THE LOUISIANA PUBLIC EMPLOYEES 457(B) DEFERRED COMPENSATION PLAN (PLAN) IS A POWERFUL TOOL TO HELP YOU REACH YOUR RETIREMENT DREAMS. AS A SUPPLEMENT TO OTHER RETIREMENT BENEFITS OR SAVINGS THAT YOU MAY HAVE, THIS VOLUNTARY PLAN ALLOWS YOU TO SAVE AND INVEST EXTRA MONEY FOR RETIREMENT—TAX DEFERRED!

Not only will you defer taxes immediately, but you may also build extra savings consistently and automatically, select from a variety of investment options, and learn more about saving and investing for your financial future.

Read these highlights to learn more about your Plan and how simple it is to enroll. If there are any discrepancies between this document and the Plan Document, the Plan Document will govern.

GETTING STARTED

WHAT IS A 457 DEFERRED COMPENSATION PLAN?

The Plan is a governmental 457 deferred compensation plan, which is a retirement savings plan that allows eligible employees to supplement any existing retirement and pension benefits by saving and investing pretax dollars through a voluntary salary contribution. Contributions and any earnings on contributions are tax-deferred until money is withdrawn. Distributions are usually taken during retirement, when many participants are typically receiving less income and may be in a lower income tax bracket than while working. Distributions are subject to ordinary income tax.

WHY SHOULD I PARTICIPATE IN THE PLAN?

You may want to participate if you are interested in saving and investing additional money for retirement and/or reducing the amount of current state and federal income tax you pay each year. The Plan can be an excellent tool to help make your future more comfortable.

You may also qualify for a federal income tax credit by participating in this Plan.

For more information about this tax credit, please contact an Empower Retirement representative in your area for more information.

IS THERE ANY REASON WHY I SHOULD NOT PARTICIPATE IN THE PLAN?

Participation may not be advantageous if you are experiencing financial difficulties, have excessive debt or do not have an adequate emergency fund (typically in an easy-to-access account).

WHO IS ELIGIBLE TO ENROLL?

All current full-time and part-time Louisiana public employees are immediately eligible to participate in the Plan.

Certain independent contractors of the State of Louisiana employer may be eligible to participate in the Plan as well. Ask your employer for more information.

HOW DO I ENROLL?

Complete the appropriate enrollment forms, indicating the amount you wish to contribute, your investment option selection(s) and your beneficiary designation(s). Please return the form(s) to your Plan representative.
WHAT TYPES OF CONTRIBUTIONS CAN I MAKE?

Traditional 457

» Contributions are made with before-tax dollars.
» Any potential earnings on your contributions grow tax-free, and your distribution is taxable.
» It lowers your current taxable income because you postpone paying taxes on contributions to the Plan.

Roth 457

» Contributions are made with after-tax dollars.
» Any Roth money, including contributions and potential earnings, will grow tax-free in your account.
» Your distribution is income tax-free if you are eligible for a distribution from your Plan, and you withdraw your Roth contributions and any earnings after holding the account for at least five tax years.
» It does not change your current taxable income.

If the Roth option is right for you, make the appropriate changes to your account by completing a Salary Deferral Agreement form. Soon you will be able to make changes via LouisianaDCP.com or KeyTalk® at (800) 701-8255.²

WHAT ARE THE CONTRIBUTION LIMITS?

In 2015, the maximum contribution amount is 100% of your includible compensation or $18,000, whichever is less. It may be indexed in $500 increments after 2016. If you utilize both the traditional and Roth 457 together, they must not exceed the annual total contribution limit.

Participants in the Plan have two different opportunities to catch up and contribute more during the final years of their career. “Special Catch-Up” allows participants in the three calendar years prior to normal retirement age to contribute more to the Plan (up to double the annual contribution limit—$36,000 in 2015). The additional amount that you may be able to contribute under the Special Catch-Up option will depend upon the amounts that you were eligible to contribute in previous years but did not.

