerLink. **Rosters should be continuously maintained; every time a change is made in leadership through election, selection, resignation, removal or addition of a leadership position, the organizations should update their TigerLink rosters. Campus Advisors should also be added to the TigerLink roster. Requirements for changes in who is advising the organizations are listed in the Advisor Requirements section (Page 13).**
- The organization President (or designee) and at least one other executive officer are required to complete the in-person training workshop.
  - Organizations that elect leadership at the end of the spring semester must complete the training during training offerings in the fall semester.
  - Organizations that elect leadership at the end of the fall semester must complete the training during training offerings of the spring semester.

**Note:** Annual re-registration is required in order to be acknowledged as an active and official registered student organization at Louisiana State University and A&M – Baton Rouge.

**Social fraternities and sororities affiliated with Greek Life are not required to complete the in-person student organization leader training as hosted by Campus Life. Although the training is open to those groups, Greek Life hosts a separate training series for fraternities and sororities.**

**Registration Process for New Student Organizations**

Students wishing to create a new student organization at LSU, must complete the following steps.

- Select an organization name.
  - No organization shall register a name identical to or closely similar to the name of a currently registered student organization nor can the Louisiana State University or LSU precede any organization name.
  - For example: LSU Baking Club is **NOT OK** VS Baking Club of LSU is **OK**
- Must have five (5) current LSU students that meet the officer requirements to serve as founding members.
- Draft a constitution ([See a Sample Constitution])
- Formally submit the organization application via TigerLink
- Provide contact information of advisor when completing application; an Advisor Agreement Form will be sent to the advisor via TigerLink by a Campus Life representative based on the information provided. Make sure to have a discussion with your potential advisor.
- Select the President (or designee) of the five (5) founding members to complete the training workshop.
  - Greek organizations will complete training conducted by Greek Life.

**Note:** Annual re-registration is required in order to be acknowledged as an active and official registered student organization at Louisiana State University and A&M – Baton Rouge

**Note:** Please allow up to ten (10) to fifteen (15) business days for application reviews.

**Responsibilities of Registered Student Organization**

As an LSU registered student organization, your group has certain rights and privileges. With these privileges come certain responsibilities to maintain your organization’s registered status.

Those responsibilities include but are not limited to the following:

- Each organization will comply with federal, state, and local laws and codes.
- Each organization will comply with applicable University policies.
- Each organization is responsible for the activities and/or actions of current LSU student members, non-student members and guests while participating in any function sponsored by that organization.
- Organizational information must be kept current with LSU Campus Life.
- All organizations are responsible for the planning, supervising, and ensuring the safe operations of each of their programs.
- All organizations should function using sound financial management and are responsible for any debts that may occur, including those to LSU.
- The organization must maintain an advisor at all times.
- All organizations are required to have an updated constitution within their TigerLink profile that adheres to university policies, local, state and federal laws.

Failure to comply with the above responsibilities will result with the organization being placed on probation and could be placed under the Student Organization Accountability Process that is conducted by the Student Advocacy and Accountability Office.

**Constitution Requirements**

An organization’s constitution is the document containing basic rules relating to the organization and its members, prospective members and advisors. Organizations governed by a national organization may submit the national organization’s constitution as well as local bylaws that include LSU’s requirements for basic policies, membership, officers, and amendments. Organizations whose national organizations do not allow them to adopt local bylaws must submit a constitution statement via TigerLink agreeing to follow LSU’s requirements for basic policies, membership, officers, amendments, and registration renewal. For assistance, review the constitution writing guide.
Registered student organizations at LSU are required to include a set of basic policies, membership requirements, officer requirements, amendment procedures and appeals process that are set forth by the University. This information is listed below and can also be found in the ‘Guide for Writing a Constitution’.

Basic Policies (Required)
The following are basic policies of this organization:

Section 1. The organization shall be non-commercial.

Section 2. The name of the organization or the names of any members in their official capacities shall not be used in connection with a commercial concern.

Section 3. The organization shall cooperate with Louisiana State University to support the improvement of education in ways that will not interfere with administration of the University.

Section 4. The organization may cooperate with other organizations and agencies, but persons representing the organization in such matters shall make no commitments that bind the organization.

Section 5. The organization agrees to abide by all University polices and local, state and federal laws.

Membership Requirement (Required)
Section 1. Any LSU student, faculty member or staff member who subscribes to the purpose and basic policies of the organization may become a member of this organization, subject only to compliance with the provisions of the constitution.

Section 2. Active membership is restricted to LSU students. Associate membership is restricted to LSU faculty and staff. Associate members are non-voting members.

Officers and Elections (Required)
Section 1. To be eligible to be elected to, appointed to, or to hold an office or be a standing committee chairperson, a student must:

A. Undergraduate students must be enrolled as full-time students at Louisiana State University (Baton Rouge); graduate students must be enrolled as part-time (with at least 6 hours) or fulltime students at LSU;

B. Undergraduate students must have at least a 2.0 cumulative GPA and be in good academic standing with the University; Graduate students must have at least a 3.0 cumulative GPA and be in good academic standing with the University.

C. Students must not be on disciplinary probation or deferred suspension. This includes newly elected officers, as well as continuing officers. Students may continue organizational membership if on disciplinary probation.
D. Students must meet all other academic standards established by the student organization and included in the organization’s constitution and/or bylaws.

E. Graduating seniors who are not registered full-time may still hold office in a student organization during the semester in which they are scheduled to graduate.

Amendments (Required)
Section 1. This constitution may be amended at any regular meeting of the organization by a two thirds vote of the members present and voting, provided that notice of the proposed amendment shall have been given at the previous meeting and that the proposed amendment shall be subject to approval of Campus Life.

In addition to the aforementioned constitution requirements, it is encouraged for student organizations to include ‘Provisions to Bylaws’. Bylaws include some of the following items:

1) Standing committees of the organization.
2) Ad Hoc Committees of the organization which are established for a single purpose, or 1–year commitment. Such committees will be eliminated from the Bylaws once abolished or defunct.
3) Policies pertaining to the time, location of organizational meetings.
4) Election procedures, dates, terms of offices.
5) Structures/Purposes of committees.
6) Member behavior when acting on behalf of the organization.
7) Removal of Executive Board Members outlining a detailed appeals process (see sample in the Guide for Writing a Constitution).
8) Removal of Members outlining a detailed appeals process (see sample in the Guide for Writing a Constitution).

Appeals Process (Required)
Constitutions are required to include an “Appeals and Due Process” Article or clause pertaining to an organization considering disciplinary action against an individual member should follow rules incorporated in their constitution or by-laws for disciplining the member, removing the member from a leadership position or removing the member from the organization. Minimally, we suggest the following steps should be considered and included with specific detail in an organization’s constitution and by-laws.

1) Rules regarding an organization’s ability to discipline a member, remove the member from a leadership position or remove that member from the organization;
2) Grounds for disciplinary action or removal that are clearly stated and available to members in writing, preferably listed in the organization’s constitution or by-laws;
3) Procedures for hearings or other methods of review that an organization may take to consider disciplinary action or removal; these procedures should
be clearly stated and available to members in writing, preferably listed in the organization’s constitution or by-laws;

4) Notice of specific concern(s) or charge(s) should be given in writing to the student leader(s) in question, to the organization leaders who will consider disciplinary action or removal and to the organization’s advisor(s);

5) An opportunity for a hearing should be offered to the individual student leader(s) in a reasonable timeframe (giving a specified minimum number of business days or class days between the notice and the hearing) and at a reasonable meeting day/time (not an unusual or intentionally convenient day/time);

6) Additional organizational procedures should be developed to:
   A. Guide the student leader(s) reviewing the charge on how to present concerns, witnesses and evidence
   B. Guide the student leader(s) in question on how to respond to those concerns, witnesses and evidence and to provide their own witnesses and evidence
   C. Specify if and how appeals may be made and to whom (organization advisor, etc.)

