COMMUNITY LIVING

Know your responsibilities and rights as a resident in your community.

Being a member of a community brings a set of rights as well as responsibilities. We encourage you to seek active roles in your community as a leader, student, and peer.

Community Standards
LSU’s residence halls and apartments have established community standards, which are intended to promote the well-being and rights of all community members as well as maintain the facilities and physical surroundings in which the community exists. Resident Assistants (RAs) lead their communities in upholding community standards within the residence halls and apartment communities.

Residents are responsible for all material sent to their LSU email account by Residential Life, and should check it at least once every 24 hours.

Inclusive Housing

All members of our community are responsible for supporting an atmosphere that appreciates individual differences and recognizes each person’s unique contribution to the university. We believe that our students can only achieve their full development as citizens with an environment that supports and promotes the ideas of an inclusive community. Residential Life takes a proactive approach to protect our diverse community by providing educational programming that addresses topics of diversity and social justice.

We partner with other campus offices like the Office of Disability Services, the Office of Multicultural Affairs, the Dean of Students, the Student Health Center and more to meet students’ needs and connect them with appropriate resources. Residence Hall Association - rha@lsu.edu - www.lsu.edu/RHA

The Residence Hall Association (RHA) represents all students living in residence halls and on-campus apartments. RHA acts as a governing body by reviewing and recommending changes in regulations, policies, and physical facilities pertinent and beneficial to students living on campus. RHA also organizes and sponsors educational, social, and leadership activities of benefit and interest to on-campus residents.

RHA is composed of student officers elected by on-campus students. The president, vice president, and elections commissioner are elected at the end of the spring semester. The president and vice president appoint an executive staff, which serves a term that spans one calendar year. All on-campus residents are automatically general members of the RHA and are entitled to cast one vote in all general elections.

Community Council - rha@lsu.edu - www.lsu.edu/RHA

Community Councils reflect the interests and concerns of residents by planning and implementing social and educational programs. Each residence hall and apartment complex is represented by a Community Council, which is comprised of representatives from each hall. The officers are elected at the beginning of the fall semester by residents of the community. Any resident, including freshmen, may run for Community Council positions. Community Councils, with assistance by the Residence Hall Association, conduct their annual fundraiser at the beginning of the year with the Activity Card sale. The funds are then used by the Community Council to hold community activities and enhance the living environment.

National Residence Hall Honorary - nrhh@lsu.edu

The National Residence Hall Honorary (NRHH) is an honorary student organization made up of the top 1% of student leaders in the residence halls. NRHH focuses on two main aspects - recognition and service. To be considered for NRHH, a student must have lived on campus for at least one academic year, maintained a 2.5 GPA, and contributed in excellent ways to your residential community. Each semester students are nominated and inducted into NRHH at a special ceremony in their honor.

Of The Month

- One of the main recognition programs coordinated by NRHH is the “Of the Month” or “OTM” program. Throughout the year, students, faculty, and staff nominate outstanding programs or individuals for an “Of the Month” award. To submit a nomination, visit http://otms.nrhh.org/. Nominations compete at the campus level and have the opportunity to be considered for both regional and national awards in a variety of categories.
ROOMMATES & SUITEMATES

Making the most of living in your new residence hall or apartment community starts with getting settled in and getting to know your roommate. Living with and among others is one of the most exciting, unique, and potentially stressful aspects of living on campus.

Whether you and your roommate are old friends or matched using the roommate finder portal, developing a healthy relationship will help make living in your new room or apartment comfortable. While you and your roommate are not required to become close friends, sharing a living space will ensure you interact with one another on a daily basis. Great roommates openly communicate, respect one another, and willfully compromise.

Before You Move In

The relationship you have with your roommate should start before move-in day. Prior to arriving on campus, be sure to discuss what each of you plan to bring and what kind of relationship you’re hoping to have with one another.

Forging this new relationship before living together might include getting to know each other’s sleeping habits, cleanliness standards, and pet peeves. It’s likely that you and your roommate will differ, therefore it is crucial to be clear about what you want and what are willing to compromise on.

As excited or nervous as you may be to meet your new roommate, keep in mind that social media may not provide an accurate illustration of others. Grant yourself the opportunity to get to know this new person for who they truly are.

Living Together

Once you have made it to campus, take time to get to know your roommate – this can be as simple as sharing a meal in the dining hall, attending a campus event together, or spending time with one another in your room or apartment.

In the first weeks of the semester, roommates will be asked to work together with their RA to complete a roommate agreement. The resident assistant will facilitate the conversation, covering topics including ideal room temperature, guest preferences, privacy and more. It is important to take this process seriously, and to be honest and realistic during your roommate agreement. These agreements serve as a conversational starting point and should be revisited frequently as relationships between roommates grow.
ROOMMATE RIGHTS & RESPONSIBILITIES

The LSU Department of Residential Life is committed to providing students an environment that promotes academic success, personal growth, and connection to community. As a resident in one of our residence halls or apartment community, you have rights. These rights can only be achieved through collective efforts by Residential Life staff, community members, residents, and guests.

