

LSU School of Music

Student Comp Ticket Request Process

Actively enrolled students who meet any of the following criteria are entitled **one (1)** comp ticket to each paid performance of a School of Music ensemble or Turner-Fischer Center for Opera production.

- You are pursuing an undergraduate degree, graduate degree, or music minor, in the School of Music.
- You are not pursuing a music degree or minor, but you are member of an official LSU School of Music ensemble and enrolled in the requisite course/section for that ensemble. (e.g., MUS 4253)
- You are not pursuing a music degree or minor, but you are a member of the LSU Tiger Marching Band and are enrolled in MUS 4250 for the fall semester.
 - **Note:** *Tiger Marching Band members retain comp ticket eligibility in the following spring semester when football is out of season.*

Comp ticket requests close **48 business hours** in advance of a particular performance. Requests submitted after this deadline will not be honored at the box office.

Step 1: Submit Comp Ticket Request Form

Follow the link below and sign-in with your myLSU credentials if prompted to do so.

<https://www.lsu.edu/cmda/events/ticket-request>

Note: the first time you fill out a request, you may be asked to accept the terms & conditions of using Formstack. Please hit “accept” to proceed. This question should not appear again on future requests.

Step 2: Identity Verification

When you hit submit, the form will check official School of Music rosters to determine if you meet the above criteria. If you do, your request will be approved automatically. If your request is denied, you will be informed as to the reason. (e.g., *you did not use an LSU email address, you submitted a duplicate request, etc.*)

When entering / confirming your information, please be aware that the form uses your official government name as it appears in the LSU mainframe.

Step 3: Check Your Email

Once your request is approved, it will be compiled into a list with other students’ requests for the same event and sent to the box office after the request deadline has passed. Your ticket will be emailed to you directly from the box office **no sooner than 48 business hours prior to the performance.**
