PRESENTATION:

Maggi reported that Missy's sound system is broken. We are checking on using Union sound system.

Need Leigh to check on crawfish. Thinking about 3 pounds per person (would work out to 10 people fed per sack).

Start selling tickets for estimates a month or so in advance

Depending on price of crawfish, \$12-15 per serving and \$6-8 for jambalaya

\$1 raffle tickets for gift cards

Use tickets to keep track of who has paid

Jacquelyn is working on a sponsor

Need Tammy to check on a handwashing station.

Block off space in front of Union for drive through pick up? Reserve space in parking garage?