• The right to be treated with civility and mutual respect.
• The right to a safe and secure room or apartment, without fear of harm, intimidation, and/or distress.
• The right to sleep without undue disturbance.
• The right to study, read, and learn in your room free of interference.
• The right to adequate privacy.
• The right to respect the property of others and to have your property respected.

CONFLICT RESOLUTION STRATEGIES

Throughout the year, there may be times when you and a roommate or suitemate may come to some sort of conflict. Conflict is normal and part of even the healthiest of relationships. Your success as roommates is not based on whether or not you’ve experienced conflict, but rather how you and your roommate respond to it.

DISCUSS

The first, and most important step to conflict resolution is sharing concern with your roommates; it is possible that your roommate may not be aware that you have this concern. When speaking to your roommate regarding the issue, be sure to keep these tips in mind.

Be Calm – The ways in which you approach the conflict can make the issue easier to address or escalate the conflict. Remaining calm and using appropriate language will help working to solve the issue.

Go to the Source – It’s best to address problems with your roommate, rather than complain to others. Talking to others may only intensify the issue, instead of resolving it.

Use “I” Statements – By using simple “I” statements, you can decrease any implied blame and increase your roommate willingness to talk. “I” statements are simple and convey how you feel about the situation. For example, saying “I feel annoyed when you have guests over at night, because I can’t get enough sleep,” rather than, “You and your guests always wake me up and I can’t get enough sleep, it’s so annoying.”

WORK TOGETHER

Even if you are the one initiating the conversation about a conflict, it is important to realize your role in the situation. Work with your roommate to solve the conflict and make a commitment to listen to one another.

Listen – Even if you are the one bringing up the issue, it is important to listen to what you roommate has to say. Often, conflict is a two-way street, be willing to hear out their concerns, too.

Compromise – More than likely, you and your roommate will not have identical preferences on the room. Be willing to compromise, but stay true to yourself and your preferences.

Think for the Future – Dwelling on a past issue will not help make the relationship with your roommate better. Create a plan to address any conflicts that may arise in the future.

CONSULT

You are not alone when living on campus, your resident assistant and other Residential Life staff are here to support and assist you in resolving roommate conflicts.

Use your Resources – If you have not yet resolved the conflict, your RA can give you helpful techniques to when speaking to your roommate. Additionally, your RA and the other staff in your residence hall or apartment community are able to mediate the conversation among roommates.
The rationale for all policies is that every resident has the opportunity to take advantage of the academic and co-curricular opportunities offered at LSU. In order to ensure that basic right for all residents, we need cooperation. Rules – whether they are state or federal laws, city ordinances, university regulations, or departmental policies – are created for the purpose of clarifying the rights and responsibilities of each individual.

Residents and guests are responsible for becoming familiar with and adhering to policies outlined within the LSU Code of Student Conduct, the Living on Campus Handbook, the housing contract, and Residential Life and LSU policies outlined on the LSU website at lsu.edu/reslife/about/policies.php.

Student Privacy Rights
Information regarding LSU policy about disclosure of student information can be found in Policy Statement 30.

LSU Cares
LSU Cares is a university initiative dedicated to the well-being of students and promotion of a community that cares about each of its members. LSU offers an online reporting system at www.lsu.edu/lsucares to help students, faculty, staff, families, and friends submit reports about:

- Potential violations of the LSU Code of Student Conduct;
- Concerns regarding sexual misconduct and hazing;
- Concerns surrounding acts of bias or discrimination;
- Complaints or grievances; and
- Concerns about students in crisis or distress.

Reports may be submitted by anyone with a concern about the LSU community. Reports may be submitted either with a person's contact information or anonymously. When a report is received, staff will review the details using a CARE approach (Communicate, Assess, Refer, Educate) and then determine a response that includes appropriate campus resources. If there is a possibility that a student may harm themself or others, dial 911 immediately. In the event of an emergency, do not use these forms.
Accountability Process
The goal of the Department of Residential Life’s conduct process is:

- To provide an accountability process that holds students accountable for unacceptable behaviors that occur within an on-campus residential community or that involve on-campus residents
- To protect the rights of all members of the university community
- To educate students regarding the responsibilities inherent in an on-campus residential community, including abiding by policies that are established for the safety and welfare of the community

Documented is the term used by most people in the university community when they are referring to the process that occurs when a staff member or resident witnesses and reports an alleged violation of university/housing policies, as outlined in the LSU Code of Student Conduct, housing contract, and this handbook. In some instances law enforcement may become involved.

