I. Courses:

- Approved 2 course adds. (See Attached)
- Conditionally approved proposals for:
 - MUS 7705 ADD ADVANCED SCHENKERIAN ANALYSIS - The 14 week plan needs additional details. MUS 7704 change needs to be submitted to remove repeat option. If that's not coming, the line should be removed from the justification. What are the weekly assignments going to be? If weekly assignments are also referred to as homework this should be consistent throughout.
 - HIST 4092 CHG CHINA SINCE 1600 – MODERN CHINA – given the timeframe does the word “Modern” make sense as a course title?
 - SOCL 7901 CHG INDEPENDENT READING - Why is it that the department wants the change to satisfactory/unsatisfactory? What are the expectations for passing the course, how will that be judged?
 - SOCL 7902 CHG INDEPENDENT RESEARCH The title is inconsistent on the Form C. Is it independent research or independent reading and research? Why is it that the department wants the change to satisfactory/unsatisfactory? What are the expectations for passing the course, how will that be judged?
 - SOCL 7903 CHG PROSEMINAR IN SOCIOLOGY- Is this a new course? The committee suggests you keep 7901 but correct the form to be 1 hr. and not repeatable. Create a new course 790X to be the standalone, unrepeatable 2 credit hour course with a new syllabus, etc.
 - SOCL 8900 CHG RESEARCH IN SOCIOLOGY - Why is it that the department wants the change to satisfactory/unsatisfactory? What are the expectations for passing the course, how will that be judged?

II. Curricula:

- Approved 1 curricular add. (See Attached)
- Conditionally approved proposals for:
 - CM CURR CHG CONSTRUCTION MANAGEMENT CURRICULUM – The committee doesn't think adding Math 1022 or 1023 as a requirement for all CM majors is a good idea. It is indeed adding another requirement that they would not test out of by adding MATH 1550. The committee suggests simply moving MATH 1550 in the critical requirements from semester 1 to semester 2. The committee wonders if you really want to add Math 1022 or 1023 as a critical requirement because it adds an extra requirements for all cm majors that would not be satisfied by completing math 1550.
 - PMUSC CURR CHG MUSIC THEORY PHD SPECIALIZATION – please include a justification for the change to the curriculum.
 - PMUSC CURR CHG MUSIC HISTORY PHD SPECIALIZATION – please include a justification for the change to the curriculum.
 - MMUS CURR CHG MUSICOLOGY MM – please include a justification for the change to the curriculum to reiterate why it is that the course needs to be added to the curriculum.
 - MSW CURR CHG SOCIAL WORK, MSW – the committee does not understand the non-thesis option but still offer the curriculum “an option to do the thesis.” If you have any questions, contact the chair Dr. Hopkins.
