Louisiana State University began as a small all-male military school near Pineville, Louisiana. Originally called the Louisiana State Seminary of Learning and Military Academy (or variations thereof), classes began on January 2, 1860. The first superintendent, William Tecumseh Sherman, and five faculty members, taught the first students. When the Civil War began, the Seminary closed for the duration of the war in April of 1863 and reopened in September of 1865. On October 15, 1869, fire destroyed the seminary building. On November 1, the cadets moved to the State Institution for the Deaf, Dumb, and Blind in Baton Rouge. The Seminary occupied half of the large building. Throughout Reconstruction in the 1870s and into the 1880s, LSU continued to struggle financially and was nearly forced to close in 1875. In 1877, after much political wrangling, LSU and the Agricultural and Mechanical College merged to form Louisiana State University and Agricultural and Mechanical College based in Baton Rouge, where it remains today.

Sigma Alpha Epsilon fraternity was established in 1867 as the first Greek letter organization. Since that time, hundreds of students have found their home in fraternities and sororities at LSU. It is with great pride that we celebrate the 150th Anniversary of Greek Life at LSU!
Vision
Greek Life strives to develop a community that enables individuals to achieve the highest standards of personal integrity and civic engagement for leadership in a global society.

Mission
Greek Life transforms lives by supporting and facilitating opportunities and experiences within the Greek community to discover, engage, and learn while fostering an environment for peer accountability based on fraternal values.

Greek Membership
The Greek community added 2,059 new members during the 2016-2017 academic year for a total of 5,387 fraternity and sorority members, constituting 22.39% percent of the undergraduate population at LSU. 28.59% percent of LSU’s female undergraduates are members of sororities, and 14.66% percent of LSU’s male undergraduates are members of fraternities. These students, through their fraternity and sorority chapters achieved an overall GPA of 3.172 with the all undergraduate grade point average standing at 2.948.

Alpha Tau Omega fraternity colonized a chapter of 80 men and Alpha Delta Pi sorority brought back their Omega chapter with a colony of 190 women.

The Interfraternity Council hosted 21 chapters, the Panhellenic Council hosted 14 chapters and the National Pan-Hellenic Council hosted 5 chapters, for a total of 40 chapters hosted on LSU’s campus.

Leadership Development
Tri-Council 2017 included training for the three council executive board officers (25 students) prior to the beginning of the Spring semester. Orientation, skill development, leadership training and team building made up the two day training facilitated by the Greek Life staff. Three days later, the staff, executive board officers and members of the Greek Leadership institute held the 2 day Tri Council Retreat for all chapter presidents and delegates for training, leadership development and team building. This consisted of 125 student leaders in St. Francisville, LA.

Newly elected chapter officers attended the Annual Officer Workshop to include policy and procedure education presented by University faculty and staff in January for 250 new officers. Topics included new member education, financial training, academic excellence, philanthropy and fundraising guidelines and peer accountability.

The Greek Life Office facilitated monthly chapter presidents’ cabinet meetings, as well as a chapter advisor meeting each semester, integrated risk management education, forums for community-related issues and many more topics for discussion for the LSU Greek Community. This included 45 student presidents and staff.

During the 2016-2017 academic year, the Greek Leadership Institute (GLI) designed, presented and facilitated the following two-hour workshops: Geaux 4.0, Great to Be Greek, New President/New Member Educators Workshop, Stress Management, Motivating the Middle, Tri-Council Leadership Retreat and EMPOWER, reaching more than 400 students.

EMPOWER was held at Camp Abby Retreat Center, March 10-12, 2017, with 148 freshmen and sophomore rising leaders trained by 28 upperclassmen facilitators. The curriculum was based on basic leadership fundamentals. GLI also trained 28 upperclassmen facilitators for EMPOWER, an underclassmen leadership retreat.
Three NPHC officers attended the Association of Fraternity Leadership and Values in Indianapolis, Indiana from February 2-5, 2017. Seven IFC officers attended the Southeastern Interfraternity Conference held in Atlanta, GA February 16-20, 2017. A group of 15 PHC women, including PHC directors and PHC executive officers attended the Southeastern Panhellenic Conference in Atlanta, GA, March 30 - April 1, 2017.

Greek Board of Directors Highlights

Under the advisement of the Greek Life staff, the Greek Board of Directors (GBOD) planned and executed many events and efforts during the 2016-2017 academic year.

In February, 148 Greek students participated in the annual EMPOWER Leadership Retreat. Led by 30 small group facilitators, first and second year Greek students had the opportunity to learn more about the history and culture of the Greek community at LSU as well as how they can maximize their opportunities to become student leaders within the Greek community.

GBOD organized its annual all-Greek philanthropic effort for Greek Week 2017. In the fall, GBOD Fundraising committee members coordinated efforts to raise money for this project through chapter hosted letter writing parties. After spending the Fall semester raising $128,082 to fund the project through letter writing and corporate sponsorships, one thousand Greek students came together to build two Habitat for Humanity homes for the Livingston family and the Harris family from March 18-25, 2017. The GBOD funded homes were presented to the families on the afternoon of Saturday, April 22, 2017.

