

HELP THE SHELTERS

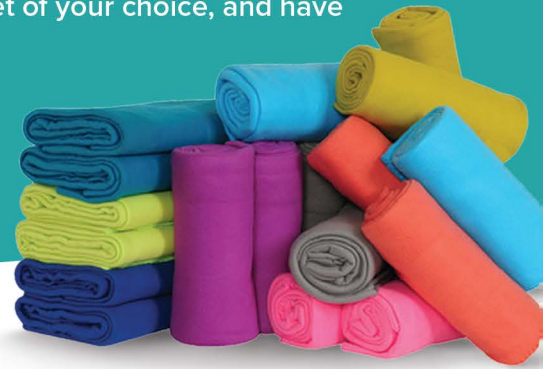

IN BATON ROUGE

Donate a blanket and you'll sleep better, too!

The shelters in the Baton Rouge area need blankets, and the LSU School of Social Work has volunteered to help by asking friends, family and members of the LSU community to lend a hand.

There are two ways you can donate a blanket or blankets to this worthwhile effort:

1. Go to one of the online sites listed below, select a twin bed blanket of your choice, and have it shipped to the LSU School of Social Work.
2. Visit a local store, select a twin bed blanket, and drop it off at the LSU School of Social Work.

Please send or drop off your blankets by Friday, December 9th, and we will distribute them to area shelters before Christmas. Many thanks for your help.
