Construction Interviewing Day Registration Phases | October 10, 2019

Construction Interviewing Day is a day of interviewing LSU students majoring in Construction Management, Civil and Industrial Engineering. In order to maximize the effectiveness of your day, we encourage you to select the Preselect to Alternate format as described below. Please find below the deadlines associated with each schedule format option for the day. If you have any questions, please contact Amy Pogue, Events Coordinator, at apogue3@lsu.edu. Our team is happy to guide you through the process.

Should you need to cancel your interview and the sign up deadline in Handshake has passed, it is considered a late cancelation per the On-Campus Interview policy. https://lsu.edu/careercenter/events/cidcancellationpolicy.pdf

Please contact Garnesha Beck (gbeck1@lsu.edu) and Amy Pogue (apogue3@lsu.edu) to indicate which employer(s) interview(s) you are canceling. They will contact you with further information on how to proceed and remind you of the consequences of canceling late based on the policy.

Preselect to Alternate Schedule

This will allow candidates who meet the employer-specified job criteria (based on degree, major, and graduation date) to submit a résumé. Employers will then screen through the qualified résumés to hand select those candidates that they would like to interview. Those candidates then self-select an interview time online, thus building the schedule for the employer.

Open Schedule

This will allow candidates who meet the employer-specified job criteria to self-select an interview timeslot. While employers will not get to prescreen the résumés before the candidates choose a timeslot, the candidates must meet the employer-specified requirements based on degree, major and graduation date. The schedule will be built online by the candidates self-selecting timeslots.
