2. PURPOSE OF OUTLINE OF COVERAGE

This outline of coverage provides a very brief description of the important features of the plan. You should compare this outline of coverage to outlines of coverage for other plans available to you. This is not an insurance contract, but only a summary of coverage.

Only the Summary of Benefits contains governing contractual provisions. This means that the Summary of Benefits sets forth in detail the rights and obligations of both you and us (UNUM Life Insurance Company of America). Therefore, if you purchase this coverage, or any other coverage, it is important that you **READ YOUR CERTIFICATE CAREFULLY!**

3. TERMS UNDER WHICH THE CERTIFICATE MAY BE RETURNED AND PREMIUM REFUNDED

- You have a 30-day right to examine the certificate. If, after examining the certificate, you are not satisfied for any reason, you may withdraw your enrollment in the plan by returning your certificate within 30 days of its delivery to you. The certificate, together with a written request for such withdrawal must be sent to:
 - **if you are an active employee or a spouse of an active employee**, the Sponsoring Organization's Plan Administrator,
 - **if you are a retiree or a family member other than a spouse of an active employee**, UNUM, P. O. Box 9744, Portland, Maine 04104-9868.

Upon receipt, your insurance will be deemed void from its effective date and any premium contribution(s) paid will be returned.

- Premiums for additional, increased or terminated insurance may cause a pro-rata adjustment on the next premium due date.

4. THIS IS NOT MEDICARE SUPPLEMENT COVERAGE

If you are eligible for Medicare, review the Guide to Health Insurance for People with Medicare available from UNUM. You may obtain a copy of the Guide by calling 1-800-227-4165. UNUM Life Insurance Company of America is not representing Medicare, the federal government or any state government.

5. LONG TERM CARE COVERAGE

Plans of this category are designed to provide coverage for one or more necessary or medically necessary diagnostic, preventive, therapeutic, rehabilitative, maintenance, or personal care services, provided in a setting other than an acute care unit of a hospital, such as in a nursing home, in the community, or in the home.

This plan provides coverage in the form of a fixed dollar indemnity monthly benefit if you suffer a covered loss of functional capacity or covered cognitive impairment.

The amount of the monthly benefit will be based on the plan of coverage you choose; any options you choose, if available, and the place of residence used for long term care.

6. BENEFITS PROVIDED BY THE SUMMARY OF BENEFITS

REFER TO THE ATTACHED SCHEDULE OF LONG TERM CARE BENEFITS FOR THE BENEFITS AVAILABLE UNDER THE SPONSORING ORGANIZATION'S PLAN.

Monthly Benefit:

You are eligible for a monthly benefit if you are assessed as suffering a covered loss of functional capacity or cognitive impairment. You must be under the regular care of a doctor according to the condition.

NOTE: Any Activities of Daily Living that you cannot perform without standby assistance on the date you become insured under the plan will not be considered when determining the extent of your loss.

A monthly benefit will become payable on the day after you complete the Elimination Period.

The amount of your monthly benefit will be based on the coverage options you chose and the place of residence used for long term care. If your coverage includes Professional Home Care Services, the benefit payment will be based on the number of days you receive these services each month.

Activities of Daily Living are bathing, dressing, toileting, transferring, continence and eating.

Cognitive Impairment means a deterioration or loss in intellectual capacity resulting from Alzheimer's disease or similar forms of irreversible dementia.

Elimination Period means the number of consecutive days during which you must continue to qualify to receive a monthly benefit before a benefit will become payable.

Lifetime Maximum means the maximum UNUM will pay you for all long term care benefits. You have your own Lifetime Maximum.

Respite Care means care provided to you for a short period of time to allow your informal caregiver a break from their caregiving responsibilities. If you qualify for a Home or another similar place Monthly Benefit but benefits have not yet become payable, payments will be made to you for each day you receive respite care for up to 15 days each calendar year. The amount of your payment will equal 1/30th of your Home or another similar place Monthly Benefit for each day that you receive respite care.

Professional Home Care

When benefits become payable, there will be no more cost to you for your coverage as long as you continue to have a loss of functional capacity or cognitive impairment and receive Professional Home Care Services.

If you do not receive Professional Home Care for a period of 30 consecutive days, premium payments will again become due. To continue your coverage, premium payments **must** be resumed on the next premium due date following this 30-day period.

OPTIONAL BENEFITS

Total Home Care

When benefits become payable, there will be no more cost to you for your coverage as long as you continue to have a loss of functional capacity or cognitive impairment.

Inflation Protection Provision - 5% Simple Inflation With Cap

Your initial Monthly Benefit will increase by 5% on January 1st of the next calendar year. Your remaining Lifetime Maximum Benefit Amount will also increase. Subsequent 5% increases will be added each January 1st after that to your initial amount of coverage. Increases will be automatic and will occur regardless of your health and whether or not you have a loss of functional capacity or cognitive impairment. Your premium will not increase due to automatic increases in your Monthly Benefit. In no event will the total Monthly Benefit be more than 200% of your original Monthly Benefit.

The benefit paid for the inflation protection provisions are subject to the Lifetime Maximum Benefit Amount. Benefits are not paid during the Elimination Period.

