Proposal Development : ORA Primary Engagement*

*if this box is checked, you **MUST** fill out the attached form

ORA assumes primary responsibility in working closely with PI/PD and co-investigators in the development of all supportive aspects of a strategic proposal, including financial, organizational, graphic, and English and scientific editing assistance. ORA will work closely with OSP to prepare the application for OSP approval and submission to Sponsor.

ORA Ad hoc Engagement

ORA assists PIs, Departments, and/or Colleges in the preparation of strategic grant applications by providing the specific services listed below. The PI/Department/College assumes primary responsibility for the final preparation and submission of the application to OSP and Sponsor.

COLLABORATORS

Co-PIs:

Departments/Units:

Additional special facilities, services, centers involved in the project:

If multi-institutional, identify additional collaborating partners/institutions:

ORED FOCAL AREAS

Identify which of the seven priority research focal areas will be supported by this project. (Check all that apply.) Additional information about the ORED Focal Areas may be found in the [ORED Strategic Plan](#).

Individual Behavior & Community Context

Conventional and Renewable Energy (CR&E)

Communication & Expression

Materials Science & Manufacturing (MS&M)

Biological, Biotechnology & Biomedical Research (B³R)

Core Computing/High Performance Computing (CC/HPC)

Coastal Sustainability & Environment (CS&E)

REQUIRED QUESTIONS

Briefly describe the intellectual contribution of the project and the potential benefit to the university.

Explain how the project is multidisciplinary and/or multi-institutional in nature.

Describe the long-term impacts for both LSU's research mission and the State of Louisiana.

If applicable, describe how the proposed project will either establish a major national center of excellence or lay the foundation for establishing one in the near future.

ATTACHMENTS

The RFP must be provided either as an attachment or as a URL in the appropriate section above. If the proposed project was previously submitted for funding but was not successful, reviews for prior submissions should be attached. If additional space is needed to answer any of the above questions, additional documents may be attached in a single file. (Check all that apply.)
