Federal Financial Aid is determined by 'Term' instead of by University modules. This structure is more similar to a regular fall, spring and summer semester with the term being defined as two consecutive modules for the financial aid year beginning on July 1st each year. The combined hours of the two modules is one factor in determining a student's financial aid eligibility and will serve as Loan Periods.

Term 1: The two modules from July 2, 2018 through October 12, 2018.

- Second Summer Module 1D/2019, & First Fall Module 1L/2019

Term 2: The two modules from October 22, 2018 through March 01, 2019.

- Second Fall Module, 1P/2019, & First Spring Module, 2D/2019

Term 3: The two modules from March 11, 2019 through June 21, 2019.

- Second Spring Module 2L/2019, & First Summer Module, 3D/2019

2018-2019 FEDERAL DIRECT PARENT PLUS LOAN APPLICATION

IMPORTANT INFORMATION ABOUT YOUR PLUS LOAN APPLICATION

The amount that a parent may borrow is based on the cost of attendance minus the financial aid and resources for the loan period.

After your PLUS loan is approved and the Office of Enrollment Management has received acknowledgement of a valid promissory note, PLUS loan funds will automatically be applied to the student's LSU account in accordance with LSU's disbursement schedule. If the PLUS loan funds result in a credit on the student's LSU account, a refund check will be sent to the parent, unless the parent requests on the Federal Direct Parent PLUS Loan Application that the refund be issued to the student.

If you have not completed a Master Promissory Note (MPN) for this student: By signing and submitting this PLUS loan application, you consent to borrow funds under the PLUS loan program and understand that if approved and after a Master Promissory Note is completed, your funds will be applied to your student's LSU account in accordance with LSU's disbursement schedule.

If you already have a signed Master Promissory Note (MPN) on file with our office for this student: By signing and submitting this PLUS loan application, you consent to borrow funds under the PLUS loan program and understand that your funds, if approved, will be accepted automatically and applied to your student's LSU account in accordance with LSU's disbursement schedule.

You may cancel all or a portion of your loan after funds have been credited to your student's LSU account by notifying us in writing within 30 days.

Frequently Asked Questions

Please keep this information sheet with your other important financial aid papers

How will I know if I am eligible?

After the attached form is processed, you will be notified by the Direct Loan Servicing Center of your loan eligibility. Generally, you are eligible if:

- you filed the Free Application for Federal Student Aid (FAFSA) for this academic year
- you do not have an adverse credit history (a credit review will be completed)
- you are not in default on a federal student loan (including Federal Direct PLUS loan)
- you meet the other eligibility requirements outlined on your loan application

When can I apply for the PLUS loan?

Once the FAFSA is submitted, a PLUS loan application can be made at any time throughout the academic year; however, please allow 1-2 weeks for processing.

What is a Master Promissory Note (MPN)?

A promissory note is a binding legal document that lists the conditions of your loan and the terms of repayment. Instead of completing a promissory note every year, a Master Promissory Note (MPN) is a multi-year promissory note that only has to be completed once while your student is attending LSU. The MPN will simplify the processing of your future PLUS loan(s).

How do I sign an MPN?

If you do not have a valid Master Promissory Note (MPN) on file, you may electronically complete an MPN at www.studentloans.gov. You will need a federal Personal Identification Number (PIN) to complete the MPN. If you are the parent that signed the FAFSA, the PIN used for your signature can also be used to sign the MPN. If not, you may obtain a PIN online at www.pin.ed.gov.

What is the interest rate for a Parent PLUS loan?

The PLUS loan has a fixed interest rate of **7%** for loans first disbursed on or after **July 1, 2017** and prior to **June 30, 2018**. New loan interest rates for subsequent years are adjusted once a year on July 1.

Other than interest, is there a charge for this loan?

There is a loan fee of **4.276%** deducted from each disbursement for loans first disbursed on or after **October 1, 2016** and before **October 1, 2017** and a loan fee of **4.264%** for loans first disbursed on or after **October 1, 2017** and before **October 1, 2018**.

When will the Parent PLUS loan disburse?

In accordance with federal loan regulations and LSU's disbursement schedule, the loan will be applied to your LSU account once all the requirements are met. If all requirements are met, the loan funds will disburse prior to the term the student is enrolled. A check is made payable to the parent and is mailed to the home of the parent borrower if the loan disbursement is in excess of the amount owed to LSU, unless the parent requests on the Federal Direct Parent PLUS Loan Application that the refund be issued to the student.

What if additional financial aid is received and I want to reduce or cancel my PLUS loan?

If your student has received additional financial aid and you now wish to reduce or cancel the amount your borrowed with the Federal Direct Parent PLUS loan, it is important that you notify the Office of Enrollment Management at Louisiana State University in writing within 30 days of the funds crediting to the student's LSU account.

What if my PLUS loan is denied due to the result of my credit review?

If your PLUS loan is denied due to the result of your credit review, you will receive notification from the Direct Loan Servicing Center. You may choose from the following options:

- You may try to have a credit status override completed by the Direct Loan Servicing Center. Please contact the Direct Loan Servicing Center at 1-800-557-7394.
- You may provide documentation to the Direct Loan Servicing Center if you have extenuating circumstances. Your request for a PLUS loan will be reviewed again by the servicer.

- You may choose to not pursue the denied PLUS loan and your student may borrow additional funds for the current academic year through the Federal Direct Unsubsidized Stafford Loan Program. If you do not check this option on your PLUS loan application, please have the student contact the Office of Undergraduate Admissions and Student Aid stating that you do not wish to pursue the denied PLUS loan and that they request to receive the additional unsubsidized loan.
