

The LSU Early Childhood Education Laboratory Preschool is offering fun-filled summer STEM camps for preschool children!

- Hands on learning
- Full day, four-week sessions from 7:15 a.m. – 5:15 p.m.
- Open to children ages 4-5
- Sessions from June 4-July 27
- Reggio-Emilia inspired curriculum
- Certified Teachers
- Breakfast, lunch, and snack are included

### Session A: June 4<sup>th</sup> – 29<sup>th</sup>

#### How Things Work?

Has your child ever looked inside a clock to see how it works? Children are naturally curious and eager to learn. During the month of June, children will use scientific skills such as predicting, observing, and experimenting while exploring the parts and functions of various objects.

### Session B: July 2<sup>nd</sup> – 27<sup>th</sup>

#### Young Engineers

If children could design their own building what would it look like?

Children will engage in design challenges that encourage them to be creative while using problem-solving, engineering, and math skills.

#### Prices:

\$0 application fee

\$75 Registration fee

\$701 Full time LSU Students

\$798 for Full time LSU Faculty/Staff

\$860 for all other applicants