Organization rules and procedures for disciplining or removing members must not contradict or conflict with LSU Policies on Organizational Misconduct or the LSU Code of Student Conduct. Student organizations with national or regional affiliations should consult with these organizations prior to instituting a new disciplinary or removal process.

**Advisor Requirements**

All registered student organizations are required to secure and maintain an advisor who is a current full/part time employee (faculty or administrative staff) at Louisiana State University. Organization advisors are integral to the success of the organization and the development of its student leaders.

In order to serve as an advisor, faculty or administrative staff must submit an online Advisor Agreement via TigerLink, which states the required and suggested roles of an advisor.

Note, those employed part-time under an academic program (graduate assistantship) or internship are not eligible to serve in the role of advisor. Adjunct professors can be an advisor only if they have an assigned office space on campus.

Per the **Clergy Act**, advisors for Student Organizations at LSU are considered Campus Security Authorities with responsibilities to report criminal incidents or concerning behavior to LSU Police when acting in their role as an organization advisor. More information will be shared with advisors in October 2018.
Advisor Changes
A change of advisor or changes in the advisor’s contact information requires the submission of an updated Advisor Agreement signed by the individual in the advisor role. If an advisor resigns, it is the organization’s responsibility to inform Campus Life of this change and to find a new advisor for the organization. Student organizations are allowed a period of one month (not including the summer) to find a new University advisor.

Advisor Resources
Advisor Training will be held in the Fall and Spring semesters, Advisor will learn about the policies and procedures student organizations have to abide by in accordance to University policy.

Only the officers are permitted to make reservations, register events, and conduct other business on behalf of the organization.

In order to serve as an officer, students must meet the following criteria:

- Undergraduate students must be enrolled as full-time students at Louisiana State University (Baton Rouge); graduate students must be enrolled at least part-time (with 6 hours)
- Undergraduate students must have at least a 2.0 cumulative GPA (graduate students must have at least a 3.0) and be in good standing with the University;

Membership is restricted to LSU (Baton Rouge) students, with the exception of Greek organizations, faculty, and staff. Active membership is restricted to LSU students. Associate membership (non-voting) is restricted to LSU faculty and staff.

Resources for Registered Student Organizations

Student Government’s University Court
Campus Life will be working with LSU Student Government’s University Court to provide students an opportunity to have fellow students issue recommendations in cases involving breaches of a student organization’s constitution, policies, or procedures. For these instances, students will be allowed to detail the organization’s rules they allege were violated, provide evidence and testimony as proof, and request a certain recommendation be given by the court. The University Court is committed to providing an equitable recommendation that brings the organization into compliance with their regulations so they may best carryout their stated goals. Students who desire the court to hear their case and issue a recommendation can submit a request through the LSU Cares website (https://www.lsu.edu/saa/lsu-cares/index.php) under the Student Grievance section.

Details regarding the process and procedures of a case can be found in the Student Organization Decision Appeals section of the Rules of Court in the Student Government Governing documents (https://www.lsu.edu/sg/branches/Judicial/Governing_Docs.docx) and on the University Court’s webpage (https://www.lsu.edu/sg/branches/judicial.php)."

All student organization events using any University facility must be registered in advance with the Campus Life through TigerLink. Such event registration may require approval in advance from the LSU Student Union and/or other University departments or facilities.

**Types of Events**

- **A Student Organization Table-Sit**: Organization host(s) a table sit on Free Speech Alley/Circle to advertise for their registered student organization or upcoming event for said organization. *(Note: This definition may be subject to change pending university policy updates)*

University departments are consulted if necessary. Those departments include but are not limited to Event Management, LSU Police, and Risk Management.

**Step 5.** If the event request meets the requirements, LSU Campus Life/Greek Life staff grants approval. The approval confirmation is sent, via TigerLink to the student representative who submitted the event request.

What happens if an event is not approved?

**Step 1.** If the event request is **not** approved, LSU Campus Life/Greek Life staff contacts the student representative via TigerLink to:

- Request more information
- Request another form
- Deny event request
  - If denied, a response is sent to the student representative via email who submitted the event request with reasons for the denial.
  - A student can resubmit an event if they have made the necessary adjustments that comply with university policy.

**Step 2.** Once the student representative provides more information and/or submits additional forms, the LSU Campus Life/Greek Life staff will review the event request once more.

**Step 3.** If the event meets the requirement, LSU Campus Life/Greek Life staff grants approval and the approval confirmation is sent via email to the student representative who submitted the event request.

**Multi-Day Events**
Events that are held over a multiple day period or the weekend should be registered as single events if there are separate events per day with complex details such as different starting/ending times and locations.

**Late Night Events**
Late night events, including dances, are defined as any event open to LSU students and guests scheduled to conclude after midnight on a Friday and Saturday night. Late night events must end by 1:45 a.m. and the facility must be cleared by 2:00 a.m. Late night events may not be held from Sunday through Thursday.
Entry to late night events in the Union will be with a valid LSU ID card. LSU students are allowed to bring one non-student guest, who must enter the event with the LSU student. When there is a cover charge, ticket sales are to be handled by the facility management, who will issue a check to the sponsoring organization after all expenses for the event have been met.

Events scheduled to continue past midnight require entry through metal detectors staffed and operated by LSU police. A sufficient number of officers will be assigned to work security for events to insure a reasonably safe function. The Office of the Dean of Students and the LSU Union require that late night events must be registered through both offices at least ten (10) working days prior to the event.

Events and Concentrated Study Period
Office of Academic Affairs - (225) 578-8863
The Concentrated Study Period is the five-day period during the fall and spring semesters (Wednesday through Sunday) immediately preceding the week of final examinations. During this time, no extracurricular student activities, such as social and athletic events, will be held on- or off-campus. Any other exceptions must receive prior written approval from the Academic Affairs, Vice Provost – Dr. Matthew Lee (provost@lsu.edu) at least 10 business days prior to the event. Student organizations who are granted an exception by Academic Affairs must also follow the procedures listed in the Event Approval & Registration Policy section. Students should report violations of this policy to the Office of Academic Affairs.

Cash and Money Handling Suggestions
For safety and security reasons, Campus Life strongly discourages the collection of cash for payments to organizations. Instead, student organization leaders should consider adopting an online payment system where payments can be accepted, tracked, and disbursed easily – and audited if necessary. Organization leaders should also consider hiring security if they plan to handle large amounts of cash or checks at an event. Organization leadership should check with the venue hosting their event to understand if the venue owners require security when handling cash or check transactions during events. Campus Life does not necessarily suggest organizations alter the way they collect small amounts of pocket change during some fundraisers such as “penny wars.”

Film and Movie Screenings
Student organizations who are interested in showing films or movies at meetings and events must comply with the Federal Copyright Act (Title 17 of the U.S. Code), which governs how copyrighted materials, such as movies, may be used. Neither the rental nor the purchase of a home video copy of a movie carries with it the right to show the movie outside the home. This legal requirement applies regardless of whether an
admission fee is charged, whether the institution or organization is commercial or non-profit, or whether a federal or state agency is involved. To show a video on campus, your organization must purchase a “public performance” license from one of the three companies listed below:

<table>
<thead>
<tr>
<th>Company</th>
<th>Website</th>
<th>Phone</th>
</tr>
</thead>
<tbody>
<tr>
<td>Criterion Pictures</td>
<td><a href="http://www.criterionpicusa.com">http://www.criterionpicusa.com</a></td>

</tr>
<tr>
<td>Swank Motion Pictures, Inc.</td>
<td><a href="http://www.swank.com">http://www.swank.com</a></td>

<td><a href="http://www.mplc.com">http://www.mplc.com</a></td>

</tbody>
</table>

Fees are determined by such factors as the number of times a particular movie will be shown, anticipated audience size, location, etc. While fees vary, they are generally inexpensive for smaller audiences. Fees may be waived if a request is granted from the company responsible for producing the film or movie. For more information on the law on “Public Performances,” visit https://www.swank.com/college-campus/copyright/ (Swank Motion Pictures. Inc, 2017).