In most cases when a student is observed potentially violating a university policy, a Residential Life staff member will identify themselves, communicate which policy has been violated, and request identification from the student. If you find yourself in such a position, you should remember that the conduct system is part of the total educational process and is protective of your rights. Always cooperate, be honest, and produce your LSU ID immediately upon request.

When writing an incident report, the Residential Life staff member will include every detail that was observed before, during, and after the incident. The incident report is reviewed by staff members and makes the best educational decision as to the next course of action. If it is decided that the incident warrants follow-up, a meeting will be scheduled with you by appropriate university staff. At this meeting, you will be allowed to present your side of the story. You will also be allowed to review the incident report when appropriate.

A copy of the LSU Housing Application and Contract may be obtained either online at lsu.edu/housing or from the receptionist in Grace King Hall, and is also provided in Appendix A of this handbook.

More information regarding the Student Conduct Process (RLOP 69) may be found in the policies section of the LSU Residential Life website, www.lsu.edu/housing. Students with questions about the conduct or contractual process should contact the Residential Life Student Conduct Office, or their RLC.

Title IX and Sexual Misconduct
Title IX of the Education Amendments of 1972 is a comprehensive federal law that prohibits discrimination based on the gender of students and employees of educational institutions that receive federal financial assistance.

In accordance with Title IX and other applicable law, Louisiana State University (“LSU”) is committed to providing a learning, working, and living environment that promotes integrity, civility, and mutual respect in an environment free of discrimination on the basis of sex and sexual misconduct which includes sex discrimination, sexual harassment, dating violence, domestic violence, sexual assault, stalking and retaliation. LSU prohibits sex discrimination and sexual misconduct. This policy applies to all persons without regard to sexual orientation, gender identity and/or gender expression.

Sex discrimination and sexual misconduct violate an individual’s fundamental rights and personal dignity. LSU considers sex discrimination and sexual misconduct in all of its forms to be serious offenses. This policy has been developed to reaffirm these principles and to provide recourse for individuals whose rights have been violated. This policy establishes a mechanism for determining when rights have been violated in employment, student life, campus support services, LSU programs and/or an academic environment.

Visit http://students.lsu.edu/deanofstudents/title-ix/ for more information about reporting a violation.

Contract Appeals
The Department of Residential Life Academic Year Contract states, “The terms of this contract is the academic year.” Exceptions may be made for those students who have a significant and/or documented medical reason. All requests for living off campus for medical or other reasons will be reviewed on a case-by-case basis. Information regarding LSU Residential Life Contract Appeals can be found in Policy Statement 42 at www.lsu.edu/reslife/policies.
Return to Housing from Medical or Behavioral Treatment or Care
In the event that a student is transported, voluntarily or involuntarily, to a medical or behavioral health treatment center, the student will be required to provide information to Residential Life in order to return to their on-campus housing assignment.

When a resident’s behavior endangers the life of a person, threatens the functionality of a safe and comfortable community, or a resident has a history of conduct violations, the Department of Residential Life may review the resident’s contract for housing. During this process, a decision to terminate the housing contract, relocate to another on-campus location, or allow the resident to remain in their current location is made.

Room/Apartment Entry by Staff
Authorized personnel may enter a resident’s room or apartment under the following circumstances:

- When occupant in a room/apartment provides permission.
- When there is an immediate threat, or reason to believe that there is a threat, to the health and/or safety of residents or property.
- When it is necessary to preserve campus order, security, or discipline.
- By search warrant issued by a university official pursuant to the LSU Code of Student Conduct or agency of the law.
- During fire drills, alarms, or severe weather evacuations for purposes of routine maintenance repairs or inspections.
- To shut off unattended loud stereos, radios, alarm clocks, telephones, or other noise-producing devices, after attempting to contact the residents of the room/apartment.
- To open doors for suite-bathroom lockouts.
- To conduct health and safety inspections after sending at least 24-hour notice.
- To conduct quarterly pest control treatments.
- To clean bathrooms within suites and apartments.
- To change air filters in heating/cooling units once a month.
- To complete maintenance requests or repairs.
- To conduct end of the semester room inspections.
- To conduct room inspection prior to a resident moving out.
- To conduct room inspections after a resident moves out.

Residential Life staff members will lock any unsecured doors found during the room/apartment entry process.
Annual Security and Fire Safety

Emergency Communication
In the event of an emergency, LSU's Emergency Operations Center (EOC) will be activated. The university has multiple ways of communicating emergency situations to students, faculty, and staff:

**EMERGENCY TEXT MESSAGING SYSTEM**
If you have not already done so, sign up for the university's emergency text messaging system by visiting www.lsu.edu/etxt.

