

Jason L. Hicks

Curriculum Vitae — July 2018

Personal Information:

College of Humanities and Social Sciences	16488 Long Lake Drive
Louisiana State University	Prairieville, LA 70769
Baton Rouge, LA 70803-5501	225-673-5840
225-578-8273	
E-mail: jhicks@lsu.edu	

[Google Scholar Profile](#)

Education:

1995-1998	University of Georgia Ph.D., Cognitive/Experimental Psychology
1993-1995	University of Georgia M.S., Experimental Psychology
1988-1993	Truman State University B.S., Psychology

Professional History and Administrative Appointments:

2018-present	Interim Associate Dean, LSU College of Humanities and Social Sciences
2011-present	Professor, LSU
2014-2018	Chair, Department of Psychology, LSU College of Humanities and Social Sciences
2004-2011	Associate Professor, LSU
1998-2004	Assistant Professor, LSU
1995-1998	Graduate Instructor, University of Georgia (UGA)

Honors and Distinctions:

- Fellow, Southeastern Conference (SEC) Academic Leadership Development Program, 2015-2016
- LSU Tiger Athletic Foundation Undergraduate Teaching Award, 2013
- LSU Alumni Association Faculty Excellence Award, 2011

- Fellow of Division 3 (Experimental Psychology), American Psychological Association
- LSU College of Arts & Sciences Non-tenured Research Fellowship, Spring 2002
- Departmental Faculty Research Award, LSU Psychology Department, 1999-2000
- Merit Enhancement Award, UGA Graduate School, 1997-1998
- A. S. Edwards Award for the Overall Outstanding Graduate Student, UGA Psychology Department, 1996-1997
- Herbert Zimmer Award for Outstanding Research Achievement and Potential for a Research Career, UGA Psychology Department, 1996-1997
- Outstanding Teaching Assistant Award, University of Georgia Graduate School, 1996-1997
- Merit Enhancement Award, University of Georgia Graduate School, 1996-1997
- President's Combined Leadership and Ability Scholarship, Truman State University, 1988-1990, 1992-1993
- Phi Kappa Phi
- Psi Chi

University and Professional Service:

2017-present	Member, Campus Wellness Committee
2017	Member, Site Visit Team, American Psychological Association Commission on Accreditation
2017	Reviewer, Summer Stipend Grant Program for the LSU Office of Research and Economic Development
2016-2017	Member, LSU PM73 (Title IX) Task Force
2016-2017	Chair, LSU PM73 (Title IX) Task Force <i>Pregnancy and Parenting Work Group</i>
2016	Reviewer, APF / COGDOP Graduate Research Scholarships in Psychology
2016	Chair, External Review Team, Kansas University Psychology Department
2016	Reviewer, Faculty Research Grant Program for the LSU Office of Research and Economic Development
2015	Reviewer, Summer Stipend Grant Program for the LSU Office of Research and Economic Development
2015	Reviewer, APF / COGDOP Graduate Research Scholarships in Psychology
2015	Member, Search Committee for the LSU Graduate School Dean
2014	Reviewer, Summer Stipend Grant Program for the LSU Office of Research and Economic Development
2014	Panel Member, LSU Program Review of the Communication Sciences and Disorders Department
2013-2014	Member, Tenure and Promotion Review Committee, LSU College of Humanities and Social Sciences

2012-2013	Chair, Fellows Committee, APA Division 3 (Experimental Psychology)
2011-2014	Member, Fellows Committee, APA Division 3 (Experimental Psychology)
2012	Panel Member, LSU Program Review of the Experimental Statistics Department
2009-2014	Faculty Advisor, General / Interdisciplinary Studies Degree Program, LSU College of Humanities and Social Sciences
2009-2014	Graduate Studies Director, LSU Psychology Department
2006-2008	Alternate Senator, LSU Faculty Senate
2005-2014	Associate Chair, LSU Psychology Department
2004-2009	Undergraduate Studies Director, LSU Psychology Department
2002-2009	Member, LSU College of Arts and Sciences Committee on Academic Planning and Program Evaluation (CAPPE)
2000-2014	Member, LSU Psychology Department Resource Committee
1999-2004	Faculty Advisor, LSU Chapter of Psi Chi and the LSU Psychology Club

Professional Affiliations:

- American Psychological Association – Member (Division 3 Fellow)
- Association for Psychological Science – Member
- Psychonomic Society – Fellow
- Sigma Xi – Member
- Southeastern Psychological Association (SEPA) – Member

Editorial Appointments & Reviewing Activity:

- Associate Editor — Memory & Cognition (2016-**present**)
- Associate Editor — *Applied Cognitive Psychology* (2010-2014)
- Editorial Board — *Journal of Memory and Language* (May 2013-**present**)
- Editorial Board — *Experimental Psychology* (2011-**present**)
- Editorial Board — *Neuropsychology* (2010-**present**)
- Editorial Board — *Memory & Cognition* (1999-2016)
- Editorial Board — *Journal of Experimental Psychology: Learning, Memory, and Cognition* (2011-2012)
- Editorial Board — *Psychonomic Bulletin & Review* (2007-2010)
- Editorial Board — *Applied Cognitive Psychology* (2007-2009)
- Ad hoc reviewer — *Journal of Experimental Psychology: General*; *Journal of Experimental Psychology: Learning, Memory, and Cognition*; *Journal of Memory and Language*; *Memory*; *Quarterly Journal of Experimental Psychology*; *Psychology and Aging*; *Canadian Journal of Experimental Psychology*; *Journal of Cognitive Psychology*; *Cognition and Emotion*; *Acta Psychologica*; *Aging, Neuropsychology, and Cognition*; *Cognitive Psychology*; *Psychonomic Bulletin & Review*; *American Journal of Psychology*; *Experimental Psychology*; *Psychological Bulletin*; *Applied Cognitive Psychology*

Teaching Experience:

- Cognitive Basis of Behavior (graduate)
- Various Seminars in Human Learning and Memory (graduate)
- Intermediate Statistics (graduate/undergraduate)
- Psychology of Memory and Forgetting (graduate/undergraduate)
- Research Methods in Psychology (undergraduate)
- Introduction to the Psychology Major (undergraduate)

Refereed journal papers published or in press (graduate students in bold):

86. Cherry, K. E., Lyon, B. A., ... Jazwinski, S. M. (In Press). Memory self-efficacy and beliefs about memory and aging in oldest-old adults in the Louisiana Healthy Aging Study (LHAS). *Experimental Aging Research*.
85. King, J. L., Fearnbach, S. N., ... Carmichael, O. T. (In Press). Perceptual characterization of the Macronutrient Picture System (MaPS) for food image fMRI. *Frontiers in Psychology*. doi: 10.3389/fpsyg.2018.00017
84. Cohen, A. S., Mitchell, K., Beck, M. R., & Hicks, J. L. (2017). The subjective-objective paradox in psychometrically-defined schizotypy: What it is and why it is important. *Journal of Experimental Psychopathology*, 8, 347-363.

Parrish (Chair), *Society for Experimental Psychology and Cognitive Science Symposium on Prospective Memory*. Symposium conducted at the 64th Meeting of the Southeastern Psychological Association, Charleston, SC.

- Hicks, J. L., & Starns, J. J. (2012, February). Searching for cross-dimension cuing in multidimensional source memory. In P. Merritt (Chair), *Southeastern Workers in Memory (SWIM)*. Symposium conducted at the 58th Annual Meeting of the Southeastern Psychological Association, New Orleans, LA.
- Hicks, J. L., DeWitt, M. R., Knight, J. B., & Ball, B. H. (2011, August). Prior retrieval of one source attribute can improve memory for a second attribute. In T. Perfect (Chair), *Source Memory*. Symposium conducted at the 5th International Conference on Memory (ICOM), York, United Kingdom.
- Hicks, J. L., DeWitt, M. R., Marsh, R. L., Knight, J. B., & Ball, B. H. (2011, August). Items previously paired with prospective memory target events can serve as effective reminders. In J. Hicks (Chair), *Research on Prospective Memory Inspired by the Work of Richard L. Marsh*. Symposium conducted at the 5th International Conference on Memory (ICOM), York, United Kingdom.
- Hicks, J. L., & Eaves, S. L. (2011, August). Investigating the influence of font style on false recognition and lure rejection. In R. Smith (Chair), *False Memory Reduction: The Role of Retrieval Expectation, Monitoring, and Distinctive Processing*. Symposium conducted at the 5th International Conference on Memory (ICOM), York, United Kingdom.
- DeWitt, M. R., Unsworth, N., & Hicks, J. L. (2011, August). Individual differences in the retrieval of contextual attributes. In T. Perfect (Chair), *Source Memory*. Symposium conducted at the 5th International Conference on Memory (ICOM), York, United Kingdom.
- Hicks, J. L. (2009, August). False memories include evidence of encoding context. In M. E. Young (Chair), *Fellows Addresses, Divisions 3 and 7*. Symposium conducted at the 117th Convention of the American Psychological Association, Toronto, Canada.
- Hicks, J. L., Clark-Foos, A., Marsh, R. L., & Meeks, J. T. (2009, April). Time-related intentions are affected by background activities. In G. O. Einstein and M. A. McDaniel (Chairs), *RMPA Ellis-Battig Memory Symposium: Prospective Memory*. Symposium conducted at the 79th Annual Convention of the Rocky Mountain Psychological Association, Albuquerque, NM.
- Hicks, J. L., Marsh, R. L., & Cook, G. I. (2006, November). The influence of contextual association on prospective memory. In P. Graf (Chair), *Advances in Prospective Memory*. Symposium conducted at the 47th Annual Meeting of the Psychonomic Society, Houston, Texas.
- Hicks, J. L., & Starns, J. J. (2006, July). The influence of conceptual associations on true and false source memory. In T. Perfect and M. Verde (Chairs), *Attributional and Source Judgements in Memory*. Symposium conducted at the Plymouth Meeting of the Experimental Psychology Society, Plymouth, England.

