

CHANGE/DECLARATION OF MAJOR/MINOR

For current College of Science students only

Name: _____

Email: _____

LSU ID: _____

Phone Number: _____

Anticipated Graduation Date: _____

Future Career Plans/Goals: _____

This form is for College of Science students who need to make changes to majors/minors. Please check the appropriate box to indicate whether you wish to add, delete, or change a major or minor.

Note: If you are currently enrolled in UCAC or UCFY, you will need to visit that office to make changes to your major/minor.

If adding or changing a major, please refer to the list of majors and concentrations on the back of this form and include a concentration if one is required in your selected major.

College of Science Majors

- ◆ **Biochemistry** – BCH
- ◆ **Biological Sciences** – BIOL
 - Biological Sciences (no concentration) – BIOL
 - Secondary Education – BIOLSE
 - Marine Biology – MARINE
- ◆ **Chemistry*** – CHEM
 - Biological Chemistry – BCHEM
 - Chemical Physics – CHEMPH
 - Chemistry & Second Discipline** – CHEMSD
 - Secondary Education – CHEMSE
 - Materials – CHMMAT
 - Chemistry – CHEM
 - Polymers – CHMPY
 - Environmental Chemistry – ENVCHM
 - Pre-professional Chemistry – PPCHEM
- ◆ **Geology*** – GEOLP
 - Environmental Geology – ENVGEO
 - Geology – GEOLP
 - Geophysics – GEOP
- ◆ **Mathematics*** – MATH
 - Actuarial Science – MACTSC
 - Secondary Education – MATHSE
 - Mathematical Statistics – MATHST
 - Mathematics – MATH
 - Computational Mathematics – MACMP
 - Math & Second Discipline** – MASD
- ◆ **Microbiology** – MBIO
- ◆ **Physics*** – PHYS
 - Astronomy – ASTR
 - Medical Physics – MPHYS
 - Physics & Second Discipline** – PHYSD
 - Physics – PHYS
 - Secondary Education – PHYSSE

College of Science Minors

- Biological Sciences
- Chemistry
- Geology
- Mathematics
- Nuclear Science
- Physics

Note: College of Science majors can pursue minors offered by other departments outside of the College of Science. For a full list of minors available to undergraduate students, consult the LSU General Catalog.

* A concentration is required in this major.

** This concentration requires student to submit an approved second discipline form.