Once the organization makes the “public performance” license purchase, the organization is required to provide documentation to Campus Life via TigerLink under the documents section of your event submission or via email at involvement@lsu.edu.

**Online Streaming Services**

Student organizations who are interested in showing films, movies, television shows and any other content available via a streaming service (i.e. Netflix, Amazon, Hulu, Sling etc.) must still adhere to that company’s terms and conditions within the user agreement. Which may still require obtaining a “public performance license” to screen the film or movie.

**Marketing**

**Guidelines on Distribution of Printed Material on Campus**

Distribution of literature and other printed material on campus is governed by several LSU Policy Statements, including PS-82 on Use of LSU Facilities and Premises and PS-06 on Solicitation of Advertising. Because distribution of printed material impacts several different LSU offices and programs, these guidelines have been prepared to clarify how these policies should be interpreted and applied by the various offices involved. These guidelines do not replace or modify the formal policies, but are provided to assist LSU officials with the implementation of those policies.

**Principle**

LSU is committed to the First Amendment of the United States Constitution and the free speech values it embodies. As an institution of higher education, LSU recognizes the importance of free and open debate on all matters. Distribution of printed material on campus raises a number of issues that are unrelated to the content of the message being conveyed by that printed material. LSU has an obligation to take reasonable steps when appropriate to protect its students, faculty, and staff from invasions of privacy, impediments to safety, and interference with the University’s educational, research, and service missions.
To protect those interests, LSU reserves the right to impose content-neutral and reasonable time, place, and manner restrictions on the distribution of printed material on campus.

**General Rules**

1. Posters, fliers, and bulletins may not be placed on any LSU buildings, doors, walls, utility poles, trees, shrubbery, or any other surface. Posters, fliers, and bulletins may be placed on designated bulletin boards in accordance with any rules established by the department or office responsible for the bulletin board.

2. Distribution of printed material on other areas of the LSU campus is subject to reasonable, content-neutral regulation of time, place, and manner to protect the interests of LSU and its students, faculty, and staff, including, but not limited to, vehicular or pedestrian traffic congestion, construction activities, space available or required, parking needs, event security, litter mitigation, landscaping limitations, emergency contingencies and public safety considerations, the prevention of obstreperous distribution of literature, unwelcome hawking and face-to-face solicitation, the frequency or duration of requested use, the volume or frequency of other requests or reservations, the university’s own planned use of its facilities for athletic or other events, and potential for interference with the university’s educational mission.

3. No chalking allowed at any location on campus.

**Non-Students**

1. Non-students include any person who is not an LSU student and any entity other than recognized student organizations. It also includes students who are acting on behalf of or for the benefit of any non-student.

2. The Office of the Vice President for Finance & Administrative Services & CFO oversees distribution of printed material on campus by non-students and is responsible for enforcing LSU’s policies in this area as they pertain to non-students.

3. Non-students must obtain approval from the Office of the Vice President for Finance & Administrative Services & CFO before distributing printed material on campus.

4. In general, the following guidelines will apply to distribution of printed material by non-students. However, the Vice President for Finance & Administrative Services & CFO shall have authority to impose additional requirements or waive these guidelines in order to promote the best interests of LSU.
   1. Newspapers and magazines distributed free to students may be placed in newspaper racks at areas designated by LSU, in consultation with the publisher.
   2. Other than newspapers and magazines, distribution of advertising of any sort by non-students is not allowed.
   3. No fliers, brochures, cards, or other printed material may be placed on car windshields.
   4. Outside of the LSU Bookstore and similar locations, no printed material may be offered for sale without express approval pursuant to this section B.1.
Students and Student Organizations

1. The Office of Campus Life oversees distribution of printed material on campus by students and recognized student organizations and is responsible, with appropriate involvement from other components of the LSU Division of Student Affairs, for enforcing LSU’s policies in this area as they pertain to students and recognized student organizations.

2. Individual students acting solely on their own behalf do not need prior approval to distribute printed material to other individuals on campus by personally offering to hand it to them, outside of the areas designated in section 3.

3. In general, the following guidelines will apply to distribution of printed material by students. However, the Vice President for Student Affairs shall have authority to impose additional requirements or waive these guidelines in order to promote the best interests of LSU.
   i. No fliers, brochures, cards, or other printed material may be placed on car windshields.
   ii. Advertising for student events, groups, and activities will generally be permitted, subject to reasonable restrictions to protect the interests of LSU.
   iii. No printed material may be offered for sale without expressed approval.
   iv. Organizations should include the organization name on any printed materials intended for distribution on campus.

Promotional Items

Division of Finance and Administration
(225) 578-3386

If promotional items are sold or distributed, the organization must have approval from Finance and Administration. The promotional item design must be emailed to trademark@lsu.edu for approval before Campus Life/Greek Life will approve the event. Student organizations may use the LSU logo or other indicia if approval is granted from Finance & Administration ([LSU's Policy Statement on the Use of University Name and Indicia, PS-93](#)). This approval includes, but is not limited to, T-shirts, hats, calendars, decals, banners, or any other apparel or non-apparel items. The approval is obtained by emailing trademark@lsu.edu and receiving an email confirmation from trademark@lsu.edu approving the design.

Use of University Name and Indicia

Effective August 28, 1995

The Trademark Licensing Office within the Division of Finance and Administration promotes, protects, and regulates the University's name and identifying marks. These marks include the name, logos, seal and all identifying marks, symbols and slogans associated with LSU. The University has registered its marks with the U. S. Office of Patents and Trademarks and the Louisiana Secretary of State to protect the integrity and identity of the marks. Proper use of LSU’s name and marks stimulates public awareness and support for the University. Prior written permission is required through the Trademark Licensing Office for use of the University’s name or marks for anything other than official University purposes. The following applies to student groups, organizations, and sport club teams.
Use of University Name
A registered student organization or sport club team may use the University name in its title, publications or letterhead to show its status as a registered student organization at LSU, but may not use the name in a manner as to create confusion between it as an organization and the University itself nor in a manner that would in any way constitute an endorsement, approval or underwriting of any organization, product, activity, service or contract by Louisiana State University.

The general rule is that the University name cannot precede the name of the student organization. Examples include:

- **Permissible:** ABC Club at Louisiana State University, ABC Club at LSU
- **Not Permissible:** Louisiana State University ABC Club, LSU ABC Club

One exception to the above rule is for Sport Clubs who compete nationally against other universities. In order to identify this unique student organization subset, the following examples will apply to identify the competing Sport Club:

- LSU Sport Club, Sport Club at LSU, Louisiana State University Sport Club, Sport Club at Louisiana State University

If a Sport Club uses the word "team" within its title, it may only do so when the words "Sport Club" precede the word "team" in order to separate Sport Clubs from Intercollegiate Athletic Teams:

- **Permissible:** ABC Sport Club Team at Louisiana State University, ABC Sport Club Team at LSU, LSU ABC Sport Club Team, Louisiana State University ABC Sport Club Team
- **Not Permissible:** LSU ABC Team, Louisiana State University ABC Team

The correct reference to LSU is by Louisiana State University or LSU. "Louisiana State" is not acceptable.

Use of University Marks
Registered student organizations or club teams may not use the University seal or logos on letterheads, business cards or other identifying materials. A sport club team may, however, utilize a University mark as part of its uniform, provided the item is not issued or made available by sale or otherwise to anyone other than team members. Registered student organizations may receive permission to utilize a University mark for special use, such as a commemorative item that is for members use only. Contact the Trademark Licensing Office for review of such proposed use.

