Construction Interviewing Day Registration Phases | October 23, 2020

Construction Interviewing Day is a day of interviewing LSU students majoring in Construction Management, Civil and Industrial Engineering. In order to maximize the effectiveness of your day, we encourage you to select the Preselect to Alternate format as described below. Please find below the deadlines associated with each schedule format option for the day. If you have any questions specific to your interview schedule, please contact Garnesha Beck at gbeck1@lsu.edu. Our team is happy to guide you through the process.

**Preselect to Alternate Schedule**
This will allow candidates who meet the employer-specified job criteria (based on degree, major, and graduation date) to submit a résumé. Employers will then screen through the qualified résumés to hand select those candidates that they would like to interview. Those candidates then self-select an interview time online, thus building the schedule for the employer.

**Employer Deadlines**

Everything will be final on October 20 at 9:01 a.m.

**Open Schedule**
This will allow candidates who meet the employer-specified job criteria to self-select an interview timeslot. While employers will not get to prescreen the résumés before the candidates choose a timeslot, the candidates must meet the employer-specified requirements based on degree, major and graduation date. The schedule will be built online by the candidates self-selecting timeslots.

Each company will reach out directly to the students to coordinate the interview time for the day. A schedule template will be provided as a guide for available timeslots according to the schedule for the day. Final schedules are due two days prior to the event.
