Also, two more Staff Senate scholarships are to be selected and Jade will notify Ellen in the Scholarship office to proceed accordingly.

The scholarship committee will also put in place a timeline and procedural guideline for the scholarship selection and recognition process.

The Candy Gram and Holiday Decoration contest information is being released. A Google form was prepared for the Candy Gram sales which will allow for an order of up to 10 recipients at a time to be placed through a website link. Melonie will be able to download to a spreadsheet. Purchasers will still have to pay in person.

The Holiday Decoration contest will be held on December 13, 2016, with the 6-person scholarship committee as judges. We will invite other staff senators, up to 4, to volunteer also.
