From the desk of Dr. Cynthia F. DiCarlo
Executive Director | Early Childhood Education Laboratory Preschool

The vision for Louisiana State University’s Early Childhood Education Lab Preschool is to be recognized as a leader in the field of Early Childhood Education for international, national, and local contributions to knowledge, policy, and practice through the dissemination of cutting-edge research.

Louisiana State University’s Early Childhood Education Lab Preschool serves as a research and model demonstration component of the Early Childhood Education program in the School of Education, College of Human Sciences and Education. The ECE Lab Preschool accomplishes this through the delivery of high-quality early childhood programming to young children, engagement of preservice students within early childhood classrooms, and cutting-edge research.

The Early Childhood Education Lab Preschool is embedded within the accredited Early Childhood Education Program, and offers an undergraduate degree, a graduate early childhood certificate, a master’s degree, educational specialist degree, and doctoral degree.

For students interested in learning in a dynamic environment, we invite you to join us.