Songfest was hosted on April 12, 2017 in the PMAC. This year 34 chapters were randomly paired to create 12 ensemble groups. Each group performed a choreographed dance routine for five judges. The judges’ scores were combined with four bonus point opportunities: T-shirt sales, ticket sales, a banner competition and a newly added social media contest. The highest point totals determined the first, second, and third place winners. There was also recognition for judges’ awards, including Best Male Performance, Best Costume and Crowd Appeal.

Public relations included participation by IFC, PHC, NPHC and the Greek Life office in the Spring Invitational, Debut LSU, Step Up or Step Aside Show and summer orientation sessions. The GBOD Facebook page and Twitter accounts shared information with students about GBOD, Greek sponsored programs and individual chapter accomplishments.

He facilitated focus groups for Greek leaders, small group discussions with staff and students, the Greek Life staff, and a presentation in conclusion as the PMAC to approximately 1,000 faculty, staff and students.

- **NPHC Unity Gathering Space.** Located at the corner of Highland Avenue and South Stadium, the Unity Space was dedicated September 9, 2016, to celebrate the history and tradition of NPHC organizations at LSU. It provides educational and community opportunities to forward the importance of NPHC organizations. Students can walk through the space and learn more about the purpose and history of NPHC groups by visiting the 9 tables and historical plaques placed at each table. The community can utilize this as the premier location for gatherings and discussions. It will serve as a place for alumni to visit when returning to campus, to include Founder’s day weekends, Homecoming events and other important University events. The benefits for NPHC students have been significant. This group of students, along with other African American non-Greek students have a space to call their own and a place to take pride in as valued members of the LSU Community.

- **MLK Candlelight Vigil:** Held on January 16, 2017, to honor the memory and legacy of Dr. Martin Luther King Jr., this event brought together many campus partners for an evening of remembrance with musical and spoken word tributes in the LSU Student Union Ballroom. Following a keynote speaker, candles were lit in honor of Dr. King. Approximately 300 faculty, staff and students attended.
• **Tri-Council and EMPOWER leadership retreat** provided current and future Greek leaders with the tools necessary to discuss diversity and inclusion. Breakout sessions included activities and dialogue on increasing diversity and inclusivity in the Greek community. Tri-Council Leadership Retreat was held January 13-14, 2017, with 125 fraternity and sorority presidents, delegates and the council executive boards.

• **EMPOWER leadership retreat** was held March 9-11, 2017, with an attendance of 170 students to include several representatives of the 40 fraternity and sorority organizations and a senior leadership team of 30 students. Activities and education focusing on diversity education were facilitated.

Panhellenic sororities are mentored and coached by a member of the NPHC community in the facilitation of a traditional step show. The opportunity to work together provides an opportunity for members of our Panhellenic community to learn about origin and history of stepping, its importance to NPHC organizations, and the link it had with communicating messages during slavery. This program also shared that information with the audience.

The Greek Life staff chose four areas to assess during the 2016-2017 academic school year.

**EMPOWER:**

EMPOWER weekend is a two day leadership retreat for new Greek members in the LSU Greek community. This weekend not only serves to develop skills for tomorrow’s Greek leaders, but also to educate these students on the history and culture of the respective Greek councils, chapters on campus, leadership opportunities and personal development using Gallup Strengthsquest.

A pre-test survey was sent via Campus Labs two weeks prior to Phase I to 159 registered participants with the objective to assess the participants knowledge of the three learning outcomes. Out of the 159 registered participants, 67 responded; Panhellenic Council – 44, Interfraternity Council – 21, and National Pan-Hellenic Council – 2.

In the 2017 assessment instrument the students were asked in the post-test what suggestions they had to improve EMPOWER in the future. Two themes emerged from this section. The first theme concerned the StrengthsQuest session. Several students shared they enjoyed getting the opportunity to learn what was uniquely different about them. Student also shared that they wish they would have used this information in other aspects of the weekend. The second theme that emerged was the real talk sessions. Numerous participants stated that this session it should be reworked where it is not just personal stories from the facilitators. Both of these themes should be taken into consideration for EMPOWER 2018.

The Student Success Outcomes for the 2016-2017 Assessment were knowledge acquisition and interpersonal/intrapersonal competence. Through this assessment it is confirmed that the Student Success Outcomes were also met. Knowledge acquisition can be confirmed by the pre and post-test regarding how much knowledge was gained. The interpersonal/intrapersonal competence can be confirmed through the post-test responses regarding leadership and Strengths Quest.

