Budget

See separate user guide for Creating a Detailed Budget.

**Note:** If a sponsor requires the use of the sponsor’s budget template then a simplified budget may be entered in GeauxGrants. Follow the instructions for Creating a Simplified Budget.

Personnel

All personnel listed on the detailed budget will populate on this tab. If you enter individuals on the Personnel tab, that person will automatically populate on the Budget tab and vice versa.

- You must add all investigators that are in #26 of the LSU Questionnaire to the Personnel tab. This will ensure that all necessary routing approvals are received.

  - To add investigators, type in their name, choose role using the dropdown, begin typing name, and click Save.

- If you created a detailed budget, effort from the budget will automatically populate on the Personnel tab. If you created a Simplified budget, you will enter senior personnel effort on the Personnel tab. Click the lock button next to Person Months to edit.
• Type in the annual effort (requested + cost shared). If the effort varies each year, type in the average. Click Save.

• The Responsible column indicates who is an Investigator per PS-98 for Financial Conflict of Interest. PD/PI and Co-PD/PI are automatically checked. All LSU PI and Co-Investigators should be checked. Indicate other responsible investigators by clicking the checkbox by their name.

• COI column will either have a green check, yellow sign, or red question mark.
  • If green check mark appears, a Significant Financial Interest (SFI) disclosure has been “Received in GeauxGrants.”
  • If red question mark appears, a SFI disclosure has either been “Created; No Disclosure” or there is “No Current Disclosure”. SFI needs to be submitted.
  • The Legend describes who is on the Prime and who is on the Subaward.

• Check Complete when done. Complete must be unchecked before editing the information.