**BROADCAST VOICE MAIL**
Anyone with voice mail capability on their on-campus phone will receive broadcast voice mails.

**BROADCAST E-MAIL**
Anyone with a university e-mail address will receive broadcast e-mails.

**LSU WEBSITE**
Access the university web site at www.lsu.edu for information.

Emergency Preparation
Save the numbers in the yellow box to the left in your cell phone now in case you ever need them. Also, post them in a convenient and visible location at your residence. By saving a few minutes during an emergency, you could save a life.

**Personal Safety**

**What can you do to protect yourself?**

- Avoid walking alone at night unless absolutely necessary. When walking, keep to well-lit, commonly traveled routes.

- Familiarize yourself with campus. Avoid taking shortcuts through dark, isolated areas, especially at night. Walk purposefully, know where you are going, and project a confident image.

- If you feel threatened, contact police via the LSU Shield App, locate an emergency phone, or enter a store or place of business even if you have just left it.

- Have your room and car keys ready; carry them in your pockets or have them easily accessible.

- Lock your doors and windows when you are not in your room or are sleeping.

- Do not post personal contact information such as phone numbers or your on-campus address on public web sites or social media.

- **Don't feel safe walking at night?**
  Call Campus Transit at 225-578-5555 from 5:30 p.m. to 3:00 a.m. every day. If you are coming in late to your residence and do not want to park in the remote lots and walk by yourself, stop by the Public Safety Building on South Stadium Drive and come inside. A driver will follow you to your lot and pick you up and bring you to your residence hall or apartment. You can also call the LSU Police for an escort after 3:00 a.m.

**Community Safety**

**What can you do to protect our residence hall and apartment communities?**

- If you see suspicious persons in or around your residence hall or apartment or feel threatened at any time, contact the LSU Police Department immediately and report it to the front desk of your residence hall or apartment.

- Never prop open a door.

- Never let someone you do not know into a building.

- Observe all policies and procedures.

- Report any security concerns to a Residential Life staff member.

**Adopt-A-Hall Program**

The Adopt-a-Hall program promotes community policing by partnering LSUPD patrol officers with a residence hall on campus. These officers attend social programs in the building and develop informal relationships with the residents, which enables the residents to feel more comfortable around the officers. The officers are also present in the residence halls during safety week, providing students with helpful information regarding how to stay safe on campus.

**LSU Shield App**

The LSU Shield App functions as a portable emergency button you can carry with you at all times, and is free to download on all Android and iOS operating systems. Downloading the Shield App allows you to instantly place emergency calls to local police, fire, and EMS, and also includes the ability to submit a Safety Beacon, which pinpoints your location to LSUPD and indicates you are experiencing an emergency. Non-emergency reports can also be filed through the app if you observe concerning behavior on campus. Finally, the app provides a helpful list of what you should do if you are experiencing various emergency situations.

**Call Boxes**

Emergency telephones have been added to some parking areas and at the entrance of most residence halls. To operate the emergency phone, simply press the red emergency button. It will connect you directly to LSUPD. Speak into the speaker. You may call other on-campus numbers from the phone by pressing the black call button and dialing the telephone number.

**Severe Weather Procedures**

In case of severe thunderstorms or tornados, you should immediately move to the interior of their residence hall or apartment, away from windows. In the event of a hurricane, the university will provide instructions via the LSU website, emergency text messaging system, and Residential Life staff. In all severe weather situations, be sure to stay in contact with and follow the instructions of Residential Life staff members.

During emergencies, such as severe weather, the Department of Residential Life works with the Emergency Operations Center (EOC) to determine evacuation procedures. Once the EOC has been enacted, all members of the LSU on-campus community are required to abide by EOC directives. Prior to an emergency, such as severe weather, you should determine your personal evacuation plan.
**EVACUATION PROCEDURES**

The following locations will be used in the case of an evacuation, such as a fire alarm. Please find the nearest exit and stand at your community’s assigned meeting area and wait for further instructions. If weather or other circumstances are not favorable for assembly outside, residents and staff will go to the indoor location listed. When a fire alarm or evacuation alarm is activated, you are required to immediately evacuate the building.

Cable Television Services
Standard digital cable service, provided by Cox Communications, is included in the room rates of all Residential Life communities. Standard service includes 75 Cox programming channels and six LSU channels. The standard service will be activated before you arrive. You will be responsible for providing the cable cord to connecting the incoming line to your television set. A converter must be provided by the resident if their television is not digital compatible.

Cox expanded service cable is available at an additional cost. To order Cox expanded service cable or to report any cable-related problems, call 225-615-2005, or visit the Cox representatives stationed on the first floor of the LSU Student Union.

Computers & Internet
Computer labs are available in all on-campus communities. As an on-campus resident, you may use the computer lab by logging in with your PAWS ID. Most labs are open 24 hours. Laser printing is free, but residents must supply their own paper. E-mail stations are available in the lobbies of most residence halls. This allows priority to be given to students using the computer labs for academic purposes.

