Checking In
Recruiter Check-In and Set-up will begin at 12:00 p.m. at the LSU University Recreation Complex. Please allow ample time for parking and set-up prior to the start of the event. We will provide small table signs to help students navigate the event. Check in kiosk will be available at the event. Nametags will be printed on site.

What to Bring:
The only materials you need to bring are a stack of business cards and/or information about your organization. You are welcome to bring displays that will fit within an 8-foot table display area, and a tablecloth for your table. We will also have plastic tablecloths available for use if needed.

Student Attendance
This event is open to all students interested in Kinesiology, but has been heavily promoted to our students majoring in Kinesiology and closely related programs of study. Students are encouraged to wear business casual attire, and some may wear business professional attire. Students have been encouraged to bring résumés to this event if they are seeking full-time or internship employment. However, they understand this is also a networking event and not all organizations are hiring.
