REU PROGRAM
in Chemical Engineering

Program:
May 27, 2024 - August 3, 2024

Applications due:
March 31, 2024

Would you like to . . .
• Learn how to translate an idea from the lab to industry?
• Discover new ways to market fundamental and applied research?
• Gain new mental health and stress management skills?
• Obtain training on how to effectively communicate research?
• Learn to better work in teams?
• Learn how to be an entrepreneur?

For questions and application instructions, please visit
lsu.edu/eng/che/faculty-research/reu/ or email the REU Program at chereu@lsu.edu.
Training for the Whole REU Student

Participants are lodged in apartment-style university housing and paid a stipend for the summer.