Ethernet data ports are available in each room for you to connect a personal computer directly to the campus network. Additionally, all residence halls and apartments have high-speed wireless Internet connectivity. High-speed data connections, both wired and wireless are included in the room rate.

For problems related to computer labs/e-mail stations in Residential Life areas or any personal computer, contact the Residential Life Computer IT Support Office at 225-578-0560 or www.lsu.edu/reslifetech.

Dining Services
All first and second-year students living in on-campus residence halls are required to participate in one of the university meal plans offered by LSU Dining. LSU Dining’s flexible meal plans offer a combination of meals which are served in the all-you-care-to-eat dining halls and Paw Points which can be used like dining dollars at any retail LSU Dining location around campus. There are two dining halls on campus, one located on the east side of campus and one located on the west side of campus. For more information regarding meal plans, visit www.lsudining.com or call LSU Dining at 225-578-4300.

Distribution of Advertisement
LSU departments and registered student organizations may present items to be posted within on-campus communities by taking the items to 210 Grace King Hall for approval and distribution. The name of the department or student organization must be on the advertisement to be posted. Advertisements that are meant to solicit business will not be approved for posting within on-campus communities. More information regarding the advertising policy (RLOP 68) can be found in the Policies section of the LSU Residential Life website, www.lsu.edu/housing.

Facility Reservation
Residents may reserve space within or near a residential community by completing the process outlined in RLOP 67, found in the Policies section of the LSU Residential Life website, www.lsu.edu/housing. Use of Residential Services...
Life facilities is limited to residents and the Department of Residential Life.

**Front Desk**
A front desk services all residence halls and apartment communities, although some may be housed in a building other than your own. Front desk locations are noted in the “Important Numbers” section at the end of this publication. Your community’s front desk can assist you in placing maintenance requests, issuing a temporary key to your room or apartment, and locating other on-campus resources. All desks are staffed 24-hours a day.

**Heating & Cooling**
Heating and cooling equipment operate on a system of heated and chilled water. Because the system cannot be switched back and forth quickly, LSU Facility Services evaluates the weather patterns to determine when to switch on and off heating and cooling systems. Residents who have university installed window units are required to keep the air-conditioner plugged into the proper electrical outlet. Personal and/or privately owned air-conditioning units are not allowed in the residence halls and apartments.

**Insurance—Property**
LSU assumes no responsibility for any loss or damage to your personal property. If your belongings at school are not covered by a parent’s homeowner’s policy, you may obtain personal effects coverage through a university-approved company. Information on this topic is available on the Residential Life website.

**Laundry Facilities**
You are responsible for your own laundry items and for following the proper procedures in washing and drying. The university does not offer a linen service. It is your responsibility to learn the proper operation and care of the items by reading the appliance guidelines.

**Laundry in the Residence Halls**
Washers and dryers can be found in residence hall laundry rooms. All laundry facilities are equipped to accept either coins or TigerCash. You can check the availability and status of washers and dryers by logging on to www.laundryalert.com and entering the password LSU3733. You can also have an e-mail sent telling you when the laundry cycle is complete or when a machine becomes available.

**Adding and Tracking Funds:**
Tracking your funds for laundry could be done online at https://tcard.lsu.edu. Here you would be able to add funds via credit/debit card and/or check and manage your account.

**Laundry in the Apartments**
A washer and dryer are included in each apartment.

**Mail Delivery**
For the most up to date information on mailing procedures, refer to the University Auxiliary Services website at www.uas.lsu.edu.

All on-campus residents will be assigned an LSU Box at the mail center in the LSU Student Union, and the charge is posted on the student fee bill.

To claim a box and key, visit the mail center in room 101 in the LSU Student Union. This box will be able to receive both regular mail and packages. Your name and mailbox number must be on all mail and packages. You will receive a pick up notification via e-mail when a package arrives and should bring a picture ID to claim packages.

*To send mail and packages to an LSU Box, please follow this address format:*  
Student’s Name  
101 LSU Student Union Bldg.  
LSU Box # _ _ _ _  
Baton Rouge, LA 70803

Residential communities will accept deliveries (from local businesses only) of flowers, cut fruit bouquets, or cookie bouquets. For the safety and security of residents, the residential front desk staff is unable to verify, identify, or disseminate the contact information (including phone numbers) of specific residents. If the delivery agency requires a signature or direct contact with the receiving resident, the aforementioned student’s phone number must have already been provided with the order by the ordering party. After receiving delivery, the front desk worker will notify the resident through their LSU e-mail that they have a package to pick up. The Department of Residential Life is not responsible for lost packages.

