

Staff Senate Scholarship MONTHLY COMMITTEE REPORT

DATE & LOCATION

OF MEETING: **Tuesday, September 25, 2018**

ATTENDANCE: Jennifer Braud, Amber Salvadras, LaKisha Banks, Jill Clemons, Tammy Millican, Melonie Milton

NON-ATTENDANCE: Amber Bonner, Nathan Lemoine

SUMMARY: The main goal of the Committee this year will be to gain control of the scholarship selection process. This will require meetings with the LSU Foundation and the office of Student Aid and Scholarship. President Millican provided a little history of the scholarship and all were in agreement that Staff Senate should be able to manage the selection of the scholarship winners. We would like to move to an application process with Committee review (to include Scholarship Cmte., other Staff Senate members, and an outside source).

-We spoke about the current fundraising events, mainly for fall. For our next meeting, we will decide on a theme for the holiday decorating contest.

-We spoke about a possible partnership with the LSU Food Pantry for the holiday season. More info to come on this.

-The Fall Candy Gram sale is quickly approaching. We are requesting donations from retailers (Walmart, Costco, Sam's, Rouses and Matherne's) first, then purchasing candy if needed.
