Project SCIENCE I
for
5th-8th Grade Teachers of Science

Do you want to become “Highly Qualified” in Science, earn LSU Graduate Credit, CLUs AND receive a Stipend?

What: Professional Development provided by LSU via funds from the LDE Math/Science Partnerships Program. Participate in inquiry-based, hands-on activities that will lead to conceptual understanding of important science concepts and improve student learning.

When: July 11-15 and 18-22 plus 10 academic year days (5 inservice days, 5 Saturdays in 2005-06)

Where: West Feliciana Middle School

Who: Open to all 5th-8th grade teachers in East and West Feliciana, Pointe Coupee, Baker, Iberville, East and West Baton Rouge Parishes, and other districts upon request.

Stipend: Earn up to $1350 plus benefits! ($90 per 6-hour day excluding the 5 inservice days)

College Credit: 6 hours (Tuition exemption may be applied for through the district.)

CLUs: 90+ CLUs offered!

Interested? Contact Brenda Nixon, bnixon@lsu.edu