Also, participants turning age 50 or older in 2015 may contribute an additional $5,500. You may not use the Special Catch-Up provision and the Age 50+ Catch-Up provision in the same year.

WHAT ARE MY INVESTMENT OPTIONS?

A wide array of core investment options is available through your Plan. Investment option information is available through the website at LouisianaDCP.com and KeyTalk toll free at (800) 701-8255. The website and KeyTalk are available to you 24 hours a day, seven days a week.

If you enroll for the first time but don’t choose any investment options, you will be defaulted into a BlackRock LifePath Fund based on your date of birth (see the chart below). Target date funds are a diversified mix of underlying funds whose asset allocations change over time to become more conservative as you near retirement.

The investments in the target date funds will gradually shift from more aggressive to more conservative as the target date approaches. The funds are designed to provide an age-appropriate mix of long-term appreciation and capital preservation and are adjusted based on the number of years left until the funds’ target date.

The funds provide a professionally allocated mix from your first days in the Plan all the way through retirement.

This slow transition of the funds’ asset allocation from more aggressive markets to more conservative markets is often referred to as the fund’s “glide path.” The date in a target date fund represents an approximate date when an investor would expect to retire. The principal value of the funds is not guaranteed at any time, including at the target date.

The SDBA is intended for knowledgeable investors who acknowledge and understand the risks associated with the investments contained in the SDBA.

There are also the following quarterly fees and/or transaction fees to participate in the TD Ameritrade SDBA account option:

- Quarterly maintenance fee: $15
- Mutual fund transaction fees:
  - No-load: No commission fees
  - Load: Commission fees vary
  - No transaction fees

Funds available through the SDBA option may also impose redemption fees on certain transfers, redemptions or exchanges. Please refer to the prospectus for an explanation of each investment option’s redemption charges. The fund family will charge fees as detailed in the fund prospectus.

- Stock trading fees:
  - Internet market orders: $15
  - Interactive voice response (IVR)
    - Telephone market orders: $20
  - Broker-assisted market orders: $25

There is an additional $5 fee for limit, stop and stop-limit orders. Please contact TD Ameritrade at (866) 766-4015 for information on any additional fees for services.

MANAGING YOUR ACCOUNT

HOW DO I KEEP TRACK OF MY ACCOUNT?

Empower Retirement will mail a quarterly account statement to you, showing your account balance and activity. You can also check your account balance and move money among investment options via the website at LouisianaDCP.com or KeyTalk at (800) 701-8255.

You will also receive a separate quarterly statement from TD Ameritrade that will detail the investment holdings and activity within your SDBA, including any fees and charges imposed in connection with the SDBA.

For illustrative purposes only. Intended to illustrate possible investment portfolio allocations that represent an investment strategy based on risk and return. This is not intended as financial planning or investment advice.

Please consider the investment objectives, risks, fees and expenses carefully before investing. For this and other important information, you may obtain prospectuses for mutual funds, any applicable annuity contract and the annuity’s underlying funds, and/or disclosure documents from your registered representative. For prospectuses related to investments in your Self-Directed Brokerage Account (SDBA), contact TD Ameritrade at (866) 766-4015. Read prospectuses carefully before investing.

Self-Directed Brokerage

In addition to the core investment options, a self-directed brokerage account (SDBA) is available through TD Ameritrade. The SDBA allows you to select from numerous mutual funds for an additional annual administrative fee of $60 per person, deducted from your account at $15 quarterly (plus any additional trading and transaction fees).

The initial transfer to the SDBA must be at least $2,500, so a balance of $5,000 must be acquired before beginning to invest through TD Ameritrade.

You are required to maintain a minimum balance in your core account of 50% of your Plan assets or $2,500, whichever is greater.
HOW DO I MAKE INVESTMENT OPTION CHANGES?
Use your username and passcode to access the website, or you can use your Social Security number and passcode to access KeyTalk. You can move all or a portion of your existing balances among investment options (subject to Plan rules) and change how your payroll contributions are invested.

