Program Objective:
The ENH program supports projects that will enhance the infrastructure of academic or research departments/units and to promote economic development. Comprehensive ENH should address multiple departmental priorities or holistic departmental approaches and support the institutional role, scope and mission through a variety of means.

Eligible Disciplines:
- Engineering B (Industrial, Materials, Mechanical)
- Biological Sciences
- Health and Medical Sciences
- Physics
- Social Sciences
- Humanities
- Agricultural Sciences
- Astronomy
- Targeted Workforce

Project Period:
Up to 5 years (start date June 1, 2020)

Maximum Funding Request:
Up to $1 million
Total request for year 1 may not exceed $300,000
Total request for years 2-5 may not exceed $200,000

Notes:
1) Each eligible department/academic unit is limited to one submission, though it may also participate with other units in up to one campus-wide proposal submitted under the Multidisciplinary category.
2) Departments with an active Comprehensive Enhancement award may not submit a Comprehensive Enhancement proposal until the active contract has terminated and a final report has been submitted and approved.

What Can ENH Funds Support?
- Equipment
- Supplies
- Installation
- Personnel training
- Other expenses

What F&A Rate Should I Use?
- Requested Funds*
- No F&A allowed
- Matching Funds*
- 48% of MTDC for Research
- 49% for MTDC for Instruction
- 35% for MTDC for Public Service

*MTDC = Modified Total Direct Costs

Additional Budgetary Guidelines: Except in compelling and unusual circumstances support for faculty or staff salaries should not be requested. PI must use the Excel budget spreadsheets provided at LSU’s OSP website. These spreadsheets contain additional budget information and will automatically calculate fringe benefits, indirect costs and the composite budget page.

If Graduate Assistant (GA) tuition remission is budgeted as institutional match, the GA must be appointed and charged as proposed in order to ensure the tuition remission match is met.