Hicks, J. L., Marsh, R. L., & Cook, G. I. (2006, May). Accounting for response bias and criterion setting in the remember-know paradigm. In J. Metcalfe (Chair), *Memory and Consciousness*. Symposium conducted at the 18th Annual Convention of the Association for Psychological Science, New York.

Hicks, J. L. (2004, October). Implicit activation of associates: One mechanism behind false source memory and interference in source retrieval. Colloquium presented at the University of Arkansas, Fayetteville, AK.

Geer, J., & Hicks, J. L. (2003, July). Cognitive processes and gender differences in sexuality. Paper presented by J. Geer and J. L. Hicks at the Kinsey Institute Reproductive Psychophysiology Conference, Bloomington, Indiana.

Hicks, J. L. (2001, October). False memory: The byproduct of an organized memory system. In R. C. Mathews (Chair), *Remembering and Forgetting*. Session conducted at the Memory and Narrative conference (An International Cross-Disciplinary Conference), Baton Rouge, LA.

Hicks, J. L., & Marsh, R. L. (2001, July). Resource allocation and retrieval dynamics of event-based prospective memory. In J. Ellis and R. West (Chairs), *Executive processes in prospective memory*. Symposium conducted at the meeting of The Third International Conference on Memory, Valencia, Spain.

Hicks, J. L., & Marsh, R. L. (2000, July). Noticing intention-related events: The role of task switching, production rules, and executive control. Keynote Lecture presented at the 1st International Conference on Prospective Memory, Hatfield, England.

Standard presentations (student authors in bold typeface)

Hicks, J. L., **Spitler, S. N.**, & Cohen, A.-L. (January, 2018). Complexity of prospective memory response conditions influences commission errors. Paper presentation delivered at the 5th International Conference on Prospective Memory (ICPM5), Australian Catholic University, Melbourne, Australia.

Spitler, S. N., Hicks, J. L., & Papesch, M. H. (November, 2017). After-effects of canceling intentions and retrieval dynamics in mouse tracking. Poster session presented at the 58th Annual Meeting of the Psychonomic Society, Vancouver, British Columbia.

Spitler, S. N., & Hicks, J. L. (November, 2016). Multidimensional source memory: Encoding of source dimensions across different temporal delays. Poster session presented at the 57th Annual Meeting of the Psychonomic Society, Boston, MA.

Hicks, J. L., **Spitler, S. N.**, & Cohen, A.-L. (July, 2016). Response sequencing effects in prospective memory retrieval and on commission errors. Paper presentation delivered at the 6th International Conference on Memory (ICOM-6), ELTE University Congress Center, Budapest, Hungary.