HOW DO I MAKE CONTRIBUTION CHANGES?
Download the Salary Deferral Agreement form from LouisianaDCP.com or call the local Empower office in Baton Rouge. A friendly and helpful representative will assist you in getting the current form.

ROLLOVERS

MAY I ROLL OVER MY ACCOUNT FROM MY FORMER EMPLOYER’S PLAN?
Yes. However, only approved balances from an eligible governmental 457(b), 401(k), 403(b) or 401(a) plan or an Individual Retirement Account (IRA) may be rolled over to the Plan.*

MAY I ROLL OVER MY ACCOUNT IF I LEAVE EMPLOYMENT WITH MY CURRENT EMPLOYER?
If you sever employment with your current employer, you may roll over your account balance to another eligible governmental 457(b), 401(k), 403(b) or 401(a) plan if your new employer’s plan accepts such rollovers. You may also roll over your account balance to an IRA.

Please keep in mind that if you roll over your Plan balance to a 401(k), 403(b) or 401(a) plan or IRA, distributions taken before age 59½ may also be subject to the 10% early withdrawal federal tax penalty. Please contact your Empower Retirement representative for more information.

VESTING

WHEN AM I VESTED IN THE PLAN?
Vesting refers to the percentage of your account you are entitled to receive from the Plan upon the occurrence of a distributable event.

Your contributions to the Plan and any earnings they generate are always 100% vested (including rollovers from previous employers).

DISTRIBUTIONS

WHEN CAN I RECEIVE A DISTRIBUTION FROM MY ACCOUNT?
There is no 10% early withdrawal penalty for a qualifying distribution event. Qualifying distribution events are as follows:

» Retirement
» Unforeseeable emergency
» Severance of employment (as defined by the Internal Revenue Code provisions)
» Attainment of age 70½
» Death (your beneficiary receives your benefits)
» In-service transfer to purchase service credit
» In-service de minimis

Each distribution is subject to ordinary income tax except for an in-service transfer to purchase service credit.

NO EARLY WITHDRAWAL PENALTIES
Early distribution penalties do not apply to 457 deferred compensation plans for eligible withdrawals of 457 money. Any withdrawals will be taxed as ordinary income and will be subject to a 20% mandatory withholding. If you live in a state that requires state income tax withholding, state income tax will also be withheld.

WHAT ARE MY DISTRIBUTION OPTIONS?
1. Leave the value of your account in the Plan until a future date.
2. You may be able to receive payment in the following form:
   » Periodic payments
   » Fixed annuity payments
   » Partial lump sum with remainder paid as periodic payments or annuity payments
   » A lump sum

* You are encouraged to discuss rolling money from one account to another with your financial advisor/planner, considering any potential fees and/or limitation of investment options.
3. Roll over your account balance to an eligible governmental 457(b), 401(k), 403(b) or 401(a) plan or to an IRA.*

**WHAT HAPPENS TO MY ACCOUNT WHEN I DIE?**

Your designated beneficiary(ies) will receive the remaining value of your account, if any. Your beneficiary(ies) must contact the Plan administrator to request a distribution.

**FEES**

**ARE THERE ANY RECORDKEEPING OR ADMINISTRATIVE FEES TO PARTICIPATE IN THE PLAN?**

The Plan will assess an administrative fee, based on the following schedule, which will be assessed quarterly and will be disclosed on the Transaction Detail section of your quarterly statement under the Withdrawals/Expenses heading.

The annual fee is 0.18% of the first $50,000 in your account, with a minimum fee of $10 per year and a maximum of $90. Every quarter, all participants will be assessed $2.50 up to a balance of $5,555.56, with 0.045% charged on balances from $5,555.57 up to $50,000.

The minimum quarterly fee is $2.50; the maximum is $22.50. If your balance exceeds $50,000, you are charged the maximum fee of $90 per year, or $22.50 per quarter, but you will pay nothing on the balance of $50,000.01 and above.

**EXAMPLES**

For a $10,000 balance:

» You’ll be charged $2.50 every quarter on the balances up to $5,555.56. The remaining $4,444.44 will be charged a fee of 0.045%, or $2 ($4,444.44 x 0.00045 = $2).

