September 16th**

12 pm

**Jambalaya Lunch
(outside Williams
Hall)**

1 pm

**Doing the Demos
(Williams 103)**

~2 pm

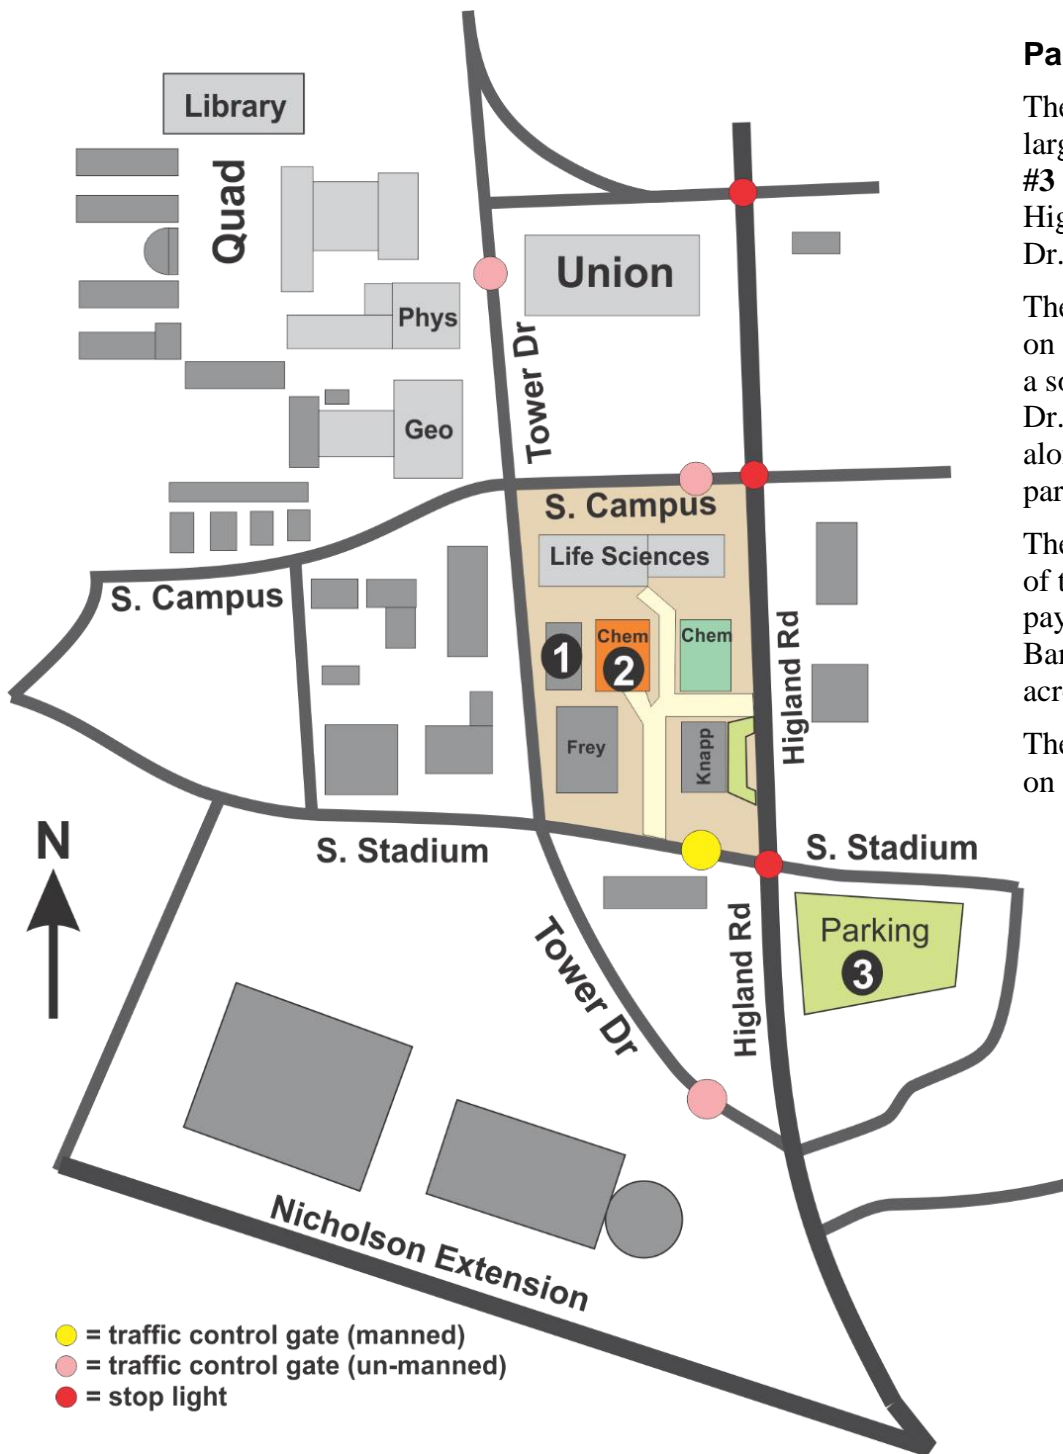

**Better Ice Cream
Through
Chemistry**

**All welcome. To guarantee a seat,
please RSVP to Charlotte Moore by September 10th.**

Directions and Parking Information

Williams Hall is marked as #1 on the map below and is located on Tower Drive (but there isn't any parking on Tower Drive next to Williams Hall, so don't try to park there). Williams 103 lecture hall is on the first floor next to the central breezeway that cuts through Williams Hall.

Choppin Hall, the main chemistry building, is right next door and is marked #2. The free jambalaya lunch will be held between Williams and Choppin Halls. Salad, drinks, and cookies will also be available. Lunch seating will be available outside, in Choppin Hall lobby, and in the Williams 103 lecture hall (in the case of poor weather).

Parking:

The best place to park is in the large Ag parking lot (marked as #3 on the map) at the corner of Highland Rd. and South Stadium Dr.

There is also a small parking lot on the south side of Knapp Hall, a somewhat larger lot on Tower Dr. south of S. Stadium Dr., along with a fair bit of street parking.

There is also a parking lot south of the LSU Union and the large pay parking garage behind the Barnes & Noble Bookstore across from the LSU Union.

The traffic control gates are open on the weekends.
