Academic Year F20/Sp21

1. Proposals down 1/2 to 2/3 due to the pandemic.
2. Supplied faculty opinions to Faculty Senate on changes to drop and withdrawal policy due to the pandemic.
3. Created policy to streamline changes in Math courses that affected a large number of programs across campus.
4. At the request of Academic Affairs, C&C is helping to develop new policy to handle program specific technical standards that require

waivers of certain accessibility requirements. This involves collaboration with IT, AA, ODS, and the Legal Team.

Concerns noted:

LSU currently has no excused absence policy for students admitted after the 1st day of classes. C&C recommends the Faculty Senate to consider revisions to PS22 in order to give faculty and students guidance for this situation.'
