SOCIAL SCIENCES

The art of understanding the human society and psyche is not limited to understanding those who live in the United States. In order to properly and fully grasp the entirety of the social sciences, you have to have a broader point of view. This year, take your sociology and psychology courses in a foreign country and gain a new perspective on our global culture. Academic Programs Abroad is here to help you spend a semester or a year at these universities offering classes in the social sciences and more.

With all these exciting options, **why not geaux?**
