# Where Excellence Begins

FALL 2018

### WELCOME TO UNIVERSITY COLLEGE'S CENTER FOR FRESHMAN YEAR

On behalf of the Center for Freshman Year (UCFY), I welcome you to the LSU family. UCFY plays an important role in advising and guiding your new LSU student through the start of a successful undergraduate career.

The Center for Freshman Year is the academic home for most new freshman, except for those students pursuing majors offered by the Colleges of Agriculture, Art & Design, and Music & Dramatic Arts. UCFY offers one-on-one academic, career, personal guidance, and the navigation of LSU policy and procedures as your student adjusts to campus life.

Please encourage your LSU student to schedule an appointment and take advantage of our services. We invite you to text **@uc-family** to **81010** to join our new family messaging system and view our **fall newsletter**.

Appointments may be scheduled at our website [www.lsu.edu/ucfy](http://www.lsu.edu/ucfy). The Center for Freshman Year is located at 150 Allen Hall and is open Monday – Friday, 8AM – 4:30PM. We are Where Excellence Begins.