» The total charged on the $10,000 balance will be $4.50 per quarter.

For a $100,000 balance:

» You’ll be charged $2.50 every quarter on the balances up to $5,555.56. Additionally, $44,444.44 will be charged a fee of 0.045%, or $20 ($44,444.44 x 0.00045 = $20). There is no fee for the portion of the balance above $50,000.

» The total charged on the $100,000 balance will be $22.50 per quarter.

**ARE THERE ANY FEES FOR THE INVESTMENT OPTIONS?**

All loads (sales charges) on purchase transactions are waived on core investment options within the Plan.

Each investment option has an expense ratio that varies by investment option. These fees are deducted by each investment option’s management company before the daily price or performance is calculated. Fees pay for investment management expenses, fund operating expenses, and revenue sharing.

These expense ratios are listed under the Investment Information tab then Investment Performance link at LouisianaDCP.com. For example, a $5,000 balance in a fund with a 0.96% expense ratio would be assessed a fee of $12 per quarter. This implicit fee is built into or included in the share price of the investment option.

Funds may impose redemption fees on certain transfers, redemptions or exchanges. Asset allocation funds may be subject to a fund operating expense at the fund level, as well as prorated fund operating expenses of each underlying fund in which they invest. For more information on all applicable fees, please refer to the fund prospectus. Prospectuses are available under the Investment Information tab at LouisianaDCP.com.

**ARE THERE ANY DISTRIBUTION FEES?**

For the Plan there are currently no distribution fees.
LOANS

MAY I TAKE A LOAN FROM MY ACCOUNT?

Your Plan allows you to borrow the lesser of $50,000 or 50% of your total account balance. The minimum loan amount is $1,000, and you have up to five years to repay your loan—up to 15 years if the money is used to purchase your primary residence.

Participants may have a maximum of one outstanding loan at any time. There is a $50 origination fee for each loan, plus an ongoing quarterly maintenance fee of $6.25. The loan origination fee is deducted from the principal balance of the loan proceeds.

The quarterly maintenance fee is assessed against your remaining account balance. The interest rate for the loan is 2% over the Prime Rate as published in The Wall Street Journal on the first business day of the month before the loan is originated. For more information on loans, contact the Louisiana 457 Deferred Compensation Plan office at (225) 926-8082 or (800) 937-7604.

Important note: In the event you pay off a loan, there is a 30-day waiting period before another loan request can be processed.

TAXES

HOW DOES MY PARTICIPATION IN THE PLAN AFFECT MY TAXES?

Because traditional 457 contributions are taken out of your paycheck before taxes are calculated, you pay less in current income tax.

You do not report any current earnings or losses on your account on your current income tax return either. Your account is tax-deferred until you withdraw money, which is usually during retirement.

Distributions from the Plan are taxable as ordinary income during the years in which they are distributed or made available to you or your beneficiary(ies).

INVESTMENT ASSISTANCE

CAN I GET HELP WITH MY INVESTMENT DECISIONS?

Employees of the State of Louisiana and Empower cannot give investment advice. There are financial calculators and tools on the website that can help you determine which investment options might be best for you if you would like to construct your Plan account yourself.

HOW CAN I GET HELP CHOOSING MY INVESTMENT OPTIONS?

Your Plan offers a suite of investment advice services called Reality Investing® Advisory Services (Advisory Services). As a participant, you may select the Managed Account service, which has Advised Assets Group, LLC (AAG), a registered investment adviser, manage your Plan account for you. If you prefer to manage your retirement account on your own, you may select any investment option or options, and you may use the Online Investment Guidance and/or Online Investment Advice services. These services provide a personalized retirement strategy for you based on your investment goals, time horizon and risk tolerance.

For more detailed information, please visit your Plan’s website at LouisianaDCP.com or call KeyTalk toll free at (800) 701-8255 to speak with an AAG adviser representative.

There is no guarantee that participation in Advisory Services will result in a profit or that your account will outperform a self-managed portfolio.
WHAT FEES DO I PAY TO PARTICIPATE IN ADVISORY SERVICES?

