

IdentityForce®

Identity Protection is a Portable Benefit

Every 2 seconds, someone in the U.S. becomes a victim of identity theft. Identity theft can drain your savings, damage your credit and ruin your reputation. Continue to monitor your identity with IdentityForce at a discounted rate if you separate from your company.

IdentityForce is an industry leader in identity, privacy and credit protection. We've protected the U.S. government and millions of people for over 40 years. You can trust us — at IdentityForce, we protect what matters most.

Monitor

Innovative technology and ongoing monitoring keep your personal information and identity secure.

Alert

IdentityForce provides an early warning system with prompt notification on your computer, phone or tablet — allowing you to take action before the damage is done.

Control

With our protection, you are in control. Know and improve your credit score, protect your personal information online and keep your keystrokes, PIN numbers, and credit card information safe.

Recover

Certified Protection Experts offer comprehensive, 24/7 recovery services. Let us do the work for you. We make the calls, complete the paperwork, and handle every detail in restoring your identity. Plus, our \$1 Million Identity Theft insurance coverage gives you an additional layer of protection.

ABOUT IDENTITYFORCE

For over 40 years, IdentityForce, Inc., has provided best-in-class, highly scalable, award-winning identity theft and privacy protection solutions to consumers, businesses, and government agencies. A pioneer of identity protection, IdentityForce's innovation and customer-centric approach has made the company a trusted partner for both organizations and individuals. Visit www.identityforce.com to learn more.

IMPORTANT NOTE: To be sure you receive all the identity protection services that you are entitled to receive from IdentityForce, please fully complete the information requested in your personal dashboard. Please be aware, if you do not provide IdentityForce with additional information about yourself or your dependents, we can only help protect the information that has been provided. If you do not utilize all the identity protection services you are entitled to receive, you will not be eligible for a refund for any services that go unused. In addition, no one can guarantee that they can prevent all identity theft and you may still become a victim of identity theft even if you use our services. Our monitoring services may not uncover all suspicious activity, and alerts require subscriber's current email address. Fully managed restoration requires subscribers to sign a limited power of attorney.

Porting Your Identity Protection

1. If you experience a separation from your company, you may continue your identity protection plan with IdentityForce at a discounted rate.
2. Prior to leaving the company, contact IdentityForce Member Services at 877-694-3367 to switch to direct pay via credit card.
 - Inform the call center you want to change your membership from an employee benefit plan to a self-pay plan.
3. In the event that your account is cancelled prior to changing your membership to a self-pay plan, you may need to re-enter your monitored information.
