  - **Jazz Combo**
    - Finalists will learn a jazz combo, have an hour break, and then perform for the judges in small groups
    - Finalists will be announced at the conclusion of the audition

**Video Submission Guidelines:**

- Film in a well-lit area
- Come close to the camera and state your audition number (NOT your name) at the beginning of all videos
- Wear your audition number on your right or left hip in all videos
  - This is something you will create on your own; make sure the number is large and bold/dark
- Be sure the perspective of your video is from the front and that the judges can see everything you are doing (including your feet on technique videos)
  - We recommend you shoot your video horizontally to ensure a wide enough frame so we can see the whole performance. You will more than likely need someone to video so they can follow you with the camera.
- Music files will be provided in ROUND 2
  - Use a secondary device to play audition music loudly while you record your video using your phone/camera
- We are not looking for professional quality videos. A video taken on a standard smartphone is fine.
- All videos should be “Titled” with your audition number when submitted:
  - GG# Solo
  - GG# Tech
  - i.e if my audition number was 23 my videos would be GG23 Solo and GG23 Tech
- Here is a "how to" video on uploading an unlisted YouTube video (it also shows how you can title it):

**Attire:**

- For ALL Rounds of the audition please wear: Black crop/sports-bra style top; Black trunks/briefs (no hot shorts); Skin colored tights and jazz shoes. You must also wear your audition number in each video.

**Hair & Makeup**

- For Rounds 1 & 3, hair and makeup should be similar to the Golden Girl game day style.
- For Round 2, hair and makeup can be more relaxed (a ponytail would be acceptable).