Should an item bearing the registered marks of the University be sold to anyone other than the membership of a registered student organization or sports club team, it becomes a commercial use of the mark and is subject to a license agreement. For example, if the ABC Club at LSU decides to use the marks of the University on its uniform, it may do so only subject to approval by the Trademark Licensing Office. If the club decides to sell a t-shirt bearing the University marks as a fund raiser, the manufacturer of the item must be an LSU licensee. The Trademark Licensing Office must approve all artwork and designs, as well as the quality of the product prior to its distribution. Please email trademark@lsu.edu with all proposed designs and any questions. A list of licensed screen printers can be found at www.LSU.com.
**Publicity**

Campus publicity is available through many resources. Some publicity is free, but there may be advertising costs associated with a few of the resource areas. Most of these resource areas target the student population of LSU. Student organization members should also keep in mind that word-of-mouth and social media outlets like Facebook and Twitter are some of the greatest ways to publicize events! When publicizing events, please refer to the policy on the “Distribution of Printed Material on Campus” outlined in the Student Organization Policy Manual.

- **LSU Calendar**
  
  www.lsu.edu/calendar

  Student organizations can request approval for their events to be placed on the LSU Calendar by going to the website above and clicking on the “Submit an Event” link. From there you must login with your LSU email address and password. Only LSU students, faculty and staff can submit events to the calendar. Student organizations should be sure to select the calendar sub-categories that best fit their event such as “Student Organizations.” Before submitting an event to the calendar, you should make sure that your event has been approved by Campus Life (or Greek Life for Greek organizations) through TigerLink and that your space has been reserved with the appropriate campus department.

Within TigerLink student organizations can register their events and promote them to all LSU students. This service is free of charge.

**Banking Information**

Registered student organizations who collect member dues, host events, or travel may need to acquire a checking account. The process for applying for a checking account is listed below. Other avenues for managing funds are available through LSU’s Agency or Miscellaneous Other (MOT) accounts. More information about each account is provided below.

**Checking Accounts**

Student organizations in need of a checking account or LSU Agency Account must first apply for a tax identification number through the Internal Revenue Service ([IRS Form SS-4](http://www.irs.gov)). Organizations apply online at [http://www.irs.gov](http://www.irs.gov). Once the tax identification number has been assigned, groups must fill out the appropriate forms with a local bank to receive the checking account. Registered student organizations at LSU are encouraged to consider the process of officer transition from year to year. Funds in a bank account can be unavailable to the organization when officers change each year the signature authority for the bank account has not been updated with the bank.

**LSU Agency Accounts**

Agency accounts are maintained for student organizations which make use of university services, but are not sponsored by, or closely associated with, the university mission. These accounts are for groups or organizations which hold activities on the campus, or have an officer who is an employee of the university that is authorized to acquire goods or services through the university on behalf of the organization. In order to keep the integrity of the organization separate from the university, no revenue can come from university funds. All sources of revenue must come from membership dues, registration fees, donations, earnings of the organization, etc. Off-campus vendor payments are made by submitting the invoice and proper documentation to Accounts Payable. Since the university is not responsible for reporting W-2 or 1099 income on agency funds, payments for salaries or wages are not allowable expenses.
The University accounting system can be used for internal transactions (ITs) for catering, housing, meeting room rental, supplies, etc. To set up an Agency Account form # AS502 Request for Agency Account must be submitted to the Office of Accounting Services. The organization name, taxpayer ID number (if one exists, there is no need to apply for a taxpayer ID number to use an Agency Account), purpose of account, and source(s) of funding should be provided. Specific guidelines for the disposition of any excess funds at the conclusion of the group activity should be provided (i.e.: return to national office or forward to next host institution)

All requests for agency accounts are reviewed in detail by Campus Life prior to approval. The nature of the activity and source of funds are carefully examined. Any factors that are judged to preclude the use of an agency fund will result in the denial of the request. Questions regarding the establishment and/or use of agency accounts should be directed to the Office of Accounting Services, (225) 578-3321.

**LSU Miscellaneous Other (MOT) Accounts**

MOT accounts are used by LSU departments to bill non-LSU departments for services or materials. LSU departments (e.g. Facility Services, University Stores, Graphic Services, Telecommunications, etc.) post charges to MOT accounts using departmental transaction (DT) accounting entries which are then submitted to the Bursar’s office Vault. The departments also send copies of the invoices which detail these charges to the Accountant Technician in the Bursar’s Office. At the beginning of each new month, the Accountant Technician prints MOT bills, attaches invoices for new charges, and mails the bills and invoices to MOT customers.

MOT customers mail payments to the Bursar’s office upon receipt of the bill, and the payments are posted against the MOT account balances. A student organization is one example of a non-LSU department which would be billed through an MOT account. Once a student organization requests services from an LSU department, the department will contact the Bursar’s Office to request creation of an MOT account.

Syllabus

[1] 22:8 EDUCATION - Colleges & other institutions of higher learning
30 a 1 PUBLIC FUNDS & CONTRACTS

Grambling State University is not responsible and/or liable for funds deposited in bank accounts by student groups where representatives of the groups, as opposed to facility and/or staff of the University, exercise control over the receipt, deposit and/or expenditure of said funds.

Request By: Mr. Harold W. Lundy
President, Grambling State University
P. O. Drawer 507
Grambling, LA 71245

Opinion By: RICHARD P. JEVODJU, Attorney General, ROBERT E. HARROUN, III, Assistant Attorney General

Opinion

You have requested an opinion of the Attorney General relating to funds deposited in bank accounts by student groups which funds are not under university control. You state that these accounts do not bear the institution’s name or tax identification number. The funds are comprised of dues assessed to the various organizations’ members and revenues from fund-raising activities conducted by the students. You further state that each organization has a University faculty or staff advisor.

In answer to your question, it is the opinion of this office that the issue of whether the University would be liable or responsible [1] for funds generated by student groups depends upon the control exercised over said funds by the faculty or staff advisor. If the advisor is responsible and/or has any control over the receipt, deposit and/or expenditure of said funds, the University could be held responsible for an accounting therefor. As such, the funds should be deposited in an agency account. However, if the student organization, through its duly appointed and/or elected officers (e.g., treasurer) is solely responsible for the receipt, deposit and/or expenditure of its funds, it is unlikely that the University would incur any responsibility for same.

Your second question concerns the laws applicable to ethics for public employees. Accordingly, this issue lies within the jurisdiction of the Commission on Ethics for Public Employees. I am, by copy of this letter, forwarding your request to the Commission for its consideration. Should you have any questions concerning same, the Commission’s telephone number is (504) 765-2308.

Should you have any additional questions concerning this matter, please do not hesitate to contact me.

Tax Information

THE INFORMATION FOUND IN THE SECTION BELOW SHOULD BE CONSIDERED A GUIDE AND SHOULD NOT BE CONSIDERED A SUBSTITUTE FOR ACTUAL, ONE-ONE-ONE LEGAL ADVICE. FOR ACTUAL LEGAL ADVICE, YOUR ORGANIZATION SHOULD CONTACT AN ATTORNEY
**Employer Identification Number**

Any student organization collecting dues or income of any type are encouraged to have a bank account. In order to set up your bank account, you must apply for an Employer Identification Number (EIN) from the Internal Revenue Service (IRS). The EIN application is located on the SS-4 form. You may apply through the following links:

Phone: (800) 829-4933

**Non-Profit Organization**

Some student organizations choose to apply for federal income tax exempt status through the IRS. The most common type is a 501(c)3. The non-profit process is time consuming and does not require additional fees for application. Organizations wishing to apply for non-profit status may find more information on the IRS website.

**Filing Taxes**

For organization not classified as non-profit, it is important to ensure your organization is filing taxes as appropriately outlined by the IRS. If the student organization report less than $5,000 on their “gross receipt”, regardless of the organization’s classification, it will automatically be considered federal income tax-exempt and will not need to file annually with the IRS. A “gross receipt” is defined by the IRS as “the total amounts the organization received from all sources during its annual accounting period.” Note that this number is calculated before subtracting any costs or expenses. Also note that this number includes student activity fee money, donations later re-donated to a charity, dues collected from members, etc. Thus, most forms of money taken in by the organization count against this $5,000 limit.

If a student organization receives $5,000 or more during an annual accounting period, it should contact the IRS to determine which form to file on behalf of the organization.

**Fundraising**

Fundraising by student organizations is allowed at LSU, in accordance with University policies and processes, local and state laws, and the LSU Code of Student Conduct. Fundraising is a type of event, therefore the Event Approval & Registration Policy also applies.