- Lyon, B. A.,** Hicks, J. L., Cherry, K. E. (April, 2016). Do implementation instructions improve prospective memory performance in younger and older adults? Poster session presented at the Cognitive Aging Conference, Atlanta, GA.
- Franks, B. A.,** & Hicks, J. L. (2015, November). Testing format affects the reliability but not the size of criterion shifts in recognition memory. Poster session presented at the 56th Annual Meeting of the Psychonomic Society, Chicago, IL.
- Spitler, S. N.,** Cohen, A.-L., & Hicks, J. L. (2015, November). The effects of response sequencing on prospective memory retrieval and commission errors. Poster session presented at the 56th Annual Meeting of the Psychonomic Society, Chicago, IL.
- Hicks, J. L., **Franks, B. A.,** & **Spitler S. N.** (2014). Prior task experience and comparable stimulus exposure can nullify focal/nonfocal PM differences. Paper presented at the 4th International Conference on Prospective Memory, Naples, Italy.
- Brown, N. L., Hicks, J. L., & Beck, M. R. (2014). The impact of visual attention on prospective memory. Paper presented at the 4th International Conference on Prospective Memory, Naples, Italy. (Read by J. Hicks).
- Franks, B. A.,** & Hicks, J. L. (2014, November). Test feedback can lower discriminability in recognition memory. Poster session presented at the 55th Annual Meeting of the Psychonomic Society, Long Beach, CA.
- Hicks, J. L., & **Spitler, S. N.** (2014, November). Retrieval dynamics in event-based prospective memory using mouse tracking. Poster session presented at the 55th Annual Meeting of the Psychonomic Society, Long Beach, CA.
- Hicks, J. L., & **Franks, B. A.** (2013, November). Reliability of criterion shifting in recognition memory is task dependent. Poster session presented at the 54th Annual Meeting of the Psychonomic Society, Toronto, Canada.
- Hicks, J. L., & DeWitt, M. R. (2012, November). Exploring the relationship between perceptual binding and long-term episodic binding. Poster session presented at the 53rd Annual Meeting of the Psychonomic Society, Minneapolis, MN.
- Starns, J. J., & Hicks, J. L. (2011, November). Strength-based criterion shifts within a single test: How flexible are they? Poster session presented at the 52nd Annual Meeting of the Psychonomic Society, Seattle, WA.
- Martin, B. A.,** & Hicks, J. L. (2011, November). Task-appropriate processing and context change in prospective memory. Poster session presented at the 52nd Annual Meeting of the Psychonomic Society, Seattle, WA.

- DeWitt, M. R., Knight, J. B., Ball, B. H., & Hicks, J. L. (2010, November). Multidimensional source monitoring: Prior retrieval of one source attribute improves memory for a second. Poster session presented at the 51st Annual Meeting of the Psychonomic Society, St. Louis, MO.
- Brown, N. L., Martin, B. A., & Hicks, J. L.** (2010, November). Memory for a tailgating scenario: Planning and survival processing compared. Poster session presented at the 51st Annual Meeting of the Psychonomic Society, St. Louis, MO.
- Martin, B. A., Brown, N. L., & Hicks, J. L.** (2010, July). Length of ongoing task affects prospective memory; Length of filler task does not. Poster session presented at the Third International Conference on Prospective Memory, Vancouver, Canada.
- Jenkins, W., Reuther, E. T., Davis III, T. E., Hicks, J. L., May, A. C., Moree, B. N., Munson, M., & Whiting, S. (2010, June). An examination of false memories in individuals with specific phobia. Poster session presented at the 6th triennial meetings of the World Congress of Behavioral and Cognitive Therapies, Boston, Massachusetts.
- Martin, B. A., Shelton, J. T., Brown, N. L., Elliott, E. M., & Hicks, J. L.** (2009, November). Working memory span predicts focal and nonfocal prospective memory performance equally. Poster session presented at the 50th Annual Meeting of the Psychonomic Society, Boston, MA.
- Meeks, J. T., Cook, G. I., Marsh, R. L., Einstein, G. O., & Hicks, J. L. (2009, November). Attentional-allocation policies affect cue detection and interference on both related and unrelated tasks. Poster session presented at the 50th Annual Meeting of the Psychonomic Society, Boston, MA.
- Hicks, J. L., **Brown, N. L., & Martin, B. A.** (2008, November). Memory for spatial location of arousing and nonarousing images. Poster session presented at the 49th Annual Meeting of the Psychonomic Society, Chicago, IL.
- Brewer, G. A., Clark-Foos, A., Marsh, R. L., Hicks, J. L., & Meeks, J. T. (2008, November). The testing effect does not uniformly affect source memory. Poster session presented at the 49th Annual Meeting of the Psychonomic Society, Chicago, IL.
- Meeks, J. T., Clark-Foos, A., Brewer, G. A., Hicks, J. L., & Marsh, R. L. (2008, March). Utilizing retrieval modes: Improving memory on the front end. Poster session presented at the annual meeting of the Southeastern Psychological Association, Charlotte, NC.
- Hicks, J. L., **Martin, B. A., & Brown, N. L.** (2007, November). Source memory, subjective awareness, and the word frequency mirror effect. Poster session presented at the 48th Annual Meeting of the Psychonomic Society, Long Beach, CA.
- Lynn, S. D., & Hicks, J. L.** (2007, November). Font reinstatement encourages, and sometimes discourages, false recognition. Poster session presented at the 48th Annual Meeting of the Psychonomic Society, Long Beach, CA.

