Kmckey2@lsu.edu

## FORMAL EDUCATION

M.S.  
Expected Completion Date: May 2014

Louisiana State University  
Baton Rouge, LA  
Concentration: Kinesiology  
Advisor: Dr. Russell Carson

B.S.  
Degree conferred: 2011

Louisiana State University  
Baton Rouge, LA  
Concentration: K-12 Physical  
Education  
Advisor: Emily Beasley

## RESEARCH AND SCHOLARSHIP

My research interests focus largely on examining physical education, activity, and recess policies and implementation. Currently, I am most interested in further seeking: 1) how ambiguous terminology can affect follow through and implementation of stated policy, 2) how lack of accountability at different state and district levels influence actual time spent in physical activity within the school day, and 3) how various support from stakeholders within school environments persuade health and wellness of a school culture.

SCHOLARLY/CONFERENCE PRESENTATIONS

McKey, K., Pulling, A. C., Randazzo, K. D., Raguse, A. L., Castelli, D. M., Beighle, A., & Carson, R. L. (2014, April).
