Today, Campus Federal has grown to serve more than 50,000 consumer and business members with 10 locations throughout Baton Rouge, New Orleans and Shreveport. The bond between Campus Federal and Louisiana State University continues to remain strong.

They are a progressive financial organization providing flexible, competitive financial products coupled with quality member service while sustaining planned, diversified growth, which contributes to financial stability and sound financial performance.

They strive to be a true financial partner to their members throughout all financial stages of life. Their philosophy of people helping people is the guiding force behind their everyday service. As one of the nation’s first credit unions and one of the largest in the state of Louisiana, you have a voice in everything we do. We’re here to give back to the communities we serve.
At Campus Federal, The Board of Directors, Associate Board of Directors and their Supervisory Committee are members of the LSU Community and serve on their positions as Volunteers. In addition, some members on the Supervisory Committee serve as Ambassadors who are committed to strengthen ties with the LSU Community. Over the years, many Staff Senators’ have served as Ambassadors as well.

The year 2020, brought more challenges than anyone could have anticipated with the pandemic, hurricanes and more. Through it all, they hope to have helped in some way. They quickly mobilized their staff to serve their members' needs in new ways. They extended loan deadlines, provided Payroll Protection Program (PPP) loans, waived checking account fees, enhanced digital service features, reshaped their community involvement and financial education efforts to a virtual platform, offered assistance following declared disasters and more.

Their ongoing investment in digital services and innovative technology prepared them to better serve their members during the pandemic. They enhanced their robust suite of digital products with the addition of Zelle. They expanded their contactless member service experience with additional Campus Connect ITMs statewide and expanded ITM service hours from 7 AM to 7PM. Additionally, they began implementing their Video Call Center platform enabling members to virtually speak with a variety of their financial experts at their convenience.

To complement these new and improved digital services, they launched their newest innovation, the digitally-driven Interaction Center at Long Farm Village. This modern banking center provides members with state-of-the-art technology while preserving face-to-face service and assistance. They also purchased property to begin development of our upcoming Siegen Lane facility.

Campus Federal Credit Union also conducts workplace Financial Education Sessions. Various departments have been participating in these sessions. They hold a graduation event for those members at the end of the sessions.

Jane Verret presented the Staff Senate with a contribution of $250 to help with the Staff Senate Gift Fund.

Proclamations

President-Elect Tammy Millican provided the second reading of the Proclamation of Gratitude for LSU President Tom Galligan for serving this past year which reads:

LSU Staff Senate Commendation 2021-01

A Proclamation

In RECOGNITION and APPRECIATION of the 27th President of Louisiana State University, A&M, Thomas Galligan

The LSU Staff Senate expresses its sincerest gratitude and appreciation for Thomas “Tom” Galligan and his outstanding service to LSU.

Galligan stepped into the role of interim President of LSU in January 2020, a year marked with intense challenges.

The Staff Senate commends Galligan’s steady hand and strong guidance in the face of the COVID-19 pandemic. From speaking to national media and holding numerous town halls to update students, faculty and staff and gather feedback, his accessibility and flexibility helped the university protect its constituents and transition to 100% online operations.
In the midst of the social justice awakening on LSU’s campus, Galligan’s leadership from the forefront ensured students and employees felt their voices were being heard. Galligan was present at numerous campus gatherings fostering thoughtful and responsive dialogue that moved the campus community to elevate and reflect on how systems, messages, and building names affect our diverse student body. As a result, LSU has become a standard bearer through its Roadmap to Diversity initiative that began under his presidency.

When notified of potential Title IX issues, Galligan demonstrated strength and integrity by commissioning Husch-Blackwell to do an investigation. Standing firm in the line of fire, Galligan once again provided exemplary leadership in order to provide a safe environment and protect students, faculty, and staff from sexual harassment through the creation of the new Office of Civil Rights and Title IX.

Tom Galligan taught at the Paul M. Hebert Law Center from 1986 until May 1998. He was named the Dr. Dale E. Bennett Professor of Law in 1997 and honored by students as the Outstanding LSU Professor six times. He returned to LSU as the commencement speaker in 2006 and then took on the role of Dean of the LSU Law Center in 2016 until being named LSU President in 2020. He currently serves as an LSU Law Center faculty member and holds the Dodson & Hooks Endowed Chair in Maritime Law and the James Huntington and Patricia Kleinpeter Odom Professorship.

The Staff Senate is appreciative of Tom Galligan, LSU President Emeritus, for his willingness to guide the university through such an unprecedented and challenging time in its history. It has been an honor to work with him and it is our hope that he continues to be a member of the LSU community.

A motion to accept the LSU Staff Senate Commendation 2021-01, was made by Senator Nicole Roth. The motion, seconded by President-Elect Tammy Millican, carried.

President Tom Galligan will be invited to a future meeting to be presented with his Commendation.
