Study Group Structure

1) Define Purpose/Goals
- Master a topic/concept
- Discuss how to solve practice problems
- Practice for foreign language class, etc.

2) Independent Study
- Review notes
- Read textbook
- Use multimedia resources
- Attempt problems

3) Group Study
- Discuss answers
- Compare notes
- Discuss/clarify concepts

4) Review Own Understanding
- Rework problems on your own
- Write concepts in your own words
- Revise/clarify previous work

5) Group Study
- Discuss challenges
- Clarify concepts

6) Determine Next Steps
- Attend office hours
- Schedule tutoring
- Plan next study group session

7) Reflect
- What went well
- What can be improved

8) Plan Next Session
- Date
- Time
- Location