Refer to the graphic Comparison Chart of all types of Inflation, located in Section 8 of this Outline of Coverage

7. LIMITATIONS AND EXCLUSIONS

• EXCLUSIONS

UNUM will not make long term care payments to you for:

- losses caused by war (whether declared or not) or any act of war,
- losses caused by attempted suicide (while sane or insane) or self-destruction,
- losses caused by commission of a crime for which you have been convicted under state or federal law or attempting to commit a crime under state or federal law,
- losses or confinements during which you are outside the United States, its territories or possessions for longer than 30 days,
- any days over fifteen days in each calendar year during which you are confined in any facility for acute care (acute care is medical care obtained as a result of an injury or a sickness requiring immediate medical intervention),
- losses caused by alcoholism,
- losses caused by voluntary use of any controlled substance unless the controlled substance is prescribed for you by a doctor. ("Controlled substance" is defined in Title II of the Comprehensive Drug Abuse Prevention and Control Act of 1970 and all amendments) or

- losses caused by:
 - depression,
 - generalized anxiety disorders,
 - personality disorders,
 - schizophrenia, or
 - manic depressive disorders whether treated by drugs, counseling or other forms of therapy.

However, UNUM will make payments to you for conditions that are not psychological or psychiatric in nature, including Alzheimer's disease, multi-infarct dementia, or Parkinson's disease.

- **PRE-EXISTING CONDITION EXCLUSION**

UNUM will not make any payments for any loss of functional capacity or cognitive impairment that:

- is caused by, contributed to by, or results from a pre-existing condition, and
- begins during the first six months after your coverage begins.

A pre-existing condition is any condition that exists for which you:

- received medical treatment, consultation, care, or services, including diagnostic measures for the condition, or
- took drugs or medicines that were prescribed for the condition, during the six month period right before your coverage began.

UNUM calls this a pre-existing condition.

This pre-existing conditions exclusion will apply to all insurance that does not require evidence of insurability.

THIS PLAN MAY NOT COVER ALL THE EXPENSES ASSOCIATED WITH YOUR LONG TERM CARE NEEDS.

8. RELATIONSHIP OF COST OF CARE AND BENEFITS

Because the costs of long term care services will likely increase over time, you should consider whether and how the benefits of this plan may be adjusted.

- **COST:**

- **If you are an active employee**, you pay the cost of coverage under UNUM's Long Term Care insurance.
- **If you are a retired employee or a family member**, you pay the cost of coverage.

The rate you pay over the duration of your initial coverage or for any increases is based on your insurance age.

- **ELECTION TO INCREASE COVERAGE:**

You can apply at any time to increase coverage by filling out a new Benefit Elections Form and an Application for Long Term Care Insurance.

9. TERMS UNDER WHICH GROUP COVERAGE THROUGH THE PLAN MAY BE CONTINUED IN FORCE OR DISCONTINUED

- **PREMIUM WAIVER**

- **Long Term Care Facility**

- When benefits become payable, there will be no more cost to you for your coverage as long as you continue to have a loss of functional capacity or cognitive impairment and reside in a Long Term Care Facility.

- **RIGHT TO CHANGE PREMIUMS**

- The premium rate will not increase because you grow older or because of your use of the benefits. However, the premium rate schedule may change in the future depending on the overall use of the benefits of all covered persons or changes in the benefit levels, plan design or other risk factors. Any such change will be made on a class basis according to UNUM's underwriting risk studies under this type of insurance.

- **PORTABLE COVERAGE**

- If the Employer or UNUM ends group long term care coverage, you or your authorized representative may elect portable coverage for you. This means that the same coverage you had under this plan can continue on a direct billing basis. Retired employees and any other persons who are direct billed will automatically transfer to portable coverage.

- Any election for portable coverage must be made within 31 days of the date the group coverage would otherwise end. If so elected, you are a portable insured.

- Any premium that applies must be paid directly to UNUM by you for any portable coverage to be continued.

- Also, the premium rate schedule for portable coverage may change in the future, depending on the overall use of the benefits by all covered persons or changes in the benefit levels or other risk factors. Any such change will be made on a class basis according to UNUM's underwriting risk studies.

- Once on portability, you can apply at any time to increase coverage by filling out a new Benefit Elections Form and Application for Long Term Care Insurance which includes evidence of insurability.

- If you voluntarily end your group long term care coverage, you may not elect portable coverage. However, you may be eligible to continue a percentage of your Monthly Benefit Maximum(s) and Lifetime Maximum Amount if you elected the paid-up coverage option and have met the requirements under that option.

- **WHEN COVERAGE WILL END:**

Your coverage will end on the earliest of these dates:

- the date the Summary of Benefits under the policy ends,
- the date you no longer are in an eligible class,
- the date your class no longer is included for insurance,
- the end of the period for which premiums were last remitted to UNUM for your coverage.
- the date you no longer are an active employee with the Sponsoring Organization.

10. ALZHEIMER'S DISEASE AND OTHER ORGANIC BRAIN DISORDERS

UNUM will not make long term care payments to you for losses caused by neurosis, psychoneurosis, psychopathy, psychosis or mental or emotional disease or disorder of any kind whether treated by drugs, counseling or other forms of therapy.

However, UNUM will make payments to you for conditions that are not mental or nervous in nature, including Alzheimer's disease, multi-infarct dementia, brain injury, brain tumors, or other such structural alterations of the brain.

11. PREMIUMS

Premiums are based on the plan design selected and the Insurance Age of each enrolled person. UNUM may change the premium rates when the terms of the Summary of Benefits are changed.

12. ADDITIONAL FEATURES

- Medical underwriting may be required
- Eligibility and Participation

You are eligible for the plan if you are:

- an active employee of the Sponsoring Organization and your family members
- a retired employee of the Sponsoring Organization.
