Committee agreed that Senator Steib should report on the SAVE Act at the November Staff Senate meeting.

Continued discussion on an LSU Staff Day at the State Capitol during the legislative session. Group will contact Jason Droddy to discuss idea and Staff Senate Exec would be invited to meeting.

This would strictly be a meet and greet with legislators who represent the LSU area and to sit in on some legislative committee meetings (Education). No politics-strictly providing information on programs and initiatives if asked and putting a face

on the LSU staff. Those who attend will take annual leave. Exploring the idea of having a proclamation naming the day LSU Staff Day.

For this first visit, discussed limiting participation to Staff Senators.
