PHASE 3: LSU RETURN-TO-CAMPUS PLAN

FLAGSHIP CAMPUS

KEY FACTORS DRIVING PHASE 3

• Phases 1 and 2 have been completed for at least 14 days

• LSU Presidential directive

• Modification to CDC workplace/higher education guidelines

• Additional modification to state and parish guidelines for physical distancing

PERSONNEL INCLUDED IN PHASE 3

Department heads are responsible for approving campus access requests in accordance with the following:

• Employees must have key or card access to both the building and the office.

• If an employee does not have key or card access, the department head must coordinate access with the building coordinator. Facility Services will not lock/unlock buildings or offices.

GOVERNING DIRECTIVES FOR PHASE 3

• Faculty and staff presence on campus is expanded from Phase 2, but remote working is still allowed.

• Only those approved for Phases 1, 2, and 3 will be allowed back on campus.

• Campus will remain operational on a limited capacity.

• For those returning to campus, physical distancing required by state/parish/city orders must be followed and face coverings must be worn if physical distancing cannot be maintained, including in public spaces.

• Building Services custodial staff continue enhanced cleaning of high-traffic/high-touch areas according to current CDC guidelines.

If you’re sick, stay home and consult your health care provider.

Anyone who believes they have been exposed to COVID-19 should call a health care provider. If you have been diagnosed with COVID-19 please inform your supervisor and email reportcovid@lsu.edu.

LSU will initiate additional phases when Phase 3 has been completed successfully or when an LSU presidential directive is given.

Any concerns regarding returning to campus should be directed to your immediate supervisor.

LSU PHASE 3

LSU WILL MOVE TO PHASE 3 IN CONJUNCTION WITH THE STATE

75% or less of personnel on campus while still maintaining current CDC physical distancing protocols

GOALS

This phase opens campus up a bit more while still maintaining moderate physical distancing. Telecommuting is still allowed based on HR and Civil Service guidelines.

OVERVIEW

- Employees must maintain CDC physical distancing regulations.
- Face coverings must be worn by employees when the job or circumstances put them within six feet of others.
- Anyone who believes they have been exposed to COVID-19 should see a health care provider. If you have been diagnosed with COVID-19 please inform your supervisor and email reportcovid@lsu.edu.
- Department heads are responsible for approving campus access requests.
- Employees must have key or card access to both the building and the office.
- If an employee does not have key or card access, the department head must coordinate access with the building coordinator. Facility Services will not lock/unlock buildings or offices.

Office Environment

- Faculty and staff presence on campus is expanded from Phase 2, but remote working is still allowed.
- In-person meetings are allowed following CDC guidelines for physical distancing.
- Virtual meetings still required where in-person attendance would exceed 50% of room capacity or where physical distancing guidelines can’t be followed.
- Mail and package delivery will return to normal operations.

Academic Classroom

- Virtually all summer classes will be taught remotely.

Student Affairs

- UREC opens on a limited basis and adheres to physical distancing and sanitation protocols.
- Union and Bookstore open to public and both operate under current CDC physical distancing protocols.

Student Health Center

- Comprehensive telehealth services available; priority services available on site by appointment.

Research, Labs, and Studios

- Library will be open to faculty, staff, and all students in a restricted environment with limited hours.
- Studios open but are limited to 50% occupancy based on room size.
- Testing services will not be available through the Office of Testing Services.
- For those research labs and studios that open:
  ▶ High-touch surfaces should be disinfected regularly in accordance with LSU’s COVID-19 Disinfection Protocols.
  ▶ CDC physical distancing must be followed.
  ▶ Large meetings should continue remotely via web conferencing.

Dining

- Some limited in-dining allowed (limited capacity, physical distancing, enhanced cleaning, etc.)
- Operations proceed according to city/parish/state guidelines.

Camp and Events

- All on-campus camps are cancelled through the summer.
- Campus events with fewer than 100 attendees will be evaluated on a case by case basis.
- Events with more than 100 attendees are prohibited.

Others

- Computer labs and other similar locations will be open based on room space.
- Limited in-person university sponsored activities (50% capacity in rooms); should be able to maintain six-foot physical distancing.

Travel

- Business-related international travel is prohibited.
- Business-related domestic travel requests are considered on a case by case basis.
