- Answer all mandatory questions. Yes answers may include a prompt for additional information. Click Save at any point to preserve all data entered. Clicking Completed will validate form.

**TIP!** Make sure to answer correctly before routing as many of these questions trigger an approval step in the route.
• For BoRSF, Question #15 “F&A Reduction or Waiver (including sponsor limited rate)” should be answered Yes – Sponsor Published Rate

• For BoRSF Question #16 “Is Tuition Remission allowed per sponsor published guidelines” should be answered No. BoRSF does allow cost sharing of Graduate Assistant Tuition Remission.

• For BoRSF Question #17 “Cost sharing/matching” should be answered Yes – Sponsor Mandated. Cost sharing is a review consideration so it is allowed, but should not exceed 1:1 with the exception of ATLAS.
- For BoRSF Question #22 “RFP/Announcement – Enter URL or Attach RFP on Internal Uploads and Routing tab” – you do not need to include link to RFP. Instead type in the program name for the proposal (e.g. Comprehensive ENH, Targeted ENH, ITRS, P-o-C/P, RCS, RCS 1Yr, or ATLAS.)

- Question #26 - Investigators % F&A Distribution & % Project Credit:
  - **Step 1**: You will enter the Investigator Name, Role, Department, and %.
  - If an investigator has a joint appointment and is required to split his/her credit between units, you will need to enter them twice. To add additional investigators or departments click the Add button.

- **Step 2**: To enter the Investigator Name or Department, click the pencil icon. For Department, begin typing the Cost Center name in Find Department. Once it appears, click on unit name and then click Select.

- **TIP!** If you do not know the name of your Workday Cost Center. Go to Workday, and type the Cost Center number in the Search bar to display the Cost Center name used in GeauxGrants.

- After you answer all mandatory questions, click Complete. Checking the Complete box will perform Validations. Click Ok on pop-up box to show errors.
Budget Tab

- The Budget tab will open in a new window. Clicking Done will close just the budget screen and return user to Proposal Development record.

![Budget Setup Screenshot](image-url)
• Click on Period/Dates Tab and update the budget period so that year 1 is 01-Jun-2022 to 30-June-2023. Outyears should run 01-July to 30-Jun. Click Save.

• Second, you need to update the sources of cost sharing. Click Budget Sources Tab.

• There are two default sources of cost sharing: Institution and Above the Cap (related to NIH salary cap which LSU does not use). The Charge To sources default to the PI’s department.
- Under the Charge To column, change to the department/college providing cost sharing. In the Short Name column, add an acronym for the unit.

- To include additional sources, type at the bottom of the chart. Field is progressive text. Choose from name that appears. Click Add New Source. If source is not found, complete Request to Add New Sponsor form. In Additional Comments to OSP, indicate that this is external cost sharing source for BORSF.

- For institutional cost sharing that will be documented via a journal entry (tuition remission, unrecovered F&A), change Charge to column to Louisiana State University and Short Name of LSU.

Budget – Subawards

- To add a Subaward to a budget, click Show next to SubAwards on the Budget tab to expand this section.

- GeauxGrants requires you to list the Subaward Institution Name and Subaward PI Name in the budget. Both fields are progressive text. Enter both and click Add Subaward.

**TIP!**

- If Subaward PI is not in GeauxGrants, enter Subaward Institution and click Add New Profile to enter the Subaward PI’s information.
At minimum you need to enter the Subaward PI’s First and Last Name and Department. For Grants.gov applications that require the Senior/Key Person Profile, you will be prompted on the Personnel tab to enter more information. Click Save.

Click Add Subaward on Budget tab.

When you click Add Subaward, the subaward budget pops-up.

Enter the Subaward’s Direct & F&A amounts per year and click Save and Close.

You will notice the SubAwards (1) tab to the left. Click this and then the SubAward Number link to edit the subaward budget, if needed.
Budget – Non-Personnel

- For BoRSF, you will only enter the yearly total direct costs less subaward amount in GeauxGrants under Other Direct Costs. Begin typing Other, and select Other Direct Costs from drop down. Click Add Item.

- On the popup, click Cost Sharing and then Cost Sharing by Build Up. Enter total direct costs less any subawards in the applicable Cost line. Enter requested funds under Sponsor and cost sharing funds under the applicable source of cost sharing. These number should match the internal BoRSF spreadsheet. Click Save and Close.
F&A

- F&A is automatically calculated based on the federally negotiated rate for Program Type and Location (on-campus vs. off-campus) of the project.
- For BoRSF, you will need to adjust the base/rate at the top of the page.
  - For RCS, RCS 1Yr, ITRS and P-o-C/P change Rate to Manual, and type in 25. Click Apply. This allows 25% to populate Review Summary. Change Base to SWF. Click Save. We will update amounts in next steps.
  - For ENH and ATLAS, change the Rate to No IDC. Click Apply.
- Click Cost Sharing and then Detail next to F&A to enter F&A amounts from internal BoRSF budget worksheet.
- Click on Cost Sharing by Build Up. Enter F&A on the applicable Cost line. Enter requested funds under Sponsor and cost sharing funds under the applicable source of cost sharing. These number should match the internal BoRSF spreadsheet. Click Save and Close.

**Budget – Complete**

- Once you have completed you budget, go to Budget tab. Confirm the Budget Summary matches the internal BoRSF budget worksheet and click Complete Button on top right corner.

- Once Budget is complete, Budget will be in View Mode, and you will need to click on Un-Complete Budget to make edits.
Personnel

• The PI will auto populate on this tab.

**TIP!** You must add all investigators that are in #26 of the LSU Questionnaire to the Personnel tab and any other Senior Personnel. This helps ensure that all necessary routing approvals are received.

• To add investigators, type in their name, choose role using the dropdown, begin typing name, and click Save.

• Since effort was not included on the budget, you will enter senior personnel effort on the Personnel tab. Click the lock button next to Person Months.

• Type in the annual effort (requested + cost shared). If the effort varies each year, type in the average. Click Save.

• The Responsible column indicates who is an Investigator per PS-98 for Financial Conflict of Interest. Senior Personnel are automatically checked. The LSU PI and Co-Investigators should be checked. Indicate other responsible investigators by clicking the checkbox by their name. If necessary, add other PS-98 investigators to personnel tab.

• COI column will either have a green check or red question mark.
- If green check mark appears, a Significant Financial Interest (SFI) disclosure has been “Received in GeauxGrants.”
- If red question mark appears, a SFI disclosure has either been “Created; No Disclosure” or there is “No Current Disclosure”. SFI needs to be submitted.

- The Legend describes who is on the Prime and who is on the Subaward. Uncheck any subaward investigators in the Responsible column.

- If Investigator information needs to be updated, click on the individual’s name and enter the information in the profile for this record.
- Check Complete when done. Complete must be unchecked before editing the information.