Campus Life defines fundraising as any event, program, or activity in which money or items are collected for the purpose of raising funds for the organization, a philanthropy, or donating goods to charities. Some examples include donations, ticket sales, sale of items, or collection of goods (i.e. canned food drives with donations to a food bank).

The Campus Life staff is happy to assist student organizations with questions, to offer suggestions, and to help student organizations comply with the fundraising approval process. To request a meeting, call (225) 578-5160 or email involvement@lsu.edu.
To be approved, fundraisers must comply with the following:

- The event must be submitted for approval online via TigerLink at least 10 business days prior to the fundraiser.
- In addition to submitting the event for approval, student organizations must gain approval for the use of university facilities prior to gaining approval for the fundraiser from Campus Life/Greek Life. Approval of the fundraiser and event does not constitute approval of space. Sometimes the reservation of space is tentative, pending the approval of the fundraiser. Once the fundraiser is approved, Campus Life/Greek Life communicates with the venue to confirm the reservation of space.
- Fundraisers involving food must comply with LSU’s Policy Statement on Food Service (PS-60), which determines approved venues and catering stipulations. Self-catering (defined by PS-60 as, “the preparation and serving of food, whether purchased as raw food or prepared food products, by members of an LSU department or student organization or other organization for themselves and guests with no involvement of a caterer in the preparation and serving of food within LSU facilities and premises) is not allowed for fundraisers, unless in compliance with PS-60. PS-60 refers to Greek houses, religious centers and the International Cultural Center as authorized to self-cater for members and guests, as long as the food preparation area complies with all applicable local and state health, sanitation, and safety standards. All other fundraisers involving food must utilize an LSU Licensed Caterer in order to be approved.
- Fundraisers with food cannot take place anywhere in or around Free Speech Alley/Plaza. (Per Finance and Administrative Services, due to contractual obligations with the dining vendor of the University)
- Student organizations may not promote, sell, or serve alcoholic beverages at any fundraising activity per LSU’s Policy Statement on Serving, Possessing and Consuming of Alcoholic Beverages on Campus (PS-78).
- If promotional items are sold, the organization must seek an additional approval from Finance & Administrative Services. The promotional item design must be emailed to trademark@lsu.edu for approval prior to gaining approval for the fundraiser from Campus Life/Greek Life.
- Student organizations may use the LSU logo or other indicia if approval is granted from Finance & Administrative Services (LSU’s Policy Statement on the Use of University Name and Indicia, PS-93). This approval includes, but is not limited to, T-shirts, hats, calendars, decals, banners, or any other apparel or non-apparel items. The approval is obtained by emailing trademark@lsu.edu.
- If the organization is interested in soliciting off-campus businesses or organizations for donations of money, services or products, the organization must first seek approval from Finance & Administration. A list of all potential donors/sponsors must be emailed to sponsorrequests@lsu.edu for approval prior to gaining approval for the fundraiser from Campus Life/Greek Life.
- Campus Life defines an auction as the process of buying and selling goods or services by offering them for bid (silently or otherwise), and then selling the item to the highest bidder. Auctions are allowed as fundraisers when entire net proceeds of the auction are devoted to a charitable or educational organization (per Louisiana Revised Statute 4:707.B).
- Fundraising on campus by student organizations is prohibited on the day of home football games (LSU Football Fan Guide 2018).
Off-campus fundraisers do not require approval or registration (Office of Risk Management, August, 2011).

Fundraiser Registration

Steps to register an On-Campus Fundraiser:

**Step 1**
Complete and submit an online event request through TigerLink at least 10 business days prior to the date of the event (or 15 business days for events with medium to high risk). Only members with “group admin” status can submit event requests. Click here to login to TigerLink (with your MyLSU ID and password) to submit an event request.

- Depending on the event, additional approvals from university departments may be needed. These approvals are needed prior to Campus Life/Greek Life approving any fundraiser. See below for more information on which department approves specific organization events.
- These forms are reviewed by the university advisor. Greek organizations must have the chapter advisor review the event.

**Step 2**
Campus Life/Greek Life staff reviews the event request.

**Step 3**
Campus Life/Greek Life staff approves the fundraising event if it meets all requirements, and then notifies the student organization. Once the event has been approved, the online software will send an automated email to the individual who submitted the event request.

- If the event does not meet the requirements, Campus Life/Greek Life requests more information or denies the event request.
- If the event is denied, the online software will send an automated email to the individual who submitted the event request.

**Step 4**
If approved, the student organization hosts the event on campus.

For the purposes of the current Fundraising Policy in the Student Organization Policy Manual located on the Campus Life website (www.lsu.edu/campuslife), the following clarification and additions are in effect as of Friday, August 15, 2014.

- Off-campus fundraisers do not require approval or registration with Campus Life/Greek Life. However, if the approved vendor or sponsor serves alcohol on the premises, not in conjunction with the fundraiser (Office of Risk Management, August 2011) the student organization conducting the fundraiser must submit
- If an organization is interested in soliciting off-campus businesses or organizations for donations of money, services or products, the organization must first seek approval from Finance & Administrative Services. A list of all potential donors/sponsors must be emailed to sponsorrequests@lsu.edu for approval prior to submitting appropriate paperwork to Campus Life/Greek Life.
- Student organizations may not promote, sell, or serve alcoholic beverages at any fundraising activity per LSU’s Policy Statement on Serving, Possessing and Consuming of Alcoholic Beverages on Campus (PS-78). Donations of money, services, or products from an approved vendor or sponsor cannot include the promotion, sale or service of alcoholic beverages.
- If your fundraiser includes food or non-alcoholic beverages and is hosted off-campus, we encourage you to complete the Off-Campus Food and Beverage Event Hold Harmless Agreement for fundraisers held off-campus and retain for organization record keeping purposes.

Sponsorships
Registered Student Organization and Approved Vendors/Sponsors Fundraising Procedure

1. Submit vendor/sponsor list to Finance and Administration at sponsorrequests@lsu.edu for approval. When determining approval of vendors/sponsors, Finance and Administration will generally apply the guideline that 51% of vendor/sponsor restaurant sales must be from food sales. Donations of money, services or products from an approved vendor or sponsor cannot include the promotion, sale, or service of alcoholic beverages.
2. Finance and Administration requires the submission be at least 10 business days prior to the proposed event.
3. If approval from Finance and Administration is received, the registered student organization provides the vendor/sponsor an Off-Campus Food and Beverage Hold Harmless Agreement to complete and provide a copy to the registered student organization.
Donation Requests: LSU Auxiliary Services
Donation request webpage: https://www.lsu.edu/as/services/donation.php

LSU Auxiliary Services welcomes donation requests from registered student organizations for LSU Dining and Coca-Cola products in support of their organization activities. Consideration of requests begin each year on July 1 and are available until resources are allocated for the year. Organizations must remain in fully registered status and in good standing with the university to request these donations.

Organizations may not re-sell donated products or services. Normal catering policies govern the use of the donated products and services as well.

Student Government Funding
Student Government offers a variety of funding opportunities. Student organizations are eligible to apply for funding from the Organizational Relief Fund (ORF), Programming Support and Initiatives Fund (PSIF), and from Student Senate. The Student Government Programming, Support, and Initiatives Fund (PSIF) was created to support new student organizations, organizations hosting conferences on campus, and organizations who are hosting late-night programs for students. The Organizational Relief Fund (ORF) is designed to help defray the travel costs of full-time undergraduate students (graduate students apply through the graduate school) traveling to conferences, conventions, or competitions which are educational, academic, or professional in nature. Finally, the Student Senate may provide additional funding for an organization’s programs, conventions, or competitions.

Details on each of these funds can be found at https://lsu.edu/sg/services/funding/index.php.

Funding requests to Student Government should be submitted no later than six (6) weeks prior to the event.