- Starns, J. J., Hicks, J. L., Brown, N. L., & Martin, B. A.** (2006, November). Source memory for unrecognized items: Support for a continuum of evidence. Poster session presented at the 47th Annual Meeting of the Psychonomic Society, Houston, Texas.
- Marsh, R. L., Meeks, J. T., Cook, G. I., Clark-Foos, A., & Hicks, J. L. (2006, November). Retrieval constraints create differences in recollection. Poster session presented at the 47th Annual Meeting of the Psychonomic Society, Houston, Texas.
- Cook, G. I., Marsh, R. L., & Hicks, J. L. (2005, November). Source memory in the absence of successful cued recall. Poster session presented at the 46th Annual Meeting of the Psychonomic Society, Toronto, Canada.
- Starns, J. J., & Hicks, J. L.** (2005, November). A continuous retrieval process explains the use of exclusionary source information. Poster session presented at the 46th Annual Meeting of the Psychonomic Society, Toronto, Canada.
- Hicks, J. L., Marsh, R. L., & Cook, G. I. (2005, July). Associating intentions to well-specified retrieval contexts is helpful in some cases but harmful in others. Paper presented at the Second International Conference on Prospective Memory, Zurich, Switzerland.
- Cook, G. I., Marsh, R. L., & Hicks, J. L. (2004, November). Context expectation affects time-based prospective memory. Poster session presented at the 45th Annual Meeting of the Psychonomic Society, Minneapolis, Minnesota.
- Starns, J. J., & Hicks, J. L.** (2004, November). Binding of focally encoded versus peripherally encoded information. Poster session presented at the 45th Annual Meeting of the Psychonomic Society, Minneapolis, Minnesota.
- Starns, J. J., & Hicks, J. L.** (2003, November). Episodic presentation context is bound to implicitly activated concepts. Poster session presented at the 44th Annual Meeting of the Psychonomic Society, Vancouver, B.C., Canada.
- Marsh, R. L., Cook, G. I., & Hicks, J. L. (2003, November). General and specific costs to retaining and fulfilling prospective memories. Poster session presented at the 44th Annual Meeting of the Psychonomic Society, Vancouver, B.C., Canada.
- Hicks, J. L., & **Starns, J. J.** (2003, May). False memories are not primed in perceptual identification. Poster session presented at the 15th Annual Meeting of the American Psychological Society, Atlanta, Georgia.
- Cook, G. I., Marsh, R. L., & Hicks, J. L. (2003, May). How intentions can interfere with ongoing activity. Poster session presented at the 15th Annual Meeting of the American Psychological Society, Atlanta, Georgia.
- Hicks, J. L., & **Starns, J. J.** (2002, June). The independent roles of associative strength and source memorability in false memory. Poster session presented at the 14th Annual Meeting of the American Psychological Society, New Orleans, Louisiana.

