Verity HealthNet | Verity First Choice
Finding an in-network provider.

Welcome to Verity! We’re honored to be your healthcare partner. Let’s help you find your in-network providers and show you some of the enhancements we’ve made to our search. First, put your hands on your member ID card, as it has information that you’ll need for your search.

Begin your search.
Go to www.verityhealth.com and follow the simple instructions below.

Online Search
Follow our simple search instructions.

STEP 1
Go to www.verityhealth.com and click on “FIND A PROVIDER” near the top right of your screen.

STEP 2
You will then be transferred to a screen where you will need to check your ID card for your network logo.

STEP 3
Check your ID card, you should have access to both the Verity First Choice network and the Verity HealthNet network.

To access providers at $0 cost, select and search the Verity First Choice network.

If you cannot find your provider within the Verity First Choice network, select the Verity HealthNet network for broader access.

Learn more - www.verityhealth.com
STEP 4a
Choose “Verity First Choice” to begin your in-network search.

STEP 4b
Choose “Verity HealthNet” to begin your in-network search.

STEP 5 - NEW FEATURE!
We understand the importance of mental health and have worked to provide a tool that makes finding a mental health provider easier now more than ever. Verity has provided a new section to your search where you can easily select to search for a mental health provider by clicking the box under provider type.

Narrow your search by utilizing some of the key filters provided such as provider specialty, therapy, or patient type. Specify by name, facility, county or parish.

STEP 6
If you do not find the provider you’re looking for, you can request that a provider be added to our network by clicking on the “Members” tab and then selecting the “Nominate a Provider” option. Please fill the form with as much information as possible and we will reach back out regarding the request’s status. Or, you can contact your benefits administrator using the phone number listed on your ID card.