Registered student organizations must be in compliance with all University policies as well as federal and state nondiscrimination and equal opportunity laws, orders, and regulations. A registered student organization may not discriminate against a member or prospective member on the basis of “race, creed, color, marital status, sexual orientation, gender identity, gender expression, religion, sex, national origin, age, mental or physical disability, or veteran’s status (LSU’s Policy Statement on Equal Opportunity (PS-1).”

Organizations protected under the First Amendment or social fraternities and sororities who have been granted status as a single sex organization with the IRS (501c7) should contact Campus Life to discuss how this policy relates specifically to them.
Code of Student Conduct
Effective August 1, 2018
As of August 1, 2018 all registered student organization conduct is subject to abide by the Code of Student Conduct. https://lsu.edu/saa/students/codeofconduct.php

It is not a defense to a charge of hazing that (i) the consent of the person had been obtained; (ii) the conduct or activity that resulted in the death or injury of a person was not part of an official organizational event or was not otherwise sanctioned or approved by the organization; or (iii) the conduct or activity that resulted in death or injury of the person was not done as a condition of membership to an organization.

The following is a non-exclusive list of examples of acts which, regardless of severity, constitute hazing:

- Physical brutality, such as whipping, beating, paddling, striking, branding, electronic shocking, placing of a harmful substance on the body, or similar activity;
- Physical activities, such as sleep deprivation, exposure to the elements or extreme conditions, imprisonment, confinement, or calisthenics;
- Consumption of food, liquid, or any other substance, including but not limited to alcoholic beverages or drugs, that subjects the person to an unreasonable risk of harm or that may adversely affect the physical health or safety of the person;

How can hazing be reported?

If you witness or suspect hazing, please contact the appropriate university officials immediately. Hazing can be reported here. There is also a national hazing hotline 1-888-NOT-HAZE (1-888-668-4293).
Policy Statement-60

Food Service within LSU Facilities and Premises

Effective August 18, 1997

LSU Dining has an exclusive right to provide dining services in the premises it has leased from LSU, and they are considered the sole source for catering services within the leased premises. Leased premises include: The 459 Commons, the 5 Dining Hall, Atrium Café in the Design Building, CC’s Coffee House in Hebert Law Center & Middleton Library, Einstein Bros. Bagels in the LSU Student Union, Faculty Club Restaurant, McDonald’s in the LSU Student Union, Outtakes at the 459 Commons, Pierre’s Landing between Taylor Hall and the Old Forestry Building, Smoothie King in the UREC, Subway in Foster Hall, and Take 5 at West Campus Apartments, and the Vet School Snack Bar.

Self-catering (defined by PS-60 as, “the preparation and serving of food, whether purchased as raw food or prepared food products, by members of an LSU department or student organization or other organization for themselves and guests with no involvement of a caterer in the preparation and serving of food within LSU facilities and premises) is not allowed for events, unless in compliance with PS-60.” PS-60 refers to Greek houses, religious centers and the International Cultural Center as authorized to self-cater for members and guests, as long as the food preparation area complies with all applicable local and state health, sanitation, and safety standards. All other events involving food on campus must utilize an LSU Licensed Caterer in order to be approved. Events with food cannot take place anywhere in or around Free Speech Alley/Plaza (per Finance and Administrative Services, due to contractual obligations with the dining vendor of the University). A list of licensed food caterers is available through the LSU Purchasing Office at (225) 578-2176 or online at http://www.fas.lsu.edu/purchasing. LSU assumes no liability for individuals performing self-catering but expects compliance with applicable health, sanitation, and safety standards. For the full policy statement, click here.

Food Trucks

Food trucks are not permitted on the campus of LSU. Food sales from a food truck location are prohibited. However, food trucks can be contracted by a student organization to give away food/beverage items as a part of that particular organization’s event as long as they are an approved LSU Licensed Caterer. Those details must be listed in the initial event request to LSU Campus Life, and must be approved as a sponsor by Finance and Administrative Services.

Policy Statement 78

Serving, Possessing and Consuming of Alcoholic Beverages

Initially Issued: August 15, 2005
Revised: July 10, 2018

Summary of Policy Statement 78. For the complete Policy Statement, select the link above.

Purpose
This policy is applicable to the serving, possessing, and consuming of alcoholic beverages on University property and within University facilities. This Policy Statement outlines the policies and procedures specifically applicable to the serving, possessing, and consuming of alcoholic beverages on University property and within University facilities by students, University personnel, and their guests.
**Principles**

LSU is committed to maintaining a safe, healthful environment that supports its educational mission. The abuse of alcoholic beverages by its students, University personnel, and their guests interferes with the accomplishment of this mission. More specifically, the abuse of alcohol (1) negatively impacts the life and well-being of citizens; (2) interferes with student learning, student retention, and student graduation; (3) generates a cost to the University through personal injury, crimes, property damage, and risk management; and (4) negatively affects the image of the University.

Because LSU seeks to create a social environment that enhances learning, the following values with regard to alcohol must be upheld:

1. Abstinence, as an option, is always supported and should never be discouraged;
2. Although moderate and legal alcohol use may be permitted, the drinking of alcohol is never encouraged;
3. Abusive consumption of alcohol is always discouraged; and
4. Participation in illegal behaviors involving alcohol is not tolerated.

Accordingly, the possession, use, sale, or distribution of alcohol may be done only in accordance with the provisions of federal and state laws, local laws and ordinances, and University regulations, including this policy.

Inappropriate behaviors and associated negative consequences of alcohol misuse will not be tolerated. All persons on campus regardless of their status (e.g., students, personnel, and guests) must adhere to the alcohol policies herein. The enforcement of community standards is a shared responsibility among all community members.

**Definitions**

- **Alcohol**: Beer, wine, or distilled spirits (liquor) as defined by state law.
- **Authorized Vendor/Server**: A caterer who has been licensed by the University through the Office of Procurement to engage in the sale and service of alcoholic beverages on the LSU campus under applicable law and University policy. An Authorized Vendor/Server must have: (1) all required governmental permits or licenses; (2) completed Responsible Alcohol Service Training as required by state law; (3) agreed in writing to adhere to University policies and regulations, city ordinances, and state laws; (4) obtained LSU required insurance; and (5) must ensure that any Vendor/Server performing such services on the LSU campus is at least 21 years old and not a member or affiliate of the host/sponsor organization/department.
- **Event**: For the purposes of this policy, an Event is an assembly of individuals on campus for a gathering where alcohol is involved.
- **Event Registration**: The required documentation completed by the host/sponsor of an Event, which specifies the conditions of alcohol service and certifies that the host/sponsor both understands and agrees to abide by University policies and applicable Federal, state, and local laws governing such alcoholic beverage service. The Event Registration must be submitted by the host/sponsor to the Campus Life Office (for student organizations), the Greek Life Office (for fraternities and sororities), or to the Office of Finance and Administration (for non-students) at least **10 business days** prior to the event. The Event Registration must specify the campus location for the proposed event, which is subject to approval. Approval will not be granted for an event at any of the following locations (1) Greek Theatre, (2) athletic fields and grounds assigned...
Permitted Alcohol: Beer and wine products consisting of no more than 15 percent alcohol by volume. Permitted Alcohol specifically excludes hard alcohol, any beverage containing hard alcohol, common source beverages containing alcohol, and alcoholic beverages served from kegs. For the purpose of this policy, hard alcohol is any alcoholic beverage other than beer or wine. Any exception to Permitted Alcohol at an Event requires the approval of the President or the President’s designee.

Possession: Any situation in which an individual is or reasonably can be assumed to be holding, drinking, or transporting an alcoholic beverage. The totality of the circumstances, including the presence of alcoholic beverage containers and the number of people present under age 21, may indicate evidence of possession.

Responsible Parties: Those individuals and the entities they represent who sign the Event Registration.

University Preapproved Sites: Sites designed by the University as approved locations for the service and consumption of alcohol whether as a part of fixed retail food and beverage operations or as professionally catered events. The Office of the Dean of Students and the Office of Finance and Administration maintain a list of University Approved Sites (e.g. The Club at Union Square, LSU Union, the Tiger Den Suites, and the Club Seating Area).

