

Summer Preschool Speech - Language Camp

- The LSU Speech, Language, Hearing Clinic will provide 4 weeks of intensive preschool speech-language camps, for children ages 2-5, consisting of both individual and group therapy sessions.
- Your child will receive a total of 16 hours of treatment per week.
- All activities will be structured to allow your child to participate at his/her communication level.
- All sessions will be conducted in a supportive environment by LSU graduate students under the supervision of two certified Speech Language Pathologists.
- Each day will be filled with theme-based activities. Children will participate in morning circle, storybook, music, snack, art, dramatic play, lunch, free play, and closing circle.
