

**Zoom Lecture by**  
**DR. FERNANDO ROSENBERG**

# ***“Human Rights Documentary, Beyond the Human”***

(A talk about how Latin American documentaries illuminate a long history of violence on bodies, territories, worldviews and forms of life. These films take up the imperative to re-imagine our planet.)

**Tuesday, March 16, 4:30-6:00 p.m.**

**<https://lsu.zoom.us/j/5728845761>**

*Dr. Rosenberg is professor and chair of Romance Studies at Brandeis University. His research interests include post-colonial theory, human rights and legal topics in the arts, and environmental issues. This presentation will fuse all these subjects.*

**The lecture will be followed by a Q&A session**

*This event is sponsored by the LSU HSS Strategic Excellence Fund, the Department of Foreign Languages & Literatures/Spanish section, the Department of English, and the Jewish Studies Program.*