Registered Student Organization Events with Alcohol
In addition to university regulations per PS-78, the following policies shall apply to registered student organization events involving alcohol:

1. Only Permitted Alcohol may be served and only by an Authorized Vendor/Server. Any alcohol other than Permitted Alcohol is specifically prohibited. This rule also applies to student organization events located off campus.

2. A student organization must complete and file an Event Certification with the Office of the Dean of Students or its designee 10 business days prior to a proposed Event.

3. A student organization must arrange security with the LSU Police Department at least 10 business days prior to a scheduled Event. Contract security companies may only be used with the permission of LSU Police Department. The University reserves the right to determine the number of officers and other security measures required for an Event.

4. A student organization must attend risk management and alcohol planning training prior to receiving approval for an Event. At least three current executive officers and a current advisor must have attended the training within 12 months of an Event Registration. This risk management and alcohol planning training will be presented by the Dean of Students Office or its designee annually or as demand requires. It is the responsibility of the registered student organization to ensure that the appropriate trainings have been received prior to attempting to register an Event.

5. An Event may not begin before 4:30 p.m. on Monday through Thursday and 3:30 p.m. on Friday and must end by 11:00 p.m. Sunday through Thursday and 2:00 a.m. on Saturday and Sunday following events on Friday and Saturday. Bands and amplification equipment must cease no later than 11:59 p.m. on Friday or Saturday night if outside. The administrator with whom the function must be registered may allow appropriate exceptions to the normally approved hours for social functions.
6. No cover charge or admission charge may be imposed at an Event where alcoholic beverages are served nor may alcohol be provided free in return for the purchase of another item (i.e. cup).
7. Open source containers (including but not limited to kegs, party balls or punch bowls containing alcohol) are specifically prohibited.
8. An individual determined to be eligible to consume alcoholic beverages must be identified with a non-removable wrist band.
9. An individual may not return to an Event after that individual has exited the function and consumed alcohol while absent from the Event.
10. Alcohol may not be served at an Event open to the public. Attendance at a student organization Event must be by invitation.
11. A student organization may not accept donation of alcoholic beverages.
12. A student organization may not promote or sell alcoholic beverages.
13. At any fraternity or sorority Event held at fraternity or sorority housing or property, the following additional provisions apply:
   a. Subject to fire code restrictions, there may be no more than three non-member guests for every member of the organization present at the Event. Exceptions may be granted in advance by the Greek Life Office for community, alumni and family events.
   b. Alcoholic beverages are restricted to common areas of the fraternity or sorority house.
   c. Guests and non-members are restricted to common areas of the fraternity or sorority house for the duration of the event.
   d. Members of the organization are prohibited from providing, serving or consuming alcohol of any kind in the private areas of the fraternity or sorority house for the duration of the Event.
   e. All recruitment and new member education programs, sometimes known as pledge activities, must be alcohol-free for all in attendance.
   f. Where allowed by the organization, any tailgating Event shall be located at the fraternity or sorority housing and must comply with all other requirements of this policy.
   g. LSU Police, designated security and/or University officials may enter upon the premises before, during and after an event to ensure compliance with this policy.
14. Organizations that fail to comply with these policies are subject to University sanctions, including the loss of the privilege to have future Events

**Student Organization Events – Off-Campus**
The following policies shall apply to any student organization conducting an off-campus event involving alcohol:

1. The student organization must provide notification to the Greek Life Office of the Office of the Dean of Students no more than 10 business days prior to the event.
2. The student organization must certify that only Permitted Alcohol will be allowed at the event and that it will only be served by a licensed vendor and server. Any alcohol other than Permitted Alcohol is specifically prohibited.
Peaceful Assembly

Dean of Students/Campus Life - (225) 578-5160
Revised July 24, 2006

The University acknowledges the right and privilege of individual students, groups of students, and registered student organizations to assemble peacefully on campus. The University may impose reasonable time, place and manner restrictions on the exercise of the right of peaceful assembly to ensure that the essential operation of the University or the rights and/or welfare of other members of the University community are not impaired, diminished or threatened. Gatherings for the purpose of expression of a position on campus, local, state, national or international issues, are protected under the First Amendment of the Constitution so long as they remain peaceful.

A peaceful assembly does not disrupt or interfere with the conduct of the operation of the University essential to the accomplishment of its lawful mission, infringe on the rights of other students, members of the faculty, administrators, other employees of the University, invited guests of the University, visitors to the campus or any other person; endanger the health, safety, or welfare of other persons on campus; result in damage or destruction of property; or violate a local, state or federal law.

Peaceful assemblies by students are not required to be scheduled or registered with the Office of the Dean of Students unless the event meets one or more of the following criteria:

- The event will be held in a building on campus.
- The event will utilize a designated area, site or location on campus reasonably adjacent to facilities that are regularly scheduled for use by the University.
- The event will utilize a designated area, site or location on campus at which events are typically scheduled.
- The event may reasonably require involvement of a service department of the University, e.g., the directing of traffic and/or parking, managing a crowd, the turning on of electricity or the providing of electricity to the site, marking of playing fields, blocking of streets, setting up stages or platforms, placing special trash receptacles in the area, providing tables and/or chairs and inspection and/or cleanup after the event.
- Any event involving a table, display or any other structure.
- Any event involving amplified sound or sound that is otherwise sufficiently loud to cause a disturbance.
- Any event involving the distribution of food or beverages. (See PS-78 for events involving alcohol and PS-60 for events involving food.)
- Any event that poses reasonable safety concerns.
- Any event that will involve out-of-pocket costs to the University. (Any such costs must be reimbursed by the user).

Although the University does not require the registration and scheduling of events that do not meet one or more of the above criteria, students or student organizations who plan such events are strongly encouraged to schedule and register such events at least 10 days in advance with the Office of the Dean of Students. Receiving the advice and counsel of staff who routinely deal with such matters will help to navigate University resources, departments and policies, as well as the Code of Student Conduct.

Events that do meet one or more of the criteria listed above, must be registered with the Office of the Dean of Students at least five days in advance, although more time is strongly recommended and in some
cases may be necessary (e.g. events involving security require the organization to formally request it from LSU Police at least 10 days in advance).

Registered student organizations have certain privileges related to reserving space and utilizing Facilities Services (e.g. reserving tables, chairs, electrical set up). Greek organizations may register social events with Greek Life. All other activities meeting any of the above listed criteria must be registered with Campus Life. The University acknowledges the right of students to peaceful assembly. In the same spirit and in the interest of the protection of the rights of others, the University also asserts its right and duty to intercede if and when an assemblage ceases to be peaceful. Individual students and student organizations have the responsibility to exercise the right of peaceful assembly in a safe and prudent manner, and the University holds individual students and student organizations accountable for their actions while participating in such events on campus.

Travel
Traveling as a registered student organization can be a rewarding professional, academic and social experience. To ensure a successful trip, pre-planning of all trips is encouraged. Student organization advisors are not required by Campus Life to travel with the organization; however, advisors may be required to travel on official trips by their academic department or college. Student organizations traveling with the assistance of LSU funds (such as funding from a department or Student Government) must first receive authorization to travel and purchase student trip travel insurance from the LSU Office of Risk Management. Student organizations not traveling with assistance of LSU funds must still purchase trip travel insurance. See details for the authorization to travel and use of personal vehicles below.

Authorization to Travel
All student organizations planning to travel must file an AS 292 Request for Authorization to Travel, which must be signed by their faculty/staff advisor. The form is available on the Accounts Payable and Travel website located at https://sites01.lsu.edu/wp/graduateschool/files/2014/03/Request-for-Authorization-to-Travel-AS292.pdf.

Student Trip Travel Insurance must be purchased prior to travel for each student through the Office of Risk Management. Forms can be found at http://www.lsu.edu/riskmgt/insurances/student-travel.php. Student Trip Travel Insurance provides coverage for a student while attending or participating in a university supervised and sponsored activity or function.