- Hicks, J. L. (2001, November). The impact of encoding and retrieval schemas on source decisions. Poster session presented at the 42nd Annual Meeting of the Psychonomic Society, Orlando, FL.
- Hicks, J. L. (2001, July). Discussant. In L. Kvavilashvili (Chair), *Effects of motivation on prospective memory*. Symposium conducted at the meeting of The Third International Conference on Memory, Valencia, Spain.
- Hicks, J. L., & **Brigman, S.** (2001, March). Is the inhibition of intentions controlled or automatic? Poster session presented at the 47th Annual Meeting of the Southeastern Psychological Association, Atlanta, Georgia.
- Hicks, J. L., & **Imai, S.** (2000, November). The relationship between confidence and subjective experience in the Remember-Know paradigm. Poster session presented at the 41st Annual Meeting of the Psychonomic Society, New Orleans, LA.
- Marsh, R. L., Hicks, J. L., & Hancock, T. W. (2000, November). Manipulating when OUTBURST and DOWNCAST become OUTCAST: Conjunction errors and source monitoring. Poster session presented at the 41st Annual Meeting of the Psychonomic Society, New Orleans, LA.
- Hancock, T. W., Hicks, J. L., Marsh, R. L., & Taylor, R. S. (June, 2000). The contributions of executive control in prospective memory. Poster session presented at the 12th Annual Convention of the American Psychological Society, Miami Beach, FL.
- Hicks, J. L., & **Nemeth, R. J.** (1999, November). The influence of schematic knowledge on the subjective experience of recognition. Poster session presented at the 40th Annual Meeting of the Psychonomic Society, Los Angeles, CA.
- Marsh, R. L., & Hicks, J. L. (1999, November). The effect of attentional resources of reading on prospective memory. Poster session presented at the 40th Annual Meeting of the Psychonomic Society, Los Angeles, CA.
- Marsh, R. L., & Hicks, J. L. (1999, March). Remembering versus knowing the origin of a memory. In J. Dunlosky (Chair), *Metacognition: Understanding people's monitoring and control of learning*. Symposium conducted at the 45th Annual Meeting of the Southeastern Psychological Association, Savannah, Georgia.
- Marsh, R. L., & Hicks, J. L. (1999, March). Properties of retention intervals and event-based prospective memory. In G. Einstein (Chair), *Prospective memory*. Symposium conducted at the 45th Annual Meeting of the Southeastern Psychological Association, Savannah, Georgia.
- Hicks, J. L., & Marsh, R. L. (1998, November). The old-new criterion is more liberal in source than in recognition decisions. Poster session presented at the 39th Annual Meeting of the Psychonomic Society, Dallas, TX.
- Marsh, R. L., Hicks, J. L., & Bink, M. L. (1998, November). Reducing false recall with conditions of source monitoring. Poster session presented at the 39th Annual Meeting of the Psychonomic Society, Dallas, TX.

- Marsh, R. L., Landau, J. D., & Hicks, J. L. (1995, February). Providing examples only appears to constrain the cognitive components of creativity. Poster session presented at the Annual Meeting of the North Carolina Cognition Group, Raleigh, NC.
- Marsh, R. L., & Hicks, J. L. (1994, November). The contribution of attentional mechanisms in prospective remembering. Poster session presented at the 35th Annual Meeting of the Psychonomic Society, St. Louis, MO.

Grant Activity:

Funded proposals

- Louisiana Board of Regents, 1-year duration (July, 2009), *Enhancement of Cognitive Science Research Activities through Improved Computer Technology*. Role: Co-Investigator with Dr. Emily Elliott (PI) and Sean Lane (Co-Investigator). \$42,000.
- Louisiana State University Council on Research Faculty Research Grant (Spring, 2004). *The effect of retrieval cues on memory for context*. \$5,695 award.
- Louisiana State University Summer Stipend Program (Summer, 2000). *The impact of knowledge organization on false memory*. \$5,000 award.
- Sigma Xi, Grants-in-Aid-of-Research (1994 -1995). *Psychological correlates of remembering to carry out one's intentions*. \$600 award.

Pending and Unfunded proposals

- Louisiana Board of Regents, 5-year Departmental Enhancement (November, 2017, unfunded), *ABLE—Analytics for Brain scientists Leveraging Entrepreneurial skills*. Role: Co-PI with 10% project credit; PI: Dr. Melissa Beck. Direct Total Award amount: \$978,654.
- National Institute of Mental Health (2010, unfunded). *Memory and Cognition in Children with Specific Phobia*. Role: Co-PI with PI Dr. Thompson Davis. \$275,000.
- National Institutes of Justice (2007, unfunded; subcontract through University of Arkansas). *Tracking Down Fugitives and Rescuing Missing Children: An Application of Prospective Person Memory*. Total proposed for my subcontract: \$97,979.
- National Institutes of Health (2003, unfunded; subcontract through University of Georgia). *Interference from Prospective Memories*. \$305,939.

Research Interests:

- False memory
- Source memory
- Prospective memory
- Recognition memory
- Control over memory judgments