**Use the following address format when receiving perishables (ONLY those mentioned above):**  
Student’s name  
Room number and building name  
Louisiana State University  
Baton Rouge, LA 70803

All students living on campus are charged a mailbox fee each semester. This charge is incorporated into the residence hall rent charge on the fee bill. This applies to all the residence halls, residential colleges, the Laville Honors House, and apartment communities (with the exception of Edward Gay Apartments). Students who officially resign from the University or move off campus before the 14th day of class can get their mailbox fee refunded. After the 14th day of class there is no refund of the mailbox fee.
Maintenance
The Department of Residential Life staff provides safety equipment inspections, general maintenance (painting, plumbing, electrical maintenance, and carpentry), and custodial services. Residential Life custodians clean all public areas of residence halls and apartments, including lobbies, hall and suite bathrooms, corridors, study rooms, kitchens, and laundry rooms. However, you are responsible for cleaning your own room.

If you have maintenance needs or damages, report them to the front desk or online. If the problem is not resolved, the RLC should be contacted. Maintenance personnel are on duty from 7:30 a.m. – 4:00 p.m. weekdays. If emergency repair work is needed after 4:00 p.m. on weekdays or anytime on weekends, consult the front desk.

Parking
Selection of your parking tag occurs when you register for classes. You are responsible for following all university parking regulations. A copy of these regulations may be obtained from Parking & Transportation Services, located in the Public Safety Building or by calling 225-578-5000.

Pest Management
The Department of Residential Life manages a proactive program to eliminate pests (roaches, ants, spiders, etc.). All residence halls and apartments are treated quarterly. Additionally, there are perimeter treatments designed to eliminate unwanted pests from our residence halls and apartments. However, poor housekeeping in your room can be an attraction for a pest looking for a new home or food. A pile of clothes and food crumbs on the floor offers a home and a meal for an unwanted guest. If you discover a pest in your room, notify the front desk immediately.

Telephones
Local phone service is not automatically provided in student residence hall rooms or in apartments. If you want local phone service in your room, you will still be able to do so at a monthly rate. You will need to contract directly with the LSU Information Technology Services (ITS) department. You can use your myLSU account to activate the local service, or go to the ITS offices in the Fred Frey Computing Services Center. Once you have contracted for the service, it will be added to your fee bill, and the phone jack located in your room will be activated.

Vending / Ice
For your convenience, there are vending and ice machines located in most residence halls. Please see your RA for location.

Vending machines are also located in the ECA and WCA activity centers. There are not ice machines located at the apartment communities.

1. **ACCEPTANCE OF CONTRACT:** Provide your signature, age, and date in the designated blanks at the end of this contract. If you are less than 18 years of age, your parent or guardian must also sign and date the form. By signing this contract, you are agreeing to the terms and conditions set forth below.

2. **DEFINITION OF TERMS:**
   a. This contract governs all residence halls, East/West Campus Apartments and Nicholson Gateway Apartments.
   b. The term “residence halls,” “building” or “room” applies to East/West Campus Apartments and Nicholson Gateway Apartments as well.
   c. The term “Academic Year” is based on the LSU regular academic calendar published in the LSU General Catalog.

3. **CONTRACT PERIOD AND ELIGIBILITY**
   a. You must be a full-time LSU student or participant in an LSU approved program to live in an LSU residence hall for both fall and spring semesters. Dropping to part-time status after a semester starts, however, shall not terminate this contract. If space is available, Residential Life at its sole discretion may permit a part-time LSU student to live in a residence hall.
   
