**\*Résumé submissions begin as soon as an employer loads a job description(s), as early as January 1. Potential interviewees cannot apply until the job description is loaded.**

**EMPLOYERS:**

**\*\* We recommend that employers do not schedule an interviewing date during interview week 8 or 9 due to a decrease in the candidate pool. The most beneficial time to recruit are weeks 1 through 6, when the candidate pool is larger. Should you want to recruit at a time not listed here, we can make accommodations for you to use our facility outside of this interviewing program. Please contact The LSU Olinde Career Center for more information ([career@lsu.edu](mailto:career@lsu.edu) or 225-578-2162).**
