ORED FOO	CAL AREAS	
Identify which of the seven priority research focal areas will be supported the ORED Focal Areas may be found in the ORED Strategic Plan.	by this project. (Check all that app	ly.) Additional information about
<b>Individual Behavior &amp; Community Context</b>	Conventional and Rene	ewable Energy (CR&E)
Communication & Expression	Materials Science & Er	ngineering (MS&E)
Biological, Biotechnology & Biomedical Research (B <sup>3</sup> R)	Core Computing/High	Performance Computing (CC/HPC

## **REQUIRED QUESTIONS**

Briefly describe the intellectual contribution of the project and the potential benefit to the university.

Coastal Sustainability & Environment (CS&E)

Explain how the project is multi-disciplinary and/or multi-institutional in nature.
Describe the long-term impacts for both LSU's research mission and the State of Louisiana.
If applicable, describe how the proposed project will either establish a major national center of excellence or lay the foundation for establishing one in the near future.
ATTACHMENTS  The RFP must be provided either as an attachment or as a URL in the appropriate section above. If the proposed project was previously submitted
for funding but was not successful, reviews for prior submissions should be attached. If additional space is needed to answer any of the above questions, additional documents may be attached in a single file. (Check all that apply.)
