Sample Child Assent Form

I, __________________________________, agree to be in a study to find ways to help children act better in school. I will have to do special school work for the teacher's aide in my classroom. Sometimes I will do math and reading. Other times I may get to play a game with another student. I have to follow all the classroom rules, even when I am working with the teacher's aide. My participation will be audio or video recorded. I can decide to stop being in the study at any time without getting in trouble.
