

CONSTRUCTION INTERVIEWING DAY SPRING 2023 TIMELINE

PLEASE NOTE: There are several deadlines associated with this event that you must meet in order to participate in pre-select interviews. Please review this document thoroughly and contact Engineering Career Coach Lisa Hibner at lisahibner@lsu.edu with any questions.

JAN 6 – FEB 28

Upload resumes and complete Handshake survey

An approved resume is required to apply for CID positions. If you've never uploaded a resume into Handshake, do so by February 28. Your first resume must be reviewed and approved in Handshake by the Olinde Career Center. You may be required to make edits to your document before it is approved.

You must also complete the [CID Handshake Survey](#) each semester to apply to CID positions. The survey requires you to acknowledge your understanding of the various deadlines, policies, and requirements for participation in CID.

MARCH 1

4:30 p.m.

Deadline for Handshake survey and resume submission

After completing these steps, you can [apply for positions for CID](#). You must apply for each position for which you'd like to be considered before application deadline, March 1 at 4:30 p.m.

MARCH 6

12:00 p.m.

Deadline for employers to choose applicants to interview

After you apply for positions, employers will have until March 6 at noon to make their selections on who they would like to interview. You can view the applications section of your Handshake account to see your interview status.

"Primary" candidates have first choice of interview time slots.

"Alternate" candidates will have choice of remaining time slots.

MARCH 8

8:00 a.m.

Primary applicants begin selecting interview time slots

"Primary" applicants will be able to select interview time slots starting on March 8 at 8 a.m. Make sure not to double book your interview times!

MARCH 9

8:00 a.m.

Alternate applicants begin selecting interview time slots

"Alternate" applicants will be able to select interview time slots starting on March 9 at 8 a.m. Make sure not to double book your interview times!

MARCH 10
