OLD BUSINESS

Second Reading, Resolution 20-01, “Class Cancellations for Athletic Events”

Q&A:
- Request to change days to hours—faculty were notified the Friday before the game.
- Four-page request overwhelming
- Do we really believe that missing one day of classes reduces career readiness?
- Injuries mentioned in resolution dubious

NEW BUSINESS

Sponsored by Kevin Cope and the Faculty Senate Executive Committee
Q&A:
- What would be the response from administration?
  - FSEC will work with administration toward an agreement to remove the censure.

Motion to suspend rules and move to a vote.
Vote: Resolution passes.

First Reading, Resolution 20-04, “Gender Equity in Health Insurance Benefits”
Sponsored by the Benefits Advisory Committee and the Faculty Senate Executive Committee
Q&A:
- Change word admonish
  - Strongly advise, request
- If we increase coverage, will our premiums also increase?
  - It is a possibility. The issue we are looking at is equality for your dependent children. The other problem is that we at LSU pay more for our coverage. We are paying more and getting less than we should.
We also have gender discrimination.
  o Because of the loophole in the Affordable Care Act, this is not unique to LSU. We cannot have an insurance plan that is distinct from the state. However, we are lacking coverage specially for maternity or pregnancy for our insured dependents.