   b. Length of Contract:
      i. Students living in residence halls, except East and West Campus Apartments and Nicholson Gateway Apartments, have a 9 month contract. Residence halls will close for the break between the fall and spring semesters when classes are not in session. LSU does not guarantee temporary or interim housing during breaks between semesters for students in residence halls closed during these periods.
      ii. Students living in East Campus Apartments have a 9 month contract and may remain between the fall and spring semesters when classes are not in session. Students requiring summer school housing will be required to relocate out of East Campus Apartments.
      iii. Students living in West Campus Apartments have a 9 month contract and may remain between the fall and spring semesters when classes are not in session. Students in WCA registered for summer classes may extend their contract to 12 months, LSU does not guarantee summer placement in the student’s same spring or fall apartment. Student must have a future fall booking in a residence hall or apartment to be eligible for summer school housing in West Campus Apartments.
      iv. Students living in Nicholson Gateway Apartments have the option of a 9.5 month or 12 month contract. A 12 month contract is available at the time of application or student may opt-in at a later date. Registration for summer classes is not required to occupy a Nicholson Gateway Apartment during summer months; however, student must have a future fall reservation in Nicholson Gateway Apartments to be eligible for housing during summer months. Students wishing to live in Nicholson Gateway Apartments for summer only must be registered for summer school classes and have a future fall booking in a residence hall or East/West Campus Apartments.
   c. **Occupancy Dates:**
      i. Residence halls typically open in August the week before classes start and close on the last day of finals for each semester.
      ii. East and West Campus Apartments typically open the week before classes start and close the last day of spring finals. Exception: special condition apartments in WCA that have a later move-in date than the remainder of WCA. Students in special condition apartments are notified of restriction at the time room assignment is made.
      iii. Nicholson Gateway Apartments open on August 15 and close on May 31. Dates of summer occupancy are June 1 to July 31.
   d. If your academic program operates on a different calendar from that of the regular Baton Rouge campus (such as programs offered through the Paul M. Hebert Law Center), be aware that East Campus Apartments and the residence halls (excluding West Campus Apartments) may be closed during some periods in which your academic program operates.
   e. Moving out of the residence halls before the end of spring semester is a violation of this contract, and you shall pay charges and penalties as outlined in section 7 below.
4. ASSIGNMENTS
   a. Assignment and Sublease: This contract is for space within the residence hall system and not for a specific building or room. Assignment and/or subleasing is prohibited. No provision of this contract shall be transferred or assigned. LSU reserves the right to reassign you to a different room or building.
   b. Room Changes: If for any reason you are required or allowed to move to a different residence hall room, you will be charged or refunded the difference between the two rates (prorated for the remainder of the term). If for any reason you are required or allowed to move to an Edward Gay apartment as the renting student, the remaining prorated portion of your residence hall rent will be credited toward your apartment rent. If for any reason you are required or allowed to move to an Edward Gay apartment but not as the renting student, charges related to the application fee, advance rent and rent shall be as outlined in paragraphs 6 and 7 below.
   c. Partial Occupancy: Residence hall rental rates are based on your room being occupied at its normal capacity. During fall and spring semesters, if your room becomes occupied at less than normal capacity, you may be contacted by Residential Life to exercise one of the following choices:
      i. Pay the additional rent for a private room.
      ii. Request assignment to another room or to pull in a desired roommate into the unoccupied space.
      iii. Identify that you are willing to accept a roommate at any time as directed by Residential Life, which includes leaving the open space available for move-in at all times.
   d. Ineligible Occupants: Rooms may only be occupied by residents assigned by Residential Life. If you allow anyone else to move into or stay in your apartment, suite, or room, you may be removed from campus housing. Overnight guests are permitted in residence halls; refer to Living on Campus Handbook for conditions and approval process.
   e. Online Renewal: You may be given the opportunity to renew this contract via the Internet to live in the residence halls, East or West Campus Apartments or Nicholson Gateway Apartments. If you choose to renew online, you will be bound by and subject to all the terms and conditions of this contract and any additions, deletions, or modifications contained in the online version that you accept, authorize, or agree to electronically in the manner prescribed online in lieu of a handwritten signature. A non-refundable $250 advance rent payment is required for renewals.
   f. Housing Cancellation/Withdrawal: You must submit any housing cancellation at lsu.edu/cancelhousing. Charges for cancellation/withdrawal and any refund shall be determined as outlined in sections 6 and 7 below.
   g. Room assignments and inspections: LSU reserves all rights in connection with assignment of rooms. LSU shall have the right to inspect rooms.

5. RENTAL RATES:
   a. The amount will be as established and published by the Department of Residential Life for the assigned room. Rates will be posted in the Department of Residential Life, located in 99 Grace King Hall, Baton Rouge, Louisiana 70803.
   b. Payment shall be made or deferred no later than the first day of class for the fall, spring and summer semesters, respectively.
   c. Basic cable service is included in all rooms. Additional cable services are obtained by contacting Cox Communications. A high-speed data connection and wireless high speed internet are included for each student in his/her room.
   d. Rental rates are subject to change at the beginning of any academic term.

6. ADVANCE RENT/APPLICATION FEE:
   a. A $250.00 advance rent payment and $50.00 non-refundable application fee shall be paid to the university when a housing application is submitted. Applicable transaction fees may apply based on payment method.
   b. The amount of an advance rent refund, if any, shall be determined as of the date the Department of Residential Life receives cancellation notice at lsu.edu/cancelhousing according to the following schedule:
      i. New contracts:
         1. Before May 1: $250.00 refund
         2. Before June 1: $125.00 refunded
         3. June 1 or after: entire advance rent payment is forfeited
      ii. Renewed contracts: cancellation at any time after renewal forfeits entire advance rent payment

