

To: All CCT
From: Dr. Edward Seidel, Director
Date: 22 February 2006
Subject: CCTPS-14 Associate Faculty Policy

As a catalyst for developing and enhancing CCT's research application areas, the Center seeks to identify and cultivate relationships with senior faculty at LSU and to leverage their leadership abilities to stimulate and cultivate advanced research activities in collaboration with the CCT.

CCTPS-14

The following terms and conditions apply to all CCT Associate Faculty.

Terms and Conditions

1. All CCT Associate Faculty agreements will be established for an initial term of three years.
2. Foundationally, all Associate Faculty appointments will include
 - Support for one month of summer salary,
 - An annual research support fund allocation, and
 - A shared office space at CCT.
3. All per year research support fund allocations must be expended during the stated fiscal year.
4. Use of research support funds is discretionary but must adhere to state purchasing rules and regulations. Typically, research support expenditures include
 - Undergraduate students,
 - Graduate students,
 - Travel,
 - Equipment, and/or
 - Miscellaneous research supplies.

This policy should be considered effective as of the date of this memorandum. Any modifications to this policy must be in writing and must be approved by the CCT Director.