**NPHC New Member Orientation**

The NPHC New Member Orientation is a one-day training used to acquaint new members with each other and the processes of being an active Greek. More importantly, it is used as an opportunity to foster a sense of community amongst the new members and make them aware of the resources at their disposal. A member of the Greek Life staff presented the information to every newly initiated member the Monday following the New Member Presentation. Dates for this training are included in the NPHC MIP Procedures for each year.

A pre-test survey was sent via Campus Labs one business week prior to the New Member Orientation to the 24 newly initiated NPHC members with the objective to assess the participants’ knowledge of the Greek life community, its functions, and resources available to members. Out of the 24 new members, 23 responded; Alpha Phi Alpha – 10, Phi Beta Sigma – 5, Zeta Phi Beta – 7, and Sigma Gamma Rho – 2. Of the 23 respondents there were 3 freshmen, 6 sophomores, 13 juniors, and 2 seniors. An identical post-test was sent following the New Member Orientation to all 24 newly initiated NPHC members. The number decreased due to the participants not feeling that the survey was mandatory. Out of the 24, 18 responded. Organizational representation is distributed as follows: Alpha Phi Alpha – 9, Phi Beta Sigma – 4, Zeta Phi Beta – 4, and Sigma Gamma Rho – 1. Of the 17 respondents there were 2 freshmen, 3 sophomores, 13 juniors, and 0 seniors.
The results of the Pre-Test/Post-Test concluded that the NPHC New Member Orientation was effective in training our newly initiated NPHC members and providing leadership development and increases the awareness of Greek Life, its functions, and resources available to members. It is recommended that the Greek Life staff use the results from the 2016-2017 assessment to continue to develop the program for next year.

**Tri-Council:**

LSU Greek Life hosted the 4\textsuperscript{th} Annual Tri-Council Leadership Retreat in January 2017. Tri-Council is a comprehensive retreat focusing on the training of IFC, NPHC, and PHC Council Officers, Presidents and Delegates and NPHC Chapter Officers. The intended learning outcomes for this leadership retreat are for participants to gain a better understanding of the function of the LSU Greek Life office, the culture of Greek life at LSU, Cross Council Education and Relationships, Leadership, Bystander Intervention and Self Understanding.

A pre-test survey was sent two weeks prior to the Tri-Council Leadership Retreat to 117 registered student leaders with the primary objective to assess the student knowledge of the learning outcomes. Out of 117 students, 74 responded: 20 chapter presidents, 22 Council Executive Officers, and 25 Council Delegates and 7 identified as other.

A post-test survey was sent immediately following the retreat to the 117 students who attended. As a result of The Tri-Council Leadership Retreat, the learning outcomes to gain a better understanding of the function of the LSU Greek Life office, the culture of Greek life at LSU, Position Expectations, Cross Council Education and Relationships, Leadership, and Self Understanding were attained. Ninety five percent of chapter presidents, council officers, and council delegates indicated either strongly agree or agree that they had a better understanding of their roles as a result of the Tri-Council Retreat. The students also indicated at 94% understood their role as council leaders.

The results of the Pre-Test/Post-Test also showed that although the learning outcomes we met, participants were dissatisfied with the guest speaker, Riley De’Leon. 69.8% of students rated the speaker average, below average or poor. This data supports the qualitative reports received from council officers in their executive meetings. In conclusion, Tri-Council Leadership Retreat was effective in training our Council Officers and providing leadership development and training Chapter Presidents, Council Delegates and Council Officers. It is recommended that Tri-Council 2018 planning team use the results from the 2014, 2015, 2016 and 2017 assessment to continue to develop the program for next year.

**Greek Collaborative Learning Space:**

The assessment of the Greek Collaborative Learning Space (Collab) was to identify a correlation between the academic resources accessed by individuals, and the impact those resources had on academic achievement. The results were as follows: Access to equitable academic resources on a college campus should not be an issue, and it is easy to see that there has been a resource gap between the house chapters, and the NPHC and unhoused organizations. With the addition of the Collab Space the Greek Life Office aims to bridge that gap. The initial assessment indicates there are varying levels of improvement, with the most improvement being for students with below a 3.0 GPA in a period without intake/recruitment. Continuous updating of this academic assessment should be made annually to improve the quality of resources, and identify academic trends with NPHC and unhoused organizations at LSU.
Greek Assessment program continued to better serve the chapters with improvements and measurable achievements. Based on chapter presidents’ and advisors’ feedback, point opportunities will be given for national award recognition. Of the chapters assessed, 19 attained a Gold level status, 14 attained a Silver level status, and three attained Immediate Change Required. Three chapters improved their status by rising one level or more than the 2016-2017 assessment period; 22 remained at the same level, and nine chapters decreased in status.

Greek Housing
- 451 students lived in 18 fraternity houses
- 587 students lived in 12 sorority houses
- A total of 1038 students or 17.64% percent of Greek students lived in their chapter houses.

Campus Highlights
- 5 students or 31% percent of those on the LSU Homecoming Court are Greek
- 23 students chosen for Leadership LSU are Greek