7. REFUNDS/FEES/PENALTIES/WITHDRAWALS/CANCELLATIONS: If you cancel your housing assignment or withdraw your housing application, you will be charged or refunded rent as follows:
   a. Cancellations received after July 1 but before August 1: a $175 cancellation fee will be charged.
   b. Cancellations received after July 31 but before fall classes begin: you are responsible for 25 percent of the fall rent of the lowest priced room offered for the fall term.
   c. If you check into your room and cancel before fall classes begin, charges will be calculated as in sections 6.a. or 6.b.
   d. Cancellations received on or after classes begin for the fall semester but during the fall semester:
      i. If you resign from LSU, you are responsible for 25 percent of the remaining rent for your room for the fall semester and will be charged a rent penalty for the spring semester (75 percent of the lowest priced room offered). After the 14th class day of the spring semester, if you have not registered for classes at LSU, the rent...
8. CONDUCT:
   a. You shall abide by the terms and conditions of the Code of Student Conduct and all rules and policies of the Department of Residential Life and LSU.
   b. Termination of Contract: LSU, at its sole option, may terminate this contract for violation of the terms and conditions of this contract or for any violation of LSU policies, regulations, Living on Campus Handbook, the law or the Code of Student Conduct. Failure to strictly or promptly enforce any of the terms and conditions of this contract by LSU shall not operate as a waiver of any of LSU’s rights as provided herein. You must advise LSU Residential Life immediately if you are arrested for, convicted of, or plead guilty to a crime other than a minor traffic offense or if any such criminal action is pending or expected to be brought against you. LSU, at its sole option, may terminate this contract if you complete, withdraw, or are removed from the approved LSU program which enables you to live in LSU housing.
   c. Safety Hazard: LSU, at its sole discretion, may terminate this contract without prior notice if it reasonably believes that your continued occupancy presents a safety hazard to yourself or others or that it is detrimental or disruptive to others.
   d. Tobacco Free: The use and possession of tobacco and tobacco products is prohibited on campus. All halls and apartments are tobacco free. Use of any tobacco product or electronic cigarette is not permitted inside any residence hall and apartment rooms, lobbies, hallways, bathrooms, or any other area inside or around the building.
   e. Prohibited Items: pets, guns (including but not limited to firearms, BB guns, pellet guns, air pistols, and paint guns), ammunition (including spent shell casings), explosives, and illegal drugs are not allowed in LSU residence halls and/or apartments under any circumstances. Any violation of this provision may result in immediate termination of this contract, and you shall not be entitled to any refund for rent or advance rent or application fee.
   f. Alcoholic beverages: Possession and consumption of alcoholic beverages in LSU residence halls shall be in accordance with Residential Life, LSU, state, and federal regulations, statutes, and policies.

9. LIABILITY FOR DAMAGES OR LOSS: You are liable and shall pay for any damage you or your guests cause to university property. You may also be held liable for and shall pay a share of damages to your residence hall. LSU assumes no responsibility and shall not be liable for any loss of or damage to your personal property and you agree to hold LSU harmless for any such loss or damage.

10. EQUIPMENT MALFUNCTIONS: In the event of a malfunction of mechanical equipment in your residence hall, university
personnel shall make an effort to restore operations. Partial refunds of rent are not made for suspension of services caused by equipment malfunctions. If suspension of service is prolonged, Residential Life at its sole option may terminate this contract and refund the remaining part of the semester rent. If a particular malfunction continues for more than 10 days, you have the option to request to be moved to another room and you will be reassigned, provided space is available. In that case, if you exercise the option to request assignment to another residence hall, you shall be charged or refunded any difference in rates.

11. VACATING PREMISES:
   a. Upon expiration or termination of this contract, you agree to vacate the premises, as instructed, upon notice of same, removing all personal items and refuse and leaving the premises clean and in good condition, normal wear excepted.
   b. If you fail to follow the proper procedure to check out of your room, you will be assessed a service charge of $50. In addition, if you fail to check out by the date and time announced for the closing of your hall or the end of your occupancy period, you will be assessed an additional service charge of $25 for each hour or portion thereof from that announced time until the time you complete a proper checkout. This is in addition to any other damage charges or service fees for which you may be liable. Any items left in your room are subject to a $300 item removal and disposal charge.
   c. Upon termination of this Agreement, all personal property and refuse belonging to you or others must be removed from LSU property. If you fail to do so, you will be charged $300 for removal and disposal of any such property or refuse.

12. PROPERTY: You hereby agree to hold the university, its agents, employees and contractors harmless for any loss or damage of personal property remaining on LSU property after termination of this contract. Further, you agree to indemnify and defend the university, its agents, employees and contractors as to any suits, claims, or demands alleging loss or damage of property of others that was left in your room or apartment or in your possession, custody, or control.

13. PHOTO/VIDEO DISCLOSURE & RELEASE: Residential Life has the right to reproduce, use, exhibit, display, broadcast, distribute and create derivative works of university related photographs or videotaped images taken in public spaces of on-campus housing residents, visitors and guests for use in connection with the activities of the university and Residential Life or for promoting, publicizing, or explaining the university and Residential Life. Residential Life and the Division of Strategic Communications is relinquished from and given all rights, title, and interest a subject may have in the finished photographs, print pieces, electronic versions, videotapes and/or sound recordings for the purpose and promotion of Louisiana State University by the LSU Division of Strategic Communications and/or the Department of Residential Life.