Three levels of service are available with Advisory Services:

» Online Investment Guidance: No fee.

» Online Investment Advice: A $25 annual fee assessed to your account at $6.25 quarterly.

» Managed Account: If you choose to have AAG manage your account for you, the annual Managed Account fee will automatically be deducted from your account balance and the applicable prorated amount will be charged quarterly based on your account balance, as the chart below shows.

<table>
<thead>
<tr>
<th>PARTICIPANT ACCOUNT BALANCE</th>
<th>ANNUAL MANAGED ACCOUNT FEE</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than $100,000</td>
<td>0.50%</td>
</tr>
<tr>
<td>Next $150,000</td>
<td>0.40%</td>
</tr>
<tr>
<td>Next $150,000</td>
<td>0.30%</td>
</tr>
<tr>
<td>Greater than $400,000</td>
<td>0.20%</td>
</tr>
</tbody>
</table>

For example, if your account balance is $50,000, the maximum annual fee will be 0.50%, or 0.125% per quarter, which equates to $250 annually, or $62.50 quarterly.

As shown in the illustration below, if your account balance is $125,000, the first $100,000 will be subject to a maximum fee of 0.50% annually, or 0.125% quarterly, and the next $25,000 will be subject to a maximum annual fee of 0.40%, or 0.10% quarterly.

$100,000 x 0.125% = $125 quarterly
$25,000 x 0.10% = $25 quarterly
Total quarterly fee = $150 (or $600 annually)

HOW DO I GET MORE INFORMATION?

Visit the website at LouisianaDCP.com or call KeyTalk toll free at (800) 701-8255 for more information.

The website provides information regarding your Plan, financial education information, financial calculators and other tools to help you manage your account.

We recommend setting an appointment with an Empower Retirement representative by contacting the Louisiana Public Employees Deferred Compensation Plan office at:

2237 S. Acadian Thruway, Suite 702
Baton Rouge, LA 70808
(225) 926-8082
1 Representatives of GWFS Equities, Inc. are not registered investment advisors and cannot offer financial, legal or tax advice. Please consult with your financial planner, attorney and/or tax advisor as needed.

2 Access to KeyTalk and/or any website may be limited or unavailable during periods of peak demand, market volatility, systems upgrades/maintenance or other reasons. Transfer requests made via the website or KeyTalk received on business days prior to close of the New York Stock Exchange (3:00 p.m. Central Time or earlier on some holidays or other special circumstances) will be initiated at the close of business the same day the request was received. The actual effective date of your transaction may vary depending on the investment option selected.

3 The account owner is responsible for keeping the assigned PIN/Passcode confidential. Please Client Services immediately if you suspect any unauthorized use.

Core securities, when offered, are offered through GWFS Equities, Inc. and/or other broker dealers.

GWFS Equities, Inc., Member FINRA/SIPC, is a wholly owned subsidiary of Great-West Life & Annuity Insurance Company. Core investment options offered through a group fixed and variable deferred annuity issued by GWL&A, mutual funds, and/or collective trust funds. GWFS Equities, Inc., or one or more of its affiliates, may receive a fee from the investment option provider for providing certain recordkeeping, distribution and administrative services.

Brokerage services provided by TD Ameritrade Inc., member FINRA/SIPC/NFA. TD Ameritrade is a trademark jointly owned by TD Ameritrade IP Company, Inc. and The Toronto-Dominion Bank. All rights reserved. Used with permission. Additional information can be obtained by calling TD Ameritrade at (866) 766-4015. TD Ameritrade and GWFS Equities, Inc. are separate and unaffiliated.

Managed Account, Guidance and Advice services are offered by Advised Assets Group, LLC (AAG), a federally registered investment adviser and wholly owned subsidiary of Great-West Life & Annuity Insurance Company. More information can be found at www.adviserinfo.sec.gov.

Empower Retirement refers to products and services provided by Great-West Life & Annuity Insurance Company (GWL&A).
