### Registration Information

#### Learning Communities
Learning communities link together several courses so that students have opportunities to integrate material and examine topics from various viewpoints. They emphasize interaction among students and faculty from different disciplines.

#### Service-Learning
Students in Service-Learning courses engage in service activities that meet community needs and also enhance student understanding of course content.

### Course Offerings
Courses currently being offered at Louisiana State University and A&M College.

### Fee Schedule
Fees for students registering at Louisiana State University and A&M College.

### Registration Help
You can find step-by-step instructions on how to schedule using myLSU in the GROK Knowledge Base. If you have questions, please contact the Help Desk at helpdesk@lsu.edu for assistance.

### Communication-Intensive Courses
By registering for C-I courses in your undergraduate degree path, you will engage in learning activities that help you improve your writing, speaking, visual, and technological communication skills while gaining a deeper understanding of the course content.
