

Museum of Natural Science

Fall 2019

Museum Seminar Schedule

*Seminars begin at 3:30 in the main gallery of Foster Hall

FOLLOW THE LSUMNS!

August 30 - Roberta Canton and Diego Paredes
Dept. of Biological Sciences & Shirley C. Tucker Herbarium, Louisiana State University
*Titles: "Population structure and gene flow in the absence of a current physical barrier in the Amazonian parakeet *Brotogeris sanctithomae*"*
and "Updating the knowledge of the Melastomataceae family in a poorly-studied Andean area"

September 6 - Dr. Jonathan Richards
Dept. of Plant Pathology and Crop Physiology, Louisiana State University
Title: "Genomic insights into fungal plant pathogen virulence and adaptation"

September 13 - Jonathan Nations and Subir Shakya
Dept. of Biological Sciences and Museum of Natural Sciences, Louisiana State University
Title: "Travelogues Part I: Borneo and Sumatra"

September 20 - Dr. Terrence Tiersch
School of Renewable Natural Resources, Louisiana State University
Title: "Repository development for aquatic germplasm and genetics resources"

September 27 - Dr. Daniel Warner
Dept. of Biological Sciences and Museum of Natural History, Auburn University
Title: "Adaptive developmental plasticity: case studies of environmental effects on phenotypes and fitness in lizards"

October 4 - Dr. Craig McClain
Executive Director, Louisiana Universities Marine Consortium
Title: TBA

October 11 - Dr. Teague O'Mara
Dept. of Biological Sciences, Southeastern Louisiana University
Title: TBA

October 18 - No Seminar: Fall Break

October 25 - Dr. Ethan Linck
Dept. of Ecology and Evolutionary Biology, University of Tennessee, Knoxville
Title: "Niche conservatism, speciation, and range limits on tropical mountainsides"

November 1 - No Seminar: Rails and Rice

November 8 - No Seminar: Museum Retreat

November 15 - Dr. Maggie MacPherson
University of California, Santa Barbara Institute for Social, Behavioral & Economic Research, and Max Planck Institute for Evolutionary Anthropology
Title: TBA

November 22 - Glaucia Del-Rio
Dept. of Biological Sciences and Museum of Natural Sciences, Louisiana State University
Title: "Travelogues Part II - Brazil: the Emilie Snethlage Expedition"

November 29 - No Seminar: Thanksgiving Break

December 6 - Randy Klabacka
Dept. of Biological Science, Auburn University
Title: "Riverine barriers as drivers of biodiversification in terrestrial fauna of Southeast Asia"
