All personnel listed on the budget will populate on this tab. If you enter individuals on the Personnel tab, that person will automatically populate on the Budget tab and vice versa.

To add investigators, type in their name, choose role using the dropdown, begin typing name, and click Save.

To remove a person from the budget:

- Click on person’s name after you add them to the Personnel tab.

- Click Budget roles, and check the budget periods that you wish to remove them from the budget.

The Responsible column indicates who is an Investigator per PS-98 for Financial Conflict of Interest. PD/PI and Co-PD/PI are automatically checked. All LSU PI and Co-Investigators should be checked. Indicate other responsible investigators by clicking the checkbox by their name.

COI column will either have a green check, yellow sign, or red question mark.
- If green check mark appears, a Significant Financial Interest (SFI) disclosure has been “Received in GeauxGrants.”
- If red question mark appears, a SFI disclosure has either been “Created; No Disclosure” or “No Disclosure on record for the person”. SFI needs to be submitted.

The Legend describes who is on the Prime and who is on the Subaward.

Adding these credentials on the Personnel tab will not save for future proposals and will need to be entered for every proposal record.