Risk Management and Insurance
Risk Management
Public Safety Building, Suite 124
(225) 578-3297
riskmgt@lsu.edu
LSU Risk Management provides Student Trip Travel Insurance coverage for students attending or participating in a University supervised and sponsored activity or function. The Student Trip Travel Insurance Policy is a minimal medical policy for eligible charges not in excess of usual and customary charges for accidents only and does not cover sickness. Student Trip Travel Insurance is currently 10¢ per student per day.
To purchase Student Trip Travel Insurance, the Trip Travel Request Form and the List of Students must be filled out and sent to the LSU Office of Risk Management along with an Internal Transaction ("IT") prior to departure of the trip. Payment must be made by an "IT", cash is not accepted. If you have cash, it must be deposited into a departmental account (via DT). When completing an "IT", the computer automatically enters "ITCLEARNG" on line 1 (do not change this). Your departmental account number must be entered on line 2. All trips must be supervised. If traveling in a University owned vehicle, rented or leased, the vehicle must be driven by an LSU employee and is covered under university insurance.

If students are traveling in their personally owned automobiles, then the Certificate of Privately Owned Automobiles must also be completed. This form shall remain on file at the department level. The original may be requested if a claim is filed.

Please contact LSU Risk Management at (225) 578-3297, in the event an accident has occurred and a claim needs to be filed. For more information or to download the forms, please go to the website located at http://appl003.lsu.edu/pubsafety/riskmgt.nsf/index.

Unaccompanied Minor Policy
Campus Life – updated August 20, 2018
Beginning in the Fall 2018 semester, Campus Life has instituted a policy governing Registered Student Organization activities on campus regarding minor-aged children. No activities, meetings or events will be approved where registered student organizations will allow the participation of minor-aged children (children under the age of 18 years) without the presence of a parent, legal guardian or designated caregiver present with the minor. No waiver or other agreement should be used by student organization members, LSU, or partnering organizations to release parents, guardians, and/or custodial caregivers from the responsibility of accompanying or monitoring minor-aged children at a student organization event.

This policy does not apply to currently enrolled LSU students who are less than 18 years of age. However, student organization leaders, event planners and campus advisors should consult with LSU Risk Management to review the specific activities at organization events to see if an additional Hold Harmless agreement should be signed between the parent, guardian or custodian of an LSU student less than 18 years of age and the student organization for the planned activity.

Campus Emergencies
Should the LSU A&M campus experience an emergency, student organization leaders and advisors should follow directions issued by the LSU Emergency Operations Center (LSU EOC). These instructions will be shared:

- to all LSU student, staff and faculty members enrolled in the Emergency Text Notification system (see enrollment information on www.lsu.edu/eoc)
- on all computers connected by hard-wired to the campus internet system
- to all individuals with LSU e-mail accounts (@lsu.edu e-mail accounts)
- on the LSU EOC webpage (www.lsu.edu/eoc)
- as a header on all LSU webpages
- and, on all LSU social media platforms
These directions may include information on campus closures, area restrictions, or limits placed on campus hours. These directions may also include a cessation on all activities scheduled on campus or a cessation of all LSU-related activities regardless of physical location.

In the event of a full campus closure, organization leaders should not automatically seek off-campus locations for their scheduled events, but follow the directives of the LSU EOC as safety issues may exist off-campus as well. Campus Life and its partners will help organizations reschedule events when given the all-clear by LSU EOC.

Commercial activity, fundraising activities, and use of alcohol in this space is prohibited.

Beginning in the Fall 2018 semester, registered student organizations no longer need to or a table to complete a reservation form on as.lsu.edu or TigerLink to host an information table in Free Speech Alley. They must bring their own table, make use of the space without a table, and cannot host an event in that space. Should an organization need a table or other university resource, they should register with Auxiliary Services and in TigerLink at least two business days in advance. Any organization fundraisers must be registered in TigerLink, regardless of whether the organization needs a table or other university resource provided.

International Cultural Center

icc@lsu.edu

The International Cultural Center is supported in part with a fee paid by international students each semester. The ICC is available for use at almost no cost to international student groups, which sponsor many social and cultural events each semester. In scheduling for use of the ICC, precedence is given to international student organizations and the ICC Programs Committee. Other registered student organizations, official LSU functions, international students individually, and the outside community may use the facility for fees on a graduated scale. For more information, visit www.lsu.edu/icc.
Areas that are reserved through the LSU Student Union Event Management include: Union meeting rooms, the Live Oak Lounge, the Royal Cotillion Ballroom, Barnes and Nobles Event Room, ground floor tables, and campus grounds and fields. Reservations can be made in-person in Room 310-Q LSU Student Union from 8am – 4:30pm Monday – Friday or online at https://www.lsu.edu/as/events/index.php by an officer of the student organization.

For all events and meetings scheduled to occur in spaces regulated by Event Management, student organizations must register those events and/or meetings within TigerLink.

In the Fall 2018 semester, LSU Auxiliary Services made several key updates to its operational policies, including:

- **Student Organization Event Reservations:** All forms and event details must be completed and submitted by the students for student organization events. If a form is submitted by a department member such as the Campus Advisor for the student organization, it will be deemed a department event and the student organization will be billed at the department rate. The reservation deadline and process have remained the same. The deadline for reservations, final event details, and TigerLink approvals is 9am two business days prior to the event.

- **Paid Student Organization Events:** All fees associated with student organization (paid) events, must be paid directly by the student organization. If they are receiving funding from a sponsor, that sponsor cannot pay Auxiliary Services / the LSU Student Union directly. The checklist for what deems an event “paid” is listed in Auxiliary Service reservation guidelines here.

- **Free Speech Alley:** A reservation is no longer required for this area. However, if a student organization or department would like a table provided, the same form would need to be submitted to Event Management by 9am two business days beforehand. Only one table will be provided per request. Event Management will no longer check for TigerLink approval on requests for table sits but will check to see if the organization is a registered student organization.

- **Free Speech Circle:** This area is no longer able to be reserved. Events can still take place in this area but availability is on a first come basis. Items cannot be left unsupervised or abandoned in this space.

- **Tower Drive:** For events on Tower Drive, the Event Management form is still required for student organizations and departments. LSU Parking is involved in the logistics of that request but that is an outdoor space managed in the Event Management scheduling system.
• **Issues/Troubleshooting:** If student organization leaders have any issues with the audio visual or physical equipment in their reserved space, call either Event Management (225-578-5959) (M-F, 8-4:30pm) or the Information Desk (225-578-5141) (anytime the building is open). These numbers are also listed on the FAQ sheets on the wall of each conference/event room. Once called, Union staff will check into the need. In addition, if student organization leaders notice anything around the Union that needs attention, report any non-emergency issues to the staff at those phone numbers or email asfacilities@lsu.edu to alert our building and housekeeping crew. Life and safety concerns that are emergencies should be reported to LSU Police by calling 225-578-3231 or calling 911.

Facility Services offers many resources to student organizations, including tables, chairs, podiums, risers, trash/recycling cans, and electrical setups. All requests should be made 30 days in advance to allow for proper scheduling.

The organization may have the equipment delivered and picked up for a minimal fee. Student organizations may arrange their own pick up and return at a reduced cost, however the organization will be billed for any equipment that is damaged or not returned. The inventory of Special Events furniture is maintained primarily to support academic events, but it will be available to groups or activities on a first come, first serve basis. Facility Services can also assist the requestor with furniture rentals from off campus vendors at commercial rental rates. Facility Services must be contacted by the registered student organization following an event registration.

If electrical set ups are needed, there will be a cost incurred by the organization for the set up and break down of the electrical set up. Please make requests 3 weeks in advance to allow for proper scheduling. Facility Services is limited in the areas in which hook ups can be set, please verify locations after requesting work.

There are many underground utility lines on the LSU campus. For personal safety, Facility Services no longer allows penetrations for tent stakes or signage (though small way finding signs may be considered
on a case by case basis by the Office of Finance and Administrative Services). Water barrels and counter weights must be used to anchor tents.
