Resolution 02-02 Request LSU faculty be able to review administrators on the Velocity Squared website

October: First Reading
November: Second Reading, Defeated
Presented by Ron Snider (proxy for Senator Paul Bell)

Whereas LSU and A&M College students have computer access to evaluate professors and instructors through the VelocitySquared website (www.universitytools.com),

Be it resolved: VelocitySquared is to be used to allow LSU and A&M College faculty members to evaluate Department Heads, Directors, Deans, and higher university administrators. Additional financial support to VelocitySquared will be the responsibility of the Office of the Provost.
