Federal Financial Aid is determined by 'Term' instead of by University modules. This structure is more similar to a regular fall, spring and summer semester with the term being defined as two consecutive modules for the financial aid year beginning on July 1<sup>st</sup> each year. The combined hours of the two modules is one factor in determining a student's financial aid eligibility.

**Term 1: The two modules from July 3, 2017 through October 13, 2017.**

**Term 2: The two modules from October 23, 2017 through March 2, 2018.**

**Term 3: The two modules from March 12, 2018 through June 22, 2018.**

Check the enrollment status for all modules/terms you are requesting financial aid and will attend LSU:

- A representative from the Office of Enrollment Management has informed me that federal loans usually offer greater benefits to students than alternative student loan programs, such as lower interest rates and student friendly repayment plans.
- If I wish to be considered for federal financial aid at a later time during this academic year, it is my responsibility to contact the Office of Enrollment Management to discuss the steps necessary to complete the federal financial aid process and to discuss how this may affect my account.
